CONTINUE FIGHT IN WASHINGTON

In This County Mass Convention Will Be Held Following the Primaries.

In Washington county the primary election will not mark the close of the fight for the election of the legislative ticket, but the battle will be carried on to the June election, when it is expected that a full Statement No. 1 ticket will be sent to the next session of the legislature.

At the present time the old line politicians of Washington county have a full ticket in the field, all candidates both for the senate and the house, with one exception, being pledged to the new machine propoganda of Republican voter's choice. One candidate for representative, George W. Kelly, has appeared on a Statement No. 1 platform.

Hold Convention After Primaries.

The great body of the voters throughthe country, however, are in favor of Statement No. 1 and the sentiment is growing as the vital nature of the issue becomes apparent. Realizing therefore that the legislative fight is one in which the issue is the right of the people to rule, pitted against the usurpation of a few political dictators, the rank and file of the voters are planning for a mass convention to be held after the primaries, when it is intended to choose a full legislative ticket pledged to statement No. 1, to oppose the old time politicians now on the Republican choice ticket.

The movement is not one of office seekers but is one of men who are to give battle for a principle at stake. The men who will be put on the ticket will be men who command the respect and support of the entire county and whose election will be assured.

A. T. Buxton, master of the state grange, is being urged to make the race on the Statement No. 1 ticket as a candidate for senator. So far he has declined, holding that he did not want to become a candidate for political office as long as he was head of the grange. In spite of this announcement, however, a petition has been prepared and is being circulated among the people urging Mr. Buxton to lay aside his intention and allow himself to become a candidate for senator.

Favor President Ferrin.

Another man who is mentioned as a candidate for the senate, and who will in all probability make the race should Mr. Buxton not be persuaded to enter the contest, is W. N. Ferrin of Forest Grove, president of Pacific university. As an illustration of the earnestness of the voters regarding Statement No. 1 it is pointed out that men who have opposed President Ferrin for years on the liquor question in Forest Grove will take their coats off in his support as a senatorial candidate on a Statement No. 1 platform.

B. G. Leedy of Tigardville, past master of the state grange, and William G. Hare of Hillsboro, are also mentioned as candidates for the house of representatives.

The present candidates who are in the race for the nominations are William D. Wood and Earl E. Fisher, for the senate both pledged to Republican voters' choice. George W. Kelly, pledged to Statement No. 1, and S. D. Meek, W. McCullian, T. B. Perkins, Charles H. Hines, R. H. Greer and W. K. Newell, all pledged to Republican choice. Washington county elects the senator and three representatives. It is expected that Mr. Kelly, the Statement No. 1 candidate will receive the nomination for one of the offices, which will leave one candidate for the senate and two for the house to be provided by the independent Statement No. 1 voters after the primaries.

MRS. DUNIWAY MAKES APPEAL TO VOTERS

In an open letter to the voters sent The Journal, Mrs. Abigail Scott Duniway says with reference to equal suffrage:

"Gentlemen, voters, sons, brothers: I am growing old. But I cannot rest until you have given us the victory. Every hour I spend in this service is a labor of love. Every dollar I donate is a personal sacrifice. Have the faithful mothers of Oregon not earned their full and free enfranchisement? You ought not to be afraid of us.

"You are equipped with ballots. We are not. We are depending upon you to honor our flag of truce by voting yes in our behalf in this unequal contest. You know that you would only compel us to repeat this struggle in 1910, if you should fail us now. But we believe that you will not fail. You have only to unlock the door of the closed citadel of liberty, leaving us free to choose for ourselves, exactly as you do, as to whether to vote or not to vote, at every succeeding election. Thus only can you acquit yourselves as free men and relieve us from further effort to secure equality with yourselves before the law."

