WILLIAM JENNINGS BRYAN

Plenty of Johnson Sentiment but Commoner Seems to Control the Delegations—Idaho Party Split—Summary of Situation.

(Special Dispatch to The Journal.)
Spokane, Wash., April 24.—William Jennings Bryan will get the delegates from the states of Oregon, Washington and Idaho at the Denver convention by default.

Today his organization is the only one in the field that is making any consistent effort to capture the delegates from the three states.

Yet reports from all over the northwest declare that there is plenty of Johnson sentiment about. At present, however, it is going to send a lack of a leader and an organization.

If there ultimately develops any contest in the Pacific northwest for the control of the three state delegations the fight will be between Bryan and Johnson.

There is no Gray or Harmon talk heard.

In Idaho the Democratic party is apparently hopelessly split upon local issues, the Mormon question being the major cause of difficulty. The leaders of both factions are said to be pledged to Bryan, but neither deny but that there is a strong undercurrent of Johnson sentiment in the state. Johnson's point and as far as is known there is no Johnson organizer in the state.

In Washington there is a Swedish element along the line of the Puget sound that would rally to Johnson if they were rightly approached but the closest kind of a search has failed to discover any indication of a Johnson club in the state. In eastern Washington Johnson is rarely mentioned. Spokane county has declared for Bryan and instructed its delegates to the state convention to "use all honorable means" to have the state delegation pledged to the Neb-raskan.

In Oregon the Bryan men seem to hold the state well in hand. It is said that there are a lot of Johnson men in Portland and down the Columbia valley, but if they are making any noise for "Tom" they are doing it with the soft pedal on. The Democratic state convention is to be held for June 16 in Portland and a great many things may happen before that time but if anything is going to happen for Johnson he must get busy—very busy—and be mighty sudden about it. With New York and Michigan off the Bryan reservation and with George Gray of Delaware, carrying on a not entirely unwelcome flirtation with the New England states, William Jennings is not overlooking any bets these days. If Johnson waits until next spring he will find the northwest preempted territory—if it is not so already.

FRANK GOULD TO END SCRAP

Mother-in-Law of Young Millionaire Says Couple Will Be Reunited.

(United Press Leased Wire.)
New York, April 24.—Mrs. Edward Kelly, mother of Mrs. Frank J. Gould, said today that young Gould, who went

to Hot Springs, Virginia, soon after he left his wife and was served with papers in a legal separation, will return to New York Monday next and have a meeting with Mrs. Gould.

"The meeting between my daughter and her husband will be soon after his arrival," said Mrs. Kelly. "I have had a telegram from Mr. Gould, and I have no doubt the troubles of the young people are at an end or almost so. They are too much in love to be separated long, and after this experience I hope they will be wise enough not to get into another squabble."

OWL TRAIN CRASHES INTO FREIGHT CARS

(United Press Leased Wire.)
Fresno, Cal., April 24.—Passengers on the south-bound Owl train of the South-Pacific were hurried from their seats and injured and an engine and several freight-cars were badly damaged when the passenger train crashed into a freight train late last night at Mendota, 30 miles from Fresno.

The engine and the freight had been left on a siding when the Owl came thundering along and plowed through it. Mrs. A. J. Stewart of Los Angeles was probably more seriously injured than any of the other passengers. Her neck was sprained and today she is suffering from internal injuries. The others who were cut and bruised are: Mrs. J. G. Mitchell and Mrs. H. H. Smith, of Fresno; G. E. Libby, New York; R. H. Moore, conductor; E. W. Sommer, brakeman; Porter Whidden.

GUNPOWDER FROM MARQUAM OFFICE

Republican Committee Will Distribute Thunder Packages From New Home.

Major J. P. Kennedy, newly elected chairman of the Republican city and county central committee, has established his headquarters in the old lodgeroom on the top floor of the Marquam building, formerly used by the Elks.

The large lodgeroom and the adjoining offices have been rented by the central committee for use as a new busy putting in telephones, furniture and fitting up the place generally.

After tomorrow Chairman Kennedy will also have offices adjacent to the headquarters there. The executive committee of one member from each of the 10 wards and three from the county precincts will be selected by Chairman Kennedy tomorrow. Following the appointment of the executive committee the organization will get down to real work.

H. M. Calk, the senatorial nominee, will also have offices adjacent to the central committee in the conduct of the Multnomah county campaign.

The central committee is now planning to make a fight for the entire Republican ticket, from United States senator down to constable. The great fight will be between Calk and Governor Chamberlain, and in this the committee will make every effort to build up Calk.

Attention will also be paid to the fight for district attorney, sheriff and circuit judge, in which George Cameron is opposed to John Manning, R. L. Stevens to Tom Word, and R. W. Morrow to Judge Thomas O'Day.

Taft Planning PANAMA TRIP

Secretary of War Called to Canal Zone on Secret Mission.

