BUYS SITE FOR HOME

P. J. Mann Purchases Five Acres of Ladd Tract on Sandy Road for Old People's Institution — Estate Donates $5,000.

A site for the old people's home which P. J. Mann has agreed to build for the aged has been procured and Mr. Mann has purchased five acres of the Ladd tract, on the Sandy road, east of the city, for $3,000 an acre. The property was valued at $20,000 and is one of the most favorable sites for such an institution that could be found. The Ladd estate donated $5,000 of the purchase price of the property.

Now that the actual site of the institution which is to be erected through the generosity of Mr. Mann has been secured, bids for the building will be let immediately and work begun as soon as possible.

"I think the site is a very desirable one," said Mr. Mann this morning. "It is the first piece of the original Ladd tract to be sold and I think I am particularly fortunate to have secured it. It is on the right-hand side of the road going out, and is cleared of timber and under cultivation. The land is high, so that drainage will be good and the air will be pure and invigorating. There are just enough fir trees on the property to make the tract beautiful from the landscape point of view."

Although the property is generally valued at $4,000 an acre, the Ladds are interested in Mr. Mann's philanthropic plans and agreed to donate $5,000 of the purchase price.

Mr. Mann said this morning that he did not know how many people the home would accommodate. It is probable that the Old Ladies' Home society which has needed a new building for some years, may accept a tentative offer made it by Mr. Mann and combine their institution with his. If that is done Mr. Mann will probably relinquish control to a board to be selected by him and by the present board of the Old Ladies' home, of which his wife is the president.

The Old Ladies' home is possessed of considerable property, left it at various times in the form of bequests, including one of $18,000 bequeathed it by the late Henry W. Corbett. It has been anxious to build, but the directors could not agree upon a site. Should Mr. Mann's offer be accepted both old men and old women will receive the benefits of Mr. Mann's plan.

The Ladd property, although far enough out in the country to insure quiet and a sufficiency of pure air, is accessible from the city by the Rose City Park cars.

SNAKE DAM WILL BE TURNED DOWN

President Will Veto Benton Water Company's Bill Unless Amended.

(Special Dispatch to The Journal.)

Washington, D. C., April 9.—Information is absolutely authoritative that the president will veto the Benton Water Power company bill providing the right to dam the Snake river at Five Mile rapids. Unless provision is made by an amendment limiting the life franchise and requiring an annual compensation for the use of the privileges conferred by the federal government he will refuse to give consent to its passage and leave it to the state to regulate such privileges and collect fees so far as the federal government is concerned.

LIEUTENANT LINDSAY TAKES HIS OWN LIFE

(United Press Leased Wire.)

San Francisco, April 9.—What promised to be a brilliant army career has been suddenly ended by the suicide of First Lieutenant David A. Lindsay of company E, of the signal corps stationed at the Presidio in San Francisco. Friends of the dead soldier are today seeking information that will throw some light on the cause leading to the tragedy. So far as his comrades knew he was not in financial trouble and had no love affair. He was in his quarters in Tennessee Hollow when he fired the shot early yesterday, but his body was not discovered until late in the afternoon.

Lieutenant Lindsay enjoyed the reputation of being extremely ambitious. He preferred studies to the social life, and late at night he was often found over his books. From these simple facts his comrades can imagine no valid reason for his act, other than a suddenly acute fit of melancholia. Some of the lieutenants' friends say that a fatalism has relentlessly followed him for 10 years, from the time he was a soldier in the Samar campaign in the Philippines up to the time of his death. Of seven comrades who were particularly friendly with Lindsay, four preceded him to a suicide's grave. Lindsay was born in 1875. In 1898 he enlisted as a private in the artillery. He was quickly promoted and in 1907 he was advanced to first lieutenant. His birthplace was in Pennsylvania.

WARSHIPS WILL VISIT

(Continued from Page One.)

some special entertainment would be due the officers of the navy. "There is always plenty of welcome and entertainment for the naval men, and for all other distinguished men who visit this city in a public capacity. The announcement that some of the warships would visit Portland is good news, but not surprising. It has been confidently expected ever since the suggestion was made and the subject discussed in Portland and at Washington. The navy department does not overlook the Port of Portland.

(United Press Leased Wire.)

San Francisco, April 9.—De Wett Levington McDonald, who was working for $2 a day not long ago, now has $300,000 at his disposal and with his wife is living in apartments at the Fairmont hotel, surrounded by all the luxuries that wealth can afford. McDonald is one of the six heirs of the late James M. McDonald, who left an estate valued at $1,500,000 and who was formerly president of the Bohemian club and a man about town. His share is $300,000. He is enjoying himself telling his friends of the automobiles and race horses he intends to purchase, and says it is his intention to live to the reputation of his uncle.

WICKERSHAM FORCES WIN AT FAIRBANKS

(United Press Leased Wire.)

Seattle, Wash., April 9.—United Press advices from Fairbanks, Alaska, are that the anti-Wickersham forces lost the city election yesterday, only securing two out of seven councilmen. The merchants determined to eliminate politics from the city campaign, and did so. At Skagway the anti-railroad forces won, securing four out of seven councilmen. Both elections are favorable to Thomas Cale for delegate to congress.