In connection with the same subject the Oregon Equal Suffrage association says:

"In the political conditions now existing which have disheartened many in the success of the principles of a republican form of government, we are surely reaping the harvest of the reasoning which enfranchised the non-taxpaying man, while the taxpaying woman remained disfranchised; which thrust the ballot unasked into the hands of the negro just out of slavery, while the author of 'Uncle Tom's Cabin' pleaded for it in vain; which urged the Indians upon the western prairies to accept suffrage as a favor, while the opinions of missionaries and teachers who were trying to raise them to the level of civilization, were counted with idiots, insane and criminals on election day; which crowned with sovereignty many an illiterate or ignorant alien from foreign lands, while denying representation to educated American women. Such inconsistency in the application of justice does not find its equal in all the world's history.

"To end this injustice, vote yes for equal suffrage amendment June 1."

EX-GOVERNOR T. T. GEER

REPUBLICAN CANDIDATE FOR CONGRESS

Governor Geer needs no introduction to the people of Oregon. Born in the state, and having lived here all his life, 12 years of it in eastern Oregon, having served four terms in the state legislature, one of which he was speaker of the house, and four years governor of the state, after campaigning several times in every county, he easily knows more people in the state than any other man. His wide experience in public affairs and knowledge of conditions in every section gives him unusual qualifications for excellent service in congress. He is an especial advocate of liberal appropriations for the improvement of our rivers and harbors as a permanent national policy, favors the establishment of postal savings banks, fair legislation for both capital and labor, and the preservation of an efficient public service. Mr. Geer was a farmer all his life until he was elected governor, since when he has been connected with daily newspaper work. Multnomah county has never claimed the representative in congress, since both senators have always been from the western part of the district, and the position is conceded to eastern Oregon. Mr. Geer's plurality in Multnomah county two years ago was nearly 1,800 votes, in this district over 2,100, and promises to be larger at this time.

HELPFUL ADVICE

You won't tell your family doctor the whole story about your private illness—you are too modest. You need not be afraid to tell Mrs. Pinkham, at Lynn, Mass., the things you could not explain to the doctor. Your letter will be held in the strictest confidence. From her vast correspondence with sick women during the past thirty years she may have gained the very knowledge that will help your case. Such letters as the following, from grateful women, establish beyond a doubt the power of

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

to conquer all female diseases.

Mrs. Norman R. Barndt, of Allentown, Pa., writes:

"Ever since I was sixteen years of age I had suffered from an organic derangement and female weakness; in consequence I had dreadful headaches and was extremely nervous. My physician said I must go through an operation to get well. A friend told me about Lydia E. Pinkham's Vegetable Compound, and I took it and wrote you for advice, following your directions carefully, and thanks to you I am today a well woman, and I am telling all my friends of my experience."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

LOCAL MEN IN THE DIRECTORATE

Home Telephone Company Successful in Gaining Cooperation of Portlanders.

After three weeks of maneuvering to evade the espionage of a rival company that was straining every resource to prevent influential men from accepting places on its directory, the Portland Home Telephone company has completed a permanent local organization and elected officers for the ensuing year. So bitterly waged is the fight for existence between the two big telephone companies in Portland that for weeks, it is said, detectives in the employ of the Pacific Telephone company have kept watch upon the movements of the principals in the Home company, and as fast as a prominent business man was secured to act on the Home board, influence was brought to bear from the other camp to induce him to withdraw.

William Mead, treasurer of the National Securities company, which is the financing corporation back of the Home Telephone companies on the Pacific coast, has been in Portland two or three weeks, hard at work in the interest of the organization that was perfected last evening. E. W. Stow, general manager of the Empire Contracting company that built the Portland Home Telephone plant, came here from Omaha about the time of Mr. Mead's arrival from Los Angeles, and has been constantly on the ground. Other aggressive men have taken part in the work of forming the organization. It is said the exceptional strength and ability of the new organization and its officers is due to the extraordinary efforts made under these circumstances by the Home Telephone company men.

At a meeting of stockholders of the Home company last evening directors were elected and the transfer of the Portland plant to the local company was completed. The new company is headed by P. L. Willis, a well-known Portland capitalist and one of the largest holders of Portland Home Telephone stock.

