PORTLAND TAKES FIRST OF SERIES

Kinsella Has Everything Seals Can't Hit and Wins Game Easily.

(United Press Leased Wire.)

San Francisco, April 29.—Pitcher Kinsella proved an enigma to the Seals yesterday and the Beavers made a runaway match of the game, 7 to 1. San Francisco scored in the opening inning and it was a succession of goose eggs thereafter. Kinsella had everything, and the three hits were scratchy ones. All seven of Portland's runs were made in one inning, the fifth, and two pitchers were slaughtered during the scoring. Four hits and several passes did the work for the northerners. The score:

When they talk about the spitball, the knuckle ball, the fade-away ball, the elbow ball and a few other inventions, how many one-time aspiring pitchers recall that they have tried the same things dozens of times in years gone by. None of them has been untried, but it is only recently that they have come into prominence.

SQUEEZE PLAYS.

Only six more days.

Kinsella won his first game.

San Francisco is again in second place.

Portland's percentage is at the highest point—.364.

Los Angeles caught the opening one with Oakland.

Things are looking up in the Newspaper Men's league.

Madden is coming into his own. No stolen bases prove this.

Hickson, the elongated pitcher of the High school, struck out five academy men successively yesterday.

Frisco scribes say McCredie has a slashing good man in Ryan. He acts every inch a ballplayer. He is fast on his feet and in his opening game, without practice, made three hits.

Dansig has developed a sore wrist, which is materially affecting his batting average. Yesterday he did not make a hit, something unusual for Babe. There is a sharp pain when he grips the bat.

Bud Pernoll earned a little side money the other day when McCredie allowed him to whiz a few over for the Modesta nine. Modesta played an amateur bunch from Frisco and Bud made monkeys of them. He made them a present of one hit and fanned 15 batters.

PORTLAND BALL PARK UNSIGHTLY WITH OPENING GAME SIX DAYS OFF

Unless something is done and done immediately at the ball park at Twenty-fourth and Vaughn streets ball players and spectators at the opening game next Tuesday will be the most discomfited lot of people in this neck of the woods.

The field is in an abominable condition with its monstrous bumps and hollows. Nothing has been done, from appearances, to level the ground around the bases or clean up the paths. The pitcher's mound is a lopsided affair and the space around the difficult corner would scare anybody but a schoolboy player.

And that grandstand. Say, it is awful. Maybe it will be cleaned up by the fifth and made more presentable. If it isn't it's ten to one there won't be a corporal's guard out for the Sunday game. The fence that succumbed to the last high wind has been repaired and a few grotesque signs adorn it. Notwithstanding the game yesterday, the most industrious person about the park was a fellow painting signs from a swinging stage.

The only new article of comfort—one might say protection—discernible was a six-foot fence of wire netting stretched in front of the bleachers. There are the same crazy benches, hard as ever, and the rickety stairs ascending outside.

Well, the rabid fan might overlook the lack of personal comfort, but he wants that field fixed up so that there will be no discomfort for his favorite players. And then he would be much obliged if a little of the dirt, those age-stained papers, peanut shells, musty leaves and other foreign matter were removed.

It is doubtful if the park has ever been in such poor condition as this season. What is needed is to keep the youngsters off the diamond until it can be scraped, leveled and rolled thoroughly. In its present condition it is doubtful if any of the players will take chances going after hard grounders. Those little bumps and ruts are liable to injure more than one good ball player the opening day.

SOLDIER ATHLETES TO MEET TOMORROW

National Guardsmen Will Hold Final Indoor Tourney in Armory.

The final indoor athletic meet of the Portland National Guard companies will be held in the Armory tomorrow night, commencing at 8 o'clock. Something like 50 men will compete in the different events, and it will undoubtedly be the most successful meet in the history of the National Guard.

Athletes will enter from companies B, E, C, F, G, H, the hospital corps and battery A. It is expected that the events will continue until 11 o'clock before the meet has been finished. First and seconds in all the trial heats will compete in the finals.

Following are the events on the program: Fifty-yard dash, high jump, half mile, tug-of-war, 220-yard hurdles, wall-scaling, mile relay race, tent-pitching and 440-yard dash.

VARSITY TOSSERS REST TILL MULTNOMAH GAME

(Special Dispatch to The Journal.)

University of Oregon, Eugene, April 29.—There will be no baseball game for the varsity team this week owing to the fact that the Salem High school team, which is to play the Eugene High school Thursday, will not consent to remain over until Saturday.

In the original schedule a game with Willamette was arranged for, but on account of a mixup in Willamette's dates it was called off. Manager Mount then opened negotiations with the Salem High, but was unable to secure the game. This will leave the varsity without a game until the latter part of next week, when they will play two games with Multnomah. The long rest should give them a good chance to get in the best of shape for these games.

SOCCER PLAYERS MEET TO TALK OVER GAMES

Portland's soccer football players and their following will meet tomorrow night in Alisky hall at 8 o'clock to celebrate the success of last season's play. An excellent program has been arranged with plenty of refreshments. Judge George J. Cameron will preside and the following well known people will assist in furnishing entertainment: J. G. Kilpack, baritone; Leo Lindsay, violinist; J. D. Murray, comic reader; P. Henderson, address; Otto Baumann, pianist and Randolph Rylance, vocalist.

