Tawney of Minnesota and Haney of Indiana Hurt When Mount Pleasant and Georgetown Cars Collide at National Capital.

(United Press Leased Wire.)
Washington, April 22.—Two congressmen, Tawney of Minnesota and Haney of Indiana, and several passengers were injured today when a big Mount Pleasant car ran into a Georgetown car at Fourth and A streets and Pennsylvania avenue.

Representative Tawney's back was injured and Haney is suffering with a twisted hip. Both men who seemed to be more seriously hurt than any of the other passengers, were carried from the scene. Tawney being taken to a conference room adjoining the house of representatives. Failure of the brakes of the Mount Pleasant car to work caused the wreck.

DERBY-JEFFREY RACE IN DOUBT

Eastern Oregon returns make the fight extremely close between Andrew Jackson Derby and John A. Jeffrey for the Democratic nomination for congress for the second district. Returns from Baker, Gilliam, Malheur, Morrow, Umatilla and Wasco counties for the most part incomplete, give Derby a lead of 275 votes over Jeffrey, who leads in Multnomah county. The Multnomah returns have not yet been canvassed and until that is done it will not be known how much Jeffrey leads in this county. Friends of both men are claiming the victory. Jeffrey's friends contend that their man will have 500 votes to spare in Multnomah county. Derby's friends admit that Jeffrey will carry Multnomah county, but argue that Derby will run far ahead of his competitor in the other counties. Yet, it is believed that Jeffrey does not put Derby in the lead and thus give him the nomination.

BURLINGTON CHURCH - MEMBERS PUT BAN ON NEW SKY PIECE.

(Special Dispatch to The Journal.)
Burlington, N. J., April 22.—Several local churches have proposed a ban upon Harry Widow's in the congregation during the service. Pastors declare that men are becoming fewer at the service as the number of big hats increase and that the popular style threatens to make many male backsliders.

Others in some of the more crowded churches are at the same time to seat their Easter congregation. Few who have comfortably accommodated six persons would hold no more than four when the quartet were in place. In the prominent churches here it is proposed to request women who wear hats to sit in the rear of the church at the cloakroom during the service.