The new directory is composed of the following business men: P. L. Willis, I. N. Fleischner, S. G. Reed, John Kiernan, A. A. Dekum, Robert Tucker, A. A. Andrews, Portland; William Mead and William H. Allen Jr., Los Angeles. These directors met and elected the following officers: President, P. L. Willis; vice president, I. N. Fleischner; secretary and treasurer, A. A. Andrews; general manager, A. L. Tetu. An informal dinner to the new directory was given at the Oregon hotel.

WOMAN'S CLUB FOR STATE UNIVERSITY

Appropriation Is Indorsed at Meeting—Musical Entertainment.

At the meeting of the Woman's club yesterday a resolution was passed indorsing the appropriation of $125,000 for the University of Oregon at Eugene. At the close of the business meeting president's day was observed.

Mrs. Frederick Eggert, the president, entertained the club by a musicale, at which the Peer Gynt music was rendered in connection with a lecture by Dr. C. H. Chapman on Ibsen's drama. Miss Beatrice Hidden, Mrs. Rose Bloch Bauer and Mrs. Bushong were the soloists. "Morning," "The Hall of the Mountain Kings," "Ase's Death" and "Anitra's Dance" were given with excellent effect by a trio, consisting of Miss Beatrice Hidden, piano; Frank G. Eichenlaub, violin, and Ferd Konrad, violincello. Miss Hidden gave "Ingrid's Plaint" and "The Storm" as piano solos. Mrs. Rose Bloch Bauer gave Solveig's "Song of Sunshine" in the happiest way, and Mrs. Bushong's rendition of Solveig's "Cradle Song" was delightful. Mrs. Warren E. Thomas was accompanist and the ensemble playing was excellent.

Mrs. W. H. Fear announced her resignation as financial secretary, as she is leaving for an extended trip in the east. A vote of thanks was tendered her for her faithful service.

Beautiful flowers were presented to the women who took part in the program and a graceful tribute was paid to Mrs. Abigail Scott Duniway, who was presented by the president with a beautiful floral tribute. Mrs. Duniway was the one who placed in nomination Mrs. Eggert's name as president.

INITIATIVE MEASURES TO BE VOTED UPON--NO. 16

The sixteenth in the list of 19 proposed initiative and referendum petitions is known as the Huntley corrupt practice bill. The form in which it will appear on the ballot is as follows:

Proposed by Initiative Petition—A bill for a law to limit the amount of money candidates and other persons may contribute or spend in election campaigns; declaring what shall constitute corrupting use of money and undue influence in elections and punishing the same; prohibiting attempts on election day to persuade any voter to vote for or against any candidate or candidates, or any measure submitted to the people; to protect the purity of the ballot; furnishing information to voters concerning candidates and parties, partly at public expense, and providing for the manner of conducting election contests. Vote yes or no.

330—Yes.

331—No.

The bill as it has been drafted is perhaps the longest and most involved presented to a legislature or to the people outside of charter laws in years. It was presented to the legislature of 1907, by Representative Huntley of Clackamas county, but was not passed, largely on account of its involved nature.

The bill provides in its opening section as follows:

"Section 1. No sums of money shall be paid, and no expenses authorized or incurred by or on behalf of any candidate to be paid by him, except such as he may pay to the state for printing, as herein provided, in his campaign for nomination to any public office or position in this state, in excess of 15 per cent of one year's compensation or salary of the office for which he is a candidate; provided, that no candidate shall be restricted to less than $100 in his campaign for such nomination. No sums of money shall be paid, and no expenses authorized or incurred, contrary to the provisions of this act, for or on behalf of any candidate for nomination. For the purposes of this law the contribution, expenditure or liability of a descendant, ascendant, brother, sister, uncle, aunt, nephew, niece, wife, partner, employer, employe, or fellow official or fellow employe of a corporation shall be deemed to be that of the candidate himself."

Path for the Candidate.