GOLDENDALE TEAM WANTS GOOD BACKSTOP

For the catcher who can show some class behind the bat and coach a team there is a good summer job open in Goldendale, Washington, a thriving town in southern Washington, a few miles northeast of The Dalles.

The Journal is in receipt of the following letter from H. M. Spalding, manager of the team:

"Sporting Editor, The Journal—We want a catcher for our ball team for the season, one who can coach the team. If you can put us in communication with the right party you will greatly oblige us. Will pay $75 per month for the right party. Yours,

"H. M. SPALDING,
"Manager G. B. B. Club."

ATHLETIC GIRLS TO ENTERTAIN FRIDAY

Friday will be ladies' day at the Multnomah club and from 2 until 5 o'clock the gymnasium will swarm with feminine gymnasts.

Ringwork, drills, marching, fencing and other physical exercises will be the order of the afternoon and several scores of girls and young women will be the entertainers.

Attell Hot Favorite.

San Francisco, April 29.—Brooklyn Tommy Sullivan and Abe Attell, who are booked to go 20 rounds tomorrow night, quit their hard work today and will take it easy until they are called into the ring. Sullivan, who was permitted to weigh in at 126 instead of 123, is in excellent condition as a result of the weight concession and Attell is in his usual good shape. Despite Sullivan's advantage in weight, Attell is a 1-to-2 favorite.

HIGH SCHOOL HAS SNAP WITH P. A.

Hickson's Great Pitching Proves Downfall of Orange and White.

Portland academy baseball team was outclassed by rivals from West Side High school yesterday afternoon 7 to 1. The west side team made but one error and touched up Myers in lively fashion, while the academy supporters played a poor game in the field and three hits were all they could get from Hickson's delivery.

Hickson pitched the best game he has been in this season and seemed to have everything. He struck out 12 of the orange and white batters, issued but one pass and allowed but three hits, one of them a double.

Portland academy scored first, when Summers got to first on a base on balls, took second on a balk and registered on Hurlburt's hit to right. This was the first and only score the orange and white team could make.

High school got the best start, however, for in their half of the first they scored three runs on one hit, five errors and two stolen bases. McKinley was safe on Jones' error and stole second and third. Summers' throw to third to catch him was wild and he scored easily. Word struck out. Brace got a hit past first and when Hurlburt missed Hickson's grounder Brace was safe at third and Hickson at first. Jamison's infield tap was too slow to catch Brace at the plate, Hickson reaching second, but Jamison going out, Jones to Meldrum. On the next play Meldrum dropped Hurlburt's throw to first and Hickson scored.

Wang scored in the fourth on a base on balls, a stolen base and Patterson's hit to center, and in the sixth Patterson scored on his second hit, a wild pitch, which Summers loafed on and Vosper's hit. The eighth inning gave High school two more runs and ended the scoring. Jamison hit safely to left, Wang hit to third, Jamison getting third on the throw-over. Wang stole second and both men scored on Patterson's third hit of the day.

The lineup was as follows:

P. A.	Position.	P. H. S.
Summers	c.	Patterson
Myers	p.	Hickson
Meldrum	1b.	Pugh
Jones	2b.	Word
Cookingham	3b.	Vosper
Hurlburt	ss.	Jamison
Reed	lf.	Brace
Cobb, Howe	cf.	McKinley
Henrys, Cobb	rf.	Wang

EUROPE'S GREATEST HORSE SHOW IN ROME

(United Press Leased Wire.)

Rome, April 29.—Probably one of the greatest horse shows ever held in Europe was opened in Rome today under the patronage of King Victor Emmanuel, and horses and horsemen from every big European city will participate in the various contests.

King Victor has offered a prize of 20,000 lire to the winner of a championship event for officers of the Chargers, which is open to all nationalities.

Prizes aggregating 40,000 lire have been hung up. One of the most interesting features of the show will be an international military steeplechase in which every army in Europe will be represented.

WHITE STEAMER MAKES A NEW RECORD FOR RUN

Los Angeles, April 29.—Having established a new record in an automobile race from San Francisco to Los Angeles in 17 hours and 17 minutes, a White steamer, owned by Fernando Nelson, is now dashing back to the former city in an attempt to make a new mark for a round trip.

Nelson left Twentieth and Guerrero streets in San Francisco at 3:02 yesterday morning and reached the Times Building in Los Angeles at 8:19 o'clock last night. At 10:06, nearly two hours later, the car was started back with Frank Nelson, son of Fernando, in charge. In the thrilling dash to Los Angeles the senior Nelson made an average of 28¾ miles per hour and clipped 56 minutes off his previous time established two years ago.

SCALER THINKS HEINE RITTER IS A CHAMPION

Kid Scaler, the Spokane lightweight fighter, who dropped off to take in the Multnomah club tournaments on the way home from California, thinks a whole lot of Heine Ritter, the S. A. A. C. amateur lightweight. He is reported as saying:

"I faink that boy has got it on any of the bantams now in the business, and if he were to engage in a battle with some top-notcher he would carry every cent I could rake and scrape. He is fast, has a punch in either hand and knows the game in every stage. I would like to see him become a professional and go after some big fight. The moment the promoters would set eyes on him in action they would sign him up for a fight."
