ANGELS CAPTURE GAME WITH SEALS

Pitcher Hosp Wins Own Contest by Scoring on Bernard's Bunt.

(Special Dispatch to The Journal.)
Los Angeles, April 22.—Hosp's timely single over second, followed by Bernard's bunt gave Los Angeles a 10-inning game with San Francisco yesterday, 2 to 1. The Seals made a good impression upon their first appearance, but the Angels were too frisky for them.

The game slid smoothly along for five innings, when pitcher Soaker, the spherer for two bays, scoring Sutor. The Angels made their first run in the eighth, when Coaker's single brought Easterly in. The score:

EIGHTEEN BOUTS FOR FIRST NIGHT

Multnomah Boxing and Wrestling Tournament Full of Interest.

Eighteen bouts are in store for lovers of pure, clean amateur boxing and wrestling tomorrow night at Exposition rink, the opening date of the Multnomah club's Pacific coast championship tournament. Some 10 of these will be in the three-round boxing classes, and the remainder will be the wrestling preliminaries. The semi-finals are scheduled for Friday night and the champions will become known in the final Saturday night.

Manager Frank announced this morning that the grappling bouts would be of six minutes duration. The boxing rounds will last three minutes with two minutes in the extra round if such is necessary to award a decision.

Vancouver will not enter any athletes. The Canadians were so hopelessly outclassed by the Seattle boxers the other day that they did not consider themselves as having a chance.

The largest class in the tourney is the 125-pound wrestling. There are eight or nine candidates for the championship, and it is believed the preliminaries will go over into the second night. It is expected that it will require three hours to pull off all the opening night events, the first bout being called at 8 o'clock sharp.

SHOW DOGS MUST BE LISTED TONIGHT

Entries for the Portland dog show close tonight.

Entries for the Portland dog show close tonight.

Fanciers who wish to bench their dogs next week will have to list them with Secretary Chase, room 229, Lumber Exchange building, before 10 o'clock tonight or else forego the chance of winning some of the beautiful prizes offered.

After today no more dogs will be received by the secretary.

From the entry list as it appeared at noon today, it is believed there will be over 225 dogs benched. This large number will make the coming event a three-point show. Winners in champion classes will then have to make but seven more points to be honored with the title "champion," 10 points giving the coveted honor.

Dogs do not have to be registered or a pedigree furnished to gain entrance to the show. Furthermore dogs do not have to be full-breeds to be entered.

The show will open a week from tomorrow night on the second floor of the big garage at the corner of Fifteenth and Washington streets and will continue until the following Saturday night. The 75 cups and other trophies will be arranged for the classes at a meeting of the directors of the Kennel club tonight.

WHITMAN ATHLETES TO MEET WASHINGTON "U"

(Special Dispatch to The Journal.)
Whitman College, Walla Walla, Wash., April 22.—Whitman's first intercollegiate track meet of the year will be held Saturday, April 25, at Seattle with the University of Washington. While it is early for an intercollegiate meet it was the only date that was available. The Whitman team is in good shape and has been training faithfully under Coach Murphy.

Captain Philbrook thinks that Whitman ought to win easily over Washington, as they defeated the university last year when they had "Koko" Holdman and Hill, two strong athletes who are not at Seattle this year. Whitman, on the other hand, is stronger than last year although they will be handicapped by meeting Washington at Seattle and accordingly can only take along a track team of 10 men. Philbrook, Martin, Foltzhouse, Orlight, Foster, Lewis, Graham, Hawley, Cox and Barnes are probably those who will go, in addition to Manager George Woodward and Coach "Spud" Murphy.

ROWING CLUBHOUSE OPENED BY SMOKER

The handsome new clubhouse of the Portland Rowing club was formally opened with a smoker last night, with over a hundred members and guests present. The clubhouse is admirably situated for the purpose and will soon be a popular place for lovers of aquatics. The rooms were prettily decorated in the club colors and an interesting program entertained those fortunate enough to be present.

Prominent members of the club were present and gave brief addresses on the work that had been accomplished. Joseph N. Teal's address was of particular interest, being of a reminiscent nature. The addresses show the club to be in good condition, financially and numerically.

Plans for the big regatta to be held here in June, during the Rose Festival, were informally discussed by the members.

SQUEEZE PLAYS.

Rain yesterday gave the Beavers a rest.

Ennon Califf celebrated his first game with Aberdeen by shutting Spokane out, allowing three hits.

Now that Bud Ryan has joined the Beavers the Pueblo player may be expected to strengthen the infield. Johnson will probably be used as pitcher and utility.

WEST SIDE MEETS HILL.

West Side High school and Hill will cross bats at Twenty-fourth and Vaughn tomorrow afternoon at 6 o'clock. Both teams are of about the same strength and a good game is promised. Hickson and Merchant will do the pitching.

KINETIC ENERGY

Kinetic is a good word. It means "power to make things go." A fat bank account, a rock on the edge of a hill, a barrel of gunpowder, and SCOTT'S EMULSION all contain "kinetic energy," so the professor tells us.

AUTO ROAD RACES TO BE HELD JUNE 4

June 4 has been selected as the date for the 100-mile road race under the auspices of the Portland Automobile club during the Rose Festival. The date was selected at a meeting of the racing committee last night. In addition to the 100-mile road race there will also be a 50-mile road race.

Each event will have three handsome cups as prizes. Henry Wempe has also donated a \$500 trophy, which must be won three years in succession in order to retain it permanently, thus helping to make the affair an annual event. One of the stipulations is that all entries must be with the secretary of the racing committee by May 1.

THIS WILL HELP YE EDITOR SOME

(Special Dispatch to The Journal.)
Olympia, Wash., April 22.—The attorney-general has ruled that the publication in two newspapers in each county of the primary election ballot is not official county printing. This means that the county auditors need not select the papers having the contract for the county printing, as among those to receive the publication and that if such county papers are selected the contract rates do not necessarily apply. This construction of the law will make the expense of the primary election greatly exceed what it would be had the law provided otherwise.
