

DECORATIONS FOR FESTIVAL

Thirteen Blocks on East Side to Be Prepared for the June Show.

At least \$500 and possibly \$1,000 will be raised by east side business men for the purpose of making decorations at the time of the Rose Festival in June, this action having been decided upon at a meeting of the East Side Business Men's club last evening.

East side residents are desirous that their section of the city shall take an active part in the June celebration and will spare no effort to bring about the result. Within a week or so decorators will submit plans and something definite will be decided upon.

C. A. Sigelow, president of the East Side Business Men's club, stated last evening that he had obtained the cooperation of the members of the school board in regard to the participation of the school children in the proposed parade, after explaining that no time would be taken from the little ones' studies, that the parade would be held in the evening and not the heat of the day, that teachers would not be required to drill the children, as a competent drill master would be obtained, and that the parade would not be more than a mile in length. Announcement that children will be allowed to take part in the festivities will be made from the schools today and a mass meeting of the children will be held in Ringier hall next Monday afternoon for registration and organization.

Considerable discussion as to what portion of the east side should be decorated was indulged in at the meeting last night and it finally was decided to take in 13 blocks from East Morrison and Third streets on Grand avenue to East Burnside, and on East Burnside to East Third. To raise the necessary funds the following committees were appointed:

District north of East Oak street, O. E. Heinze, E. Schmeier and Gevurts; south of East Oak street, George Dilworth, V. C. Dunning and H. Caler.

In the course of the meeting it was decided that the club should hold a banquet and May 7 was set as the date. O. E. Heinze, E. R. Gellinsky and W. B. Fall being appointed a committee to make the arrangements.

A special meeting of the club will be held next week, when Rose Festival plans will be discussed further.

FAVORS MULTINOMAH MAN FOR CONGRESS

Portland, April 16.—To the Editor of The Journal—I wish to say a word in favor of electing a Multnomah man to congress. I believe I know something of the importance of river improvement. I have been a shipbuilder for 35 years and have built over 20 steamers at Portland and Alaskan waters, besides others for Mexico and other countries. I know George Shepherd will be able to do some good if we send him to congress by reason of his experience in marine matters.

I have noticed with regret that when the public starts to build a boat or have some public improvement connected with the water, often times the entire commission is composed of men with no knowledge of the work. We now have a chance to send a man to congress who understands what we need, so let us send him there.

JOSEPH SUPPLE

NAME POLICE CHIEF TUESDAY PERHAPS

Candidates for appointment to the positions of chief of police and city engineer of St. Johns are still on the anxious seat, as Mayor H. W. Brice, chosen to fill the position of chief executive at the recent election, has not indicated to whom the plum will fall.

The new city government has already been organized and the next regular meeting of the council will be held next Tuesday evening. It is possible at that time that Mayor Brice will announce his appointments and it is likely a warm fight will develop, as certain councilmen may not care to endorse the appointees of the mayor.

GRAND AVENUE PAVEMENT COMPLETED

Grand avenue between East Burnside street and the bridge over Sullivan's gulch now is open to general traffic, the paving along the thoroughfare having been completed. Nearly half a hundred men are now engaged in the work of paving south of East Burnside street and that improvement will be completed within a short time.

Metzger, Jeweler, 243 Washington.

CENTER FIGHT ON 66 SALOONS

Anti-Saloon League Will Take Up Only East Side in Campaign.

All of Portland east of the river will be dry after the first of June, if the campaign to be commenced on Sunday next by the Anti-Saloon league is successful. Should that come to pass there will be 66 less saloons in Portland, for there are that number now doing business on the east side.

East Portland is to see an anti-saloon campaign such as it has never before witnessed, according to the statement of J. H. Knodell, secretary of the Anti-Saloon league, who is the active manager of the fight to be waged. He says that there will be a "cyclone billboard campaign" and that all the money necessary to carry it through has been subscribed and will be available as it is needed in the work.

Petitions in Church.

Sunday next the precinct petitions necessary to cover the whole east side will be ready and will be circulated at every east side church in the city during that day for signatures. Afterward the circulation of the petitions will be kept up vigorously throughout the week until a sufficient number of names to allow for all mistakes, or unnoticed irregularities which generally creep into such petitions has been secured. It is expected that the work will be finished in time to file the petitions on Friday next.

The campaign will not be delayed for the filing of the petitions, however, but will be begun on Monday, when a meeting will be held at the Hawthorne Park Presbyterian church. The meeting will be a business men's rally, and for it some six or seven prominent business men of the city have been secured as speakers. At that meeting the campaign will be started, and from that time on until the June election there will be something doing every day.