The bill then takes up the conditions under which a candidate may run for office, setting out the detail of the method to be employed in getting his name before the people, and providing for protests which may be filed by opponents.

The cost of advertising is regulated as follows:

"Section 3. Candidates for nomination shall pay for one page of space in the publication herein provided for as follows: For the office of United States senator in congress, $100; for representative in congress, $100; for justice of the supreme court, $75; for governor, $100; for secretary of state, $100; for state treasurer, $100; for state printer, $100; for state superintendent of public instruction and attorney-general, each $75; for commissioner of labor statistics and inspector of factories and workshops, $50; for senator or representative in the legislative assembly, $10; for circuit judge and district attorney, $50 each; for candidates for any other office for a district consisting of one or more counties, or state office, $25. Any candidate may have additional space at the rate of $100 per page, but no payment shall be received for less than a full page; provided, that not more than three additional pages shall be allowed to any one candidate. All payments required by this section shall be made to the secretary of state when the statement is offered to him for filing, and be by him paid into the general fund in the state treasury."

It is then provided that the secretary of state shall cause to be printed by the state printer, not later than 15 days before election, the announcements, cuts and statements of candidates for circulation in the district where the election is to be held. These shall be mailed to every voter in the state.

The act also prescribes that all candidates shall publish sworn statements of their election expenses. All political organizations are required to do the same.

No Jobs to Give Out.

Prohibitions are made upon candidates by which they cannot offer to secure a position in return for political aid. It is made unlawful for a person to solicit campaign funds, political advertisements, membership in a political organization and numberless other things. Section 26 is a fair sample of this prohibition. It says:

"Section 26. Any person or candidate who shall, either by himself or by any other person, either before or after an election, or while such person or candidate is seeking a nomination or election, directly or indirectly, give or provide, or pay, wholly or in part, the expenses of giving or providing any meat, drink or other entertainment or provision, clothing, liquors, cigars or tobacco, to or for any person for the purpose of or with intent or hope to influence that person, or any other person, to give or refrain from giving his vote at such election to or for any candidate or political party ticket, or measure before the people, or on account of such person or any other person having voted or refrained from voting for any candidate or the candidates of any political party or organization or measure before the people, or being about to vote or refrain from voting at such election, shall be guilty of treating. Every elector who accepts or takes any such meat, drink, entertainment, provision, clothing, liquors, cigars or tobacco shall be guilty of treating, and acceptance shall be a ground of challenge to his vote and of rejecting his vote on a contest."

No Betting on Elections.

Section 29 puts the ban on election bets. It says:

"Section 29. Any candidate who, before any election campaign, makes any bet or wager of anything of pecuniary value, or in any manner becomes a party to any such bet or wager on the result of the election in his electoral district, or in any part thereof, or on any event or contingency relating to any pending election, or who provides money or other valuable to be used by any person in betting or wagering upon the results of any impending election, shall be guilty of a corrupt practice. Any person who, for the purpose of influencing the result of any election makes any bet or wager of anything of pecuniary value on the result of such election in his electoral district or any part thereof, or of any pending election, or in any event or contingency relating thereto shall be guilty of a corrupt practice, and in addition thereto any such act shall be a ground of challenge against his right to vote."

The law also provides for contests, setting out the grounds for contest in each office under the electorate of the people.

YOUR HOME will be healthier when you keep bottled Schlitz. The barley is food—the hops are a tonic. And the drinking of liquids flushes the system of waste.

Every doctor knows that most people drink too little. On this account, their systems become clogged with waste.

There lies the main good of watering places. They induce the drinking of water.

That is one reason why the drinking of beer is good for you. It leads you to drink more liquid than you would drink without it. And that liquid is both a food and a tonic.

The sturdiest peoples of the earth drink the most of it.

But be sure that the beer is aged, so it will not cause biliousness. And be sure it is pure.

Schlitz beer is all healthfulness.

Common beer is sometimes substituted for Schlitz.
To avoid being imposed upon, see that the cork or crown is branded Schlitz.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes:

"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