"There's a Reason"

FOR

GRAPE-NUTS

Welfare

Here is a word that means something now that it never meant before. It describes a department in business whose value is not reckoned in Arabic numerals. The Welfare Departments of big corporations attempt to make life pleasanter for the employees in ways which are not nominated in the bond. Sometimes these experiments succeed; sometimes they are ghastly failures, disgusting the men and souring the employer. It all depends.

In this week's issue of THE SATURDAY EVENING POST James H. Collins tells *on what* it depends. The article is called "Right and Wrong in Welfare Work."

In the same issue of THE POST read "How They Make Ends Meet in New York," by Will Payne, and an article by Arthur Train, "Con Men Abroad," in which he recounts the interesting experience of an American who was too strong to work, amid the unsympathy of the Old World.

CANVASS OF SITUATION

(Continued from Page One.)

Republican choice and nine unpledged, or a clear majority of nine votes.

Considering the senate first by senatorial districts, the situation will be discovered to be about as follows:

In the first district, Marion county, there are two holdover senators, T. B. Kay, Republican choice, and J. N. Smith, unpledged.

District 2, Linn, M. A. Miller, holdover, is pledged to Statement No. 1.

District 3, Lane, I. H. Bingham, Statement No. 1, is a holdover.

District 4, Linn and Lane, F. J. Miller, a holdover, is unpledged.

District 5, Douglas, there is one senator to elect. Albert Abraham is pledged to Statement No. 1, A. F. Stearns and C. S. Jackson are unpledged. A. R. Marker, Democrat, is pledged to Statement No. 1. It is argued that this county will return a Statement No. 1 senator.

District 6, Jackson, L. L. Mulit, Democrat, is a holdover, pledged to Statement No. 1.

District 7, Josephine, elects one senator. The candidates are O. S. Goodnow, Statement No. 1; George Colvig, Republican choice, and L. L. Jewell, unpledged. It is expected that this county will return a Statement No. 1 senator.

District No. Eight.

District 8, Coos and Curry, elects one senator, W. C. Chase, Statement No. 1, is the only candidate.

District 9, Benton and Polk, A. J. Johnson, Statement No. 1, is a holdover.

District 10, Yamhill, F. H. Caldwell, Democrat, Statement No. 1, is a holdover.

District 11, Washington, elects one senator. Candidate William D. Wood and Earl E. Fisher, both Republican choice. Republican choice senator.

District 12, Clackamas, Joseph E. Hedges, Democrat, pledged to Statement No. 1, is a holdover.

District 13, Multnomah, has one holdover senator, S. C. Beach, pledged to Republican choice, and elects five additional senators. It is estimated that in this county the entire list of five men pledged to Statement 1 and urged to run by petition of prominent business and professional men will be nominated and elected. This list is composed of H. R. Albee, Ben Selling, Dan Kellaher, A. H. Willett and C. W. Nottingham. The other candidates pledged to Statement 1 are John D. Wilcox and R. C. Clyde. Candidates pledged to Republican choice are J. C. Bayer, John B. Coffey, Elmer B. Colwell, Emmet Drake, John Driscoll C. W. Hodson, J. B. Kelly and Sig Sichel. M. J. MacMahon is unpledged. This computation gives the district five Statement 1 senators and Senator Beach, pledged to Republican choice.

District 14 (Columbia, Multnomah and Clackamas)—A. A. Bailey, Statement 1, is a hold-over.

District Fifteen.

District 15 (Clatsop)—W. T. Scholofield, Statement 1, is a hold-over.

District 16 (Wasco)—Elects one senator. Candidates: N. J. Sinnott, Statement 1; Henry L. Kuck, unpledged. Because of the great growth of Statement 1 sentiment in Wasco county, which forced nearly all of the candidates onto that platform, it is believed that the district will return a Statement 1 senator.

District 17 (Crook, Klamath and Lake)—Elects one senator. Candidates: G. Springer, Democrat, Statement 1; George H. Merryman, Republican choice; L. P. Willits and Harry L. Holgate, unpledged. This county is probably Republican choice.

District 18—Gilliam, Sherman, Wheeler, elects one senator, George B. Bourhill, Republican choice; Jay Bowerman, for reelection, unpledged. It is believed that the senator will be unpledged.

District 19—Morrow and Umatilla, W. G. Cole, Republican choice, a holdover.

District 20—Umatilla, C. J. Smith, Democrat, Statement No. 1, holdover.

District 21—Union and Wallowa, elects one senator. Candidates, E. W. Rumble, Republican; Turner Oliver, Democrat, both Statement No. 1.

District 22—Grant, Harney and Malheur, one senator. Candidates, J. L. Sitz, Republican choice; Charles Parrish, unpledged. Republican choice senator.

District 23—Baker, J. N. Hart, holdover; Republican choice.

