### A New Departure

The cost of interments has been greatly reduced by the Holman Undertaking company. Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embalming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriage, thus effecting a saving of \$25 to \$75 on each funeral.