(United Press Leased Wire.)
Washington, April 24.—After all the explanation to the effect that Secretary

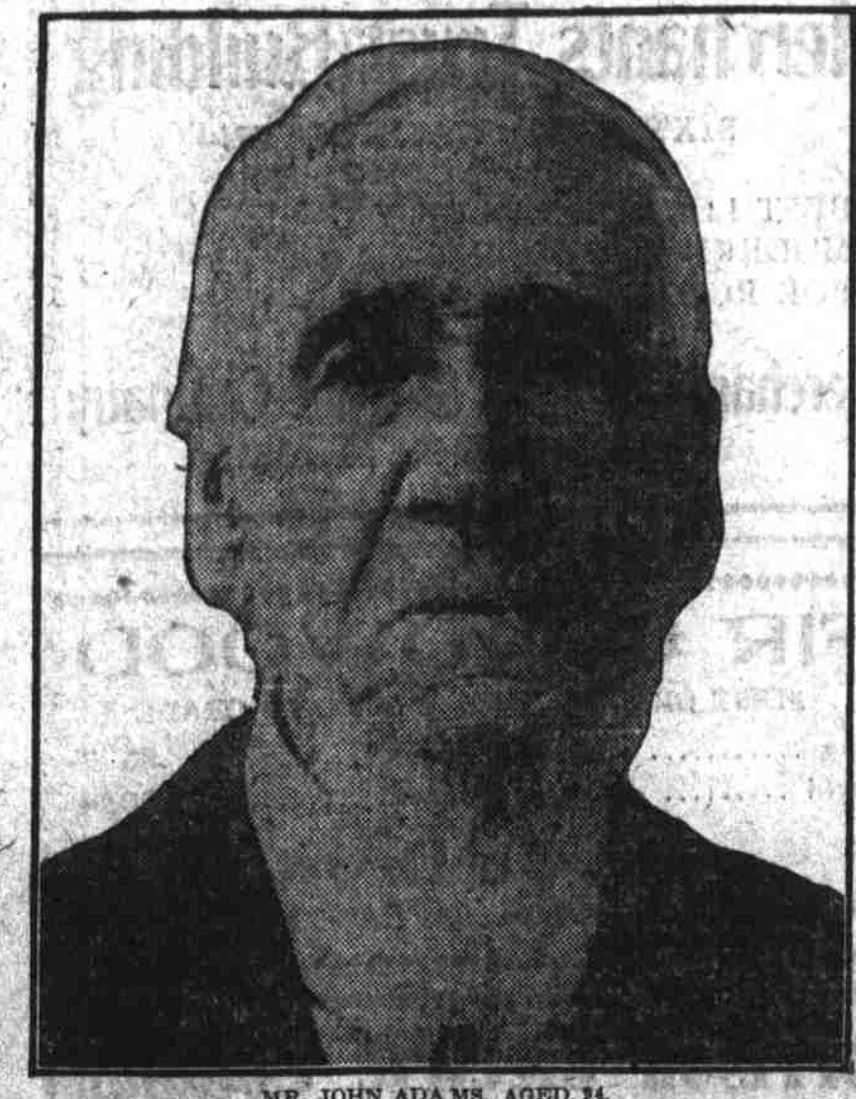

Taft, who had come in for criticism because of his frequent absences from Washington, would hereafter confine his visits out of town to mere week-end trips, the secretary is said to be preparing to make a long journey. This time he is reported to be going to Panama. His intention is said to be to start some time in May. Just what condition exists in Panama that requires the presence of Secretary Taft on the isthmus at this critical period in his political career is not disclosed.

CALIFORNIA "U" WILL HAVE LAW COLLEGE

(United Press Leased Wire.)
San Francisco, April 24.—The University of California is to have one of the greatest law schools in America. It will have an endowment of \$1,000,000 and a faculty composed of the most brilliant minds obtainable. Announcement of the plans for such an institution has been made by Professor George H. Boker, head of the department of jurisprudence at the state university. Bowel Complaint Cured at 94

Mr. John Adams, 94 years old, of Gardner, Mass., praises Duffy's Pure Malt Whiskey for curing him of severe bowel complaint, which had troubled him for over a year.

Mr. Adams now enjoys health and vigor of both body and mind, thanks to Duffy's Pure Malt Whiskey. For this he is grateful and recommends it to all his aged friends.

"I write to say that Duffy's Pure Malt Whiskey helped me very much in a severe bowel complaint, from which I suffered for more than a year, and to express my deep thanks for the relief I feel. I inclose \$2.00 for two more bottles. I am so grateful for the strength of mind and body your remedy has given me that I am inducing all of my elderly friends to try it if they wish to enjoy a good appetite, good sleep and good health. You may use this communication for the benefit of the public if you wish. I am almost 94 years of age. With the warmest of wishes for the success of Duffy's Pure Malt Whiskey, I am, JOHN ADAMS, 82 Prospect Street, Gardner, Mass., October 15, 1907."

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach. It cures nervousness, typhoid, malaria, every form of stomach trouble, diseases of the throat and lungs, and all run down and weakened conditions of the body, brain and nerves. It is prescribed by doctors and is recognized as the great family medicine everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only; never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00. Write Dr. R. Curran, Consulting Physician, for a free illustrated medical booklet and free advice. Duffy Malt Whiskey Co., Rochester, N. Y.