District 24—Washington, Yamhill, Tillamook and Lincoln. Elects one senator. Candidates, Oak Nolan, Statement No. 1; W. N. Barrett, C. C. Hammerly, Republican voters' choice. Statement No. 1 senator.

Taking up the consideration of the house where all of the 60 places are to be filled by election at this time the computation gives, as stated before, 35 Statement No. 1 members, 19 Republican choice and six unpledged. The summary by districts is as follows:

Marion Sentiment.

One—Marion, elects five members. Candidates Hal D. Patton, Henry F. Miller, G. L. Hattenberg, A. C. Libby and Walter Winslow, Statement No. 1; Frank Turner, Sam Hughes, S. D. Adkins, C. M. Crittenden and Lloyd T. Reynolds, Republican choice. This is an even fight, clear cut by the candidates for and against Statement No. 1. Throughout the county the sentiment is strongly in favor of Statement No. 1. In Salem, the vote center, it is anti-statement. It is computed that there will be two Statement No. 1 members and three Republican choice nominated and elected.

Two—Linn, three members. Candidates F. M. Brown, Y. G. Freeman, G. G. Belts and I. A. Munkers (Democrat), Statement 1; Mel J. Simpson, Republican choice; W. B. Blanchard, E. E. Upmayer, Frank H. Parker, unpledged. Two Statement 1 members and one Republican choice.

Three—Lane, three members. Candidates Allan H. Eaton, Statement 1; Winsor W. Calkins, A. C. Jennings, Republican choice; Charles J. Dodd, Isaac N. Edwards, Louis E. Bean, unpledged. One Statement 1 and two Republican choice members.

Four—Douglas, two members. Candidates George Jones Jr., George H. Wixon, Statement 1; E. R. Applegate, O. C. White, unpledged. Two Statement 1 members.

PLANTERS READY FOR CUBAN WAR

Whites Sure Natives Will Start Uprising When U. S. Withdraws Troops.

(United Press Leased Wire.)

Havana, April 9.—Planters in eastern Cuba are fortifying their houses, and in many places mounting Gatling guns in anticipation of trouble following the withdrawal of American troops from the island. They assert there have already been signs of lawlessness and that they are confident the presence of United States soldiers alone has prevented widespread anti-government uprisings.

LITTLE SHY ON HEIGHT OF LETTERS

City Auditor A. L. Barbur received a list of all the automobiles owned in Portland that have a state permit from the secretary of state this morning and it shows that there are 418 "buzz wagons" owned in the Rose City. Of these only about 157 have taken out a license from the city under the new ordinance and the rest will be prosecuted if they do not follow the requirements of the new law.

There seems to be a misunderstanding among the automobile owners regarding the provision of the law relating to the numbering of their machines. The state law requires letters and numbers not less than three inches, while the city law requires numbers of not less than five inches. The state number serves for both laws and to comply with the city regulation the owner simply has to increase the size of his numbers.

SLEUTHS HUNT "HIGHER-UPS"

Important Personages in Spanish Court Suspected of Being Anarchists.

(United Press Leased Wire.)

Madrid, April 9.—Assistant Chief of Police Tresols' statement on the witness stand during the trial of Anarchist Juan Ruil at Barcelona that "high personages" were behind the prisoner is taken in Spanish court circles as the first hint of a campaign just beginning against an aristocratic coterie long suspected of activity against the existing government.

Inspector Arrow of Scotland Yards, who came to Spain some time ago to investigate recent anarchistic outrages, is said to have found evidence almost from the first that men in important government positions and others high in society, were concerned in the plots and aiding the actual perpetrators of the outrages with money, influence and protection.

Presumably he experienced difficulty in backing his suspicions with proof, however, for the announcement by Tresols, who has been working with the Scotland Yard investigator, that he "will denounce the culprits at the proper time," is the first open admission the authorities have made that they have succeeded in tracing the crimes to their source.

Arrow's recent statement that he expected soon to quit his present post and return to England is accepted as another indication that he has finished his work and furnished the government with facts which he believes sufficient to enable it to stamp out the terrorism. The inspector has nominalyl concerned himself only with conditions at Barcelona, notoriously the headquarters of the terroristic movement. He has made many trips to other Spanish cities, however, and informed himself thoroughly concerning conditions all over the country.

HERMAN BILLEK FIGHTS FOR LIFE

Man Convicted of Murdering Vrzals Will Ask Governor to Save Him.

(United Press Leased Wire.)

Springfield, Ill., April 9.—Herman Billek, sentenced to hang for murdering five members of the Vrzal family a few months ago, was today denied a rehearing by the state supreme court, and unless the governor or board of pardons intercedes in his behalf he will die on the gallows April 24.

Billek made the appeal to the supreme court on the ground that Jerry Vrzal, whose testimony more than that of any witness convicted the big Bohemian, confessed that he committed perjury on the stand. Several days ago Jerry, who testified that he heard his mother and Billek conspiring to kill one of the members of the Vrzal family, made a written confession in which he declared he had not told the truth; that the police compelled him under threats to give the testimony. Attorneys representing Billek will at once appeal to the governor.
