CLAIRVOYANTS AND PALMISTS

Prof. W. A. Sheldon's
TEMPLE OF PALMISTRY—
The Home of Occult Science
The Benson bldg., cor. 5th and Morrison.
291 1-2 Morrison St.

For one week longer the low fee of 50 cents and $1 to all.

Psychic science reveals to you your character, capabilities, virtues and faults, state of your health, length of your life, what vocation you would best succeed in, etc., etc. CLAIRVOYANCE is one of the rarest gifts of nature, the learned and honest who have taken the trouble to investigate are willing to admit that there are some people gifted with clairvoyant foresight, whose reflex vision enables them to cast shadows of coming events and focalize them upon the mind.

Half the mistakes in life arise from not knowing how to act in harmony with coming events. To be forewarned by one thoroughly conversant with psychic science and endowed with clairvoyant foresight solves the problem and puts you on the right track. Thousands testify to this fact. Success in business, family affairs, matters of the heart, or in the social world can be obtained if only the right means are used. Troubles, mistakes, accidents and failures, sickness and death can be avoided if you are forewarned and act in time. No troubles are so great, no matter what they relate to, but what can be helped and actually overcome. Prof. Sheldon is recognized as the greatest psychic in our midst. He will actually reveal your entire life, and tell you what the future holds for you. Common sense says, "take advantage of this opportunity." Learn who your friends and enemies are, know what you have to meet, the dangers that are before you, and control them.

By a change of attitude you may alter your entire life. "Judge him by his work."

Prof. Sheldon's motto is "Work and Win." He helps his patrons in attaining their various ambitions. This is why they recommend him to their friends.

It makes no difference what position you occupy in life, you will be treated with the same courtesy, respect and confidence that has made this giftee man the most famous of all seers living.

Through the combined sciences of astrology, palmistry, astronomy, phrenology and clairvoyance, I can tell the story of your life from the cradle to the grave. Asking no questions, and with no prior knowledge of you, I reveal to you facts regarding your past and present life that you thought were known only to your innermost self. Having thus convinced you of my ability, I draw aside the veil of futurity and display to your wondering eyes the things that are to be in your life in the years to come. Why should you go blindly through life meeting with failure? If you are mentally sick I can remove the cause. If your home is an unhappy one find the cause, have it removed; the unhappiness will disappear. I will advise you how to succeed in mining investments, changes, travels, make right investments you then make money; when wrong you lose. Your troubles may be many. You may believe they cannot be removed. Come and see me; I will convince you or make no charge. There are things in your life that are working against you. They may be removed, you may develop the powers that are dormant within you, which together with an increase of your personal and animal magnetism, you may bring into life success, sunshine and happiness.

If you wish to succeed in any business undertaking consult me. I can put you on the right road. If you desire to win in love, or be reunited with some one from whom some trouble or estrangement separates you, I can and will help you to gain the desire of your heart. Are you tired of being poor and living a "from hand-to-mouth" existence? If so, come to me and I will show you a better way. Life is not half so much of a mystery as some people would have you believe. If you have studied more into nature's laws and learned the lessons there revealed you would know better why some people succeed and others fail. There is a good reason, just the same as there is a reason why water will run down hill more easily than it will run up hill. The name SHELDON all the guarantee that is necessary.