Concentrate Efforts.

No effort will be made by the Anti-Saloon league as an organization to change the conditions on the west side of the river at the coming election. In one or two precincts on the west side individual voters have taken the question under their own direction and will make an effort to vote these precincts dry. The Anti-Saloon league members will lend what aid possible to these individual movements, but will take no official part, preferring to concentrate the entire strength of the organization in the effort to vote the east side dry.

Secretary Knodell says that the reports which have come to him from a canvass of the east side make him practically certain that the whole district will vote to close its saloons in June.

Dr. Parkhurst Is 66.

(United Press Leased Wire.)

New York, April 17.—Dr. Charles Henry Parkhurst was 66 years old today and was re-laid of the anniversary by the receipt of numerous letters and messages of congratulation. Commissioner Bingham of the police department probably was not among the senders of these felicitous greetings, for Dr. Parkhurst recently incurred the ire of the commissioner by publicly stating that conditions in the metropolis at the present time were, if anything, worse than in the days of the "best chief."

The eminent Presbyterian divine and reformer, who gained fame by his picturesque crusades in the red-light district that ultimately resulted in the famous Lexow investigation, was born in Framingham, Massachusetts, in 1842, and received his education at Amherst college. Later he studied theology in Germany, and upon his return to the United States was an instructor for a time in the Williston seminary. For 28 years he has been the pastor of the Madison Square Presbyterian church in this city, and for more than half of that time he has been president of the Society for the Prevention of Crime.

Little Child Murdered.

(United Press Leased Wire.)

Berlin, April 17.—A mysterious crime has been committed in the suburb of Charlottenburg. A little girl 4 years of age has been cut to pieces in the courtyard of a house, exactly as many little ones were murdered last July. As yet no tract of the assassin has been discovered.

Heart Troubles

The heart may be weak just the same as the eyes, stomach or other organs. It often happens that a person is born with a weak heart. Then again disease, fevers, over-exertion, anxiety, nervousness, rheumatism, etc. weaken the heart. The result is shortness of breath, palpitation, pain in the heart, or in some of the nerves of the chest or abdomen. The heart should be strengthened with a tonic, and for this nothing equals Dr. Miles' Heart Cure.

"I had LaGrippe last fall as I thought in a mild form. I was weak, tired feeling, and short of breath; could hardly go about and a good deal of the time sort of an asthmatic breathing and extremely nervous. I began taking Dr. Miles' Heart Cure and Nerve and now I feel so much better in every way. I am so thankful that I began taking this medicine, and shall not hesitate to tell others how much good it has done me."

MRS. F. J. NORRIS,
Freeville, New York.

YARVINT-KILLER IN WALLOWA COUNTY

(Special Dispatch to The Journal.)

Wallowa, Or., April 17.—Joseph Carper of this place will today commence to hunt for wild animals on the forest reserves in Wallowa county. He draws a salary of \$90 per month and retains what he can make from the sale of furs. As furs are practically worthless during the summer months his income will principally be what his salary will bring him. The position is attended with considerable danger. The hunter spends his entire time hunting in the woods. The government goes to this expense to protect sheep and cattlemen from wild animals.

Texas Hardware Jobbers.

(United Press Leased Wire.)

San Antonio, Tex., April 17.—There was a good attendance today at the opening of the annual convention of the Texas Hardware Jobbers' association. President Charles E. Nash of Fort Worth called the gathering to order and will preside over the two days' sessions. There is no special program outlined for the meeting further than the regular routine of business. A number of matters relating to the trade will be given attention.

Billious? Feel heavy after dinner? Tongue coated? Bitter taste? Complexion sallow? Liver needs waking up. Sloan's Regulets cure billious attacks. 25c at any drug store.

A DENIAL

Mr. Ladd Contradicts False Rumor

THE rumor circulating to the effect that lots in Ladd's Addition were being sold only under a ninety-nine-year lease is entirely untrue. There is not and never has been the slightest foundation for the report.

We have never in the past entertained such a scheme, nor will we consider any proposition to lease lots in Ladd's Addition.

A full Warranty Deed, as well as a complete abstract, is given to the purchaser of every lot.

Lots can be purchased on the installment plan, with easy payments and interest at six per cent.

Every deed will convey an absolute title, with no restrictions or reservations, excepting only those Building Restrictions required to insure the best class of buildings.
