## JAMES COLE

Former Assistant United States District Attorney. Candidate for Republican Nomination for District Attorney.

### His Meaning of Words

"In declaring myself a candidate for the Republican nomination for district attorney for the fourth judicial district, it is my desire to express confidence in and the purpose to apply the spirit of American fair play as a controlling factor in the politics and the administration of public business of this community."

"Under the commercial conditions of the age the general habits and business conduct have permitted the game of every day life to become complex, and it is daily becoming unusual. But the solution is simple when the purpose and policy of all citizens of the law are to enforce the rules which govern this game so as to protect society and individuals against the offenses and depredations committed by those whose avarice or viciousness jeopardize the safety of that society and those individuals. Special interests, whether of business or politics, have no place or voice in the enforcement of laws wherever or whenever that place or voice is used to that interest."

### Will Go After Grafters

"Therefore my purpose and policy, if the Republican voters of this judicial district nominate and elect me as the next district attorney will be: 1. To exhaust every effort to secure to every person, in public or private life, fair and impartial treatment and the protection guaranteed by the laws and constitution of this state, and to secure to the public the service to which it is entitled."

### To enforce the Sunday closing laws.

"To enforce the laws generally."

"To carefully investigate grafting and bribery rumors, and if evidence of grafting or bribery sufficient to secure and sustain convictions can be found, to prosecute the offenders."

### To enforce the laws of this state relating to labor.

"To enforce the laws generally."

"To carefully investigate grafting and bribery rumors, and if evidence of grafting or bribery sufficient to secure and sustain convictions can be found, to prosecute the offenders."

### Cole Free of All Strings

"I am not pledged, bound or promised to any faction, nor will I become so in any matter connected with my office or official career. Office should not be sought or occupied for private advantages or private honor, but I do consider that honest purpose and zeal to acquire and retain a reputation as a lawyer in a public position frees such position from undue influences, political or otherwise, and provides a stimulus to every citizen's satisfaction in the performance of duty."

"Lastly I desire the public to understand that I am a Republican and that if elected, no political influences or political ambitions will be permitted by me to control or interfere with the duties of the office of district attorney, and I will exert my utmost to resist and destroy such control or interference to the end that this community may have the full benefit and protection of the laws."

## DR. ALEXANDER REID

Dr. Alexander Reid, who announces himself a candidate for the position of Oregon State Dairy and Food Commissioner on the regular Republican ticket, is a graduate of the medical department of the Oregon State university, and has been in active practice in Oregon for the past 12 years, and a resident of the state for 18 years.

Dr. Reid is also a graduate of the Royal College of Veterinary Surgeons, Scotland, and is at present a member of the state veterinary examining board.

Dr. Reid has always taken an active interest in all matters pertaining to food products, and the fact of his being a graduate of both a medical and a veterinary school makes him especially well equipped to fill the office of Dairy and Food Commissioner.

Dr. Reid is now a practicing physician in Portland, with offices at 532 Williams avenue.

## CANDIDATE FOR REPUBLICAN NOMINATION CIRCUIT COURT JUDGE, DEPARTMENT NO. 1

LAWRENCE A. McNARY.

Portland, Or. March 24, 1908

Mr. Lawrence A. McNary,  
My Dear Sir:—

I understand you are a candidate for Judge in Department No. One of this Judicial District. I want to indorse your candidacy, and say that you were City Attorney of this City for three years while I was Mayor, and I had an excellent opportunity to judge of your qualifications for that office. It affords me pleasure to add that you were an honest and efficient officer, and, with an unblemished reputation, have in my judgment the abilities and legal attainments which a candidate ought to have to be elected Circuit Judge in this District.

Yours very truly
