LOW DEATH RATE ON ISTHMUS OF PANAMA

(United Press Leased Wire.)

Panama, April 29.—The last health report issued by Chief Sanitary Officer William Gorgas shows a remarkably low death rate on the isthmus. The report says:

"We had during the month on the rolls 43,276 employes, of whom 45 died, which would give an annual death rate of 12.47 per thousand. For the same month during the previous year we had on the rolls 36,387 employes among whom we had 122 deaths, giving us an annual death rate of 40.23 per thousand. The death rate, therefore, was only about one fourth of what it was during the previous year. This means that if the same rate should continue we would have 28 fewer deaths in every thousand of our employes than we had during the previous year, and among our 43,000 employes there would be 1,200 fewer deaths. This marked improvement in the rate is principally due to the improvement in the rate among our negroes. No cases of yellow fever, plague or smallpox developed on the isthmus during the month."

FATAL QUARREL OF IDAHO RANCHERS

(Special Dispatch to The Journal.)

Lewiston, Ida., April 29. — Joseph Scott, a prominent young farmer of the Melrose district, was shot and instantly killed Monday afternoon by Clyde Shaeffer, who claims he fired in self-defense. Shaeffer gave himself up. He claimed that he and Scott quarreled about the latter crossing fields and Scott attempted to assault him, when he drew his gun and shot him.

My Fee in All Uncomplicated Cases

DR. TAYLOR, Leading Specialist.

Consult Me First

Even though your case may be one that some other doctor is able to cure, and though his cure be absolutely thorough and permanent, there is yet good cause for your coming to me for treatment. The service I render is entirely unlike and better than the ordinary. I have devised new and scientific methods of treating men's diseases in all their phases. I cure cases that others cannot cure, and cases that others can cure I cure in less time and without pain or possibility of injury. All my forms of treatment have been perfected along the lines of nature's requirements and are in exact harmony with the natural recuperative forces. Therefore, my cures are painless, prompt and thorough.

Pay When Cured

Varicocele

There is no necessity for surgical operations in the treatment of Varicocele. This disease yields completely to my mild and painless method, and results are far better than were ever attained by the harsh and dangerous practice of cutting. But one week is required, and seldom is it even necessary to detain the patient from his business.

Contracted Disorders

The serious results that may follow neglect of contracted diseases could scarcely be exaggerated. Safety demands an absolutely thorough cure in the least possible time. I have treated more cases of contracted disorders than any other physician upon the Pacific Coast. My cures are thorough and are accomplished in less time than other forms of treatment require in producing even doubtful results. I employ remedies of my own devising, and my treatment is equally effective in both recent and chronic cases.

I Treat Men Only

The vast multitude of men who have taken my treatment have not been disappointed. They know that I do not promise more than I perform. To them I have actually illustrated in the cure of their own cases the truth of what I claim, namely, that my treatment is as certain to cure as it is that the patient engages my services and follows my directions. My success is due not alone to education, experience, skill and scientific equipment, but to the fact that I limit my study and practice strictly to diseases and weaknesses of men. To male maladies alone I have earnestly and exclusively devoted 25 years of my life, and on them all my faculties are concentrated.

Stricture

In the treatment of stricture I have again triumphed over surgery. I employ an original method by which the obstructing tissue is completely dissolved, and all inflammation and irritation throughout the system involved is completely removed. No pain, no cutting, no dilating, and a sure cure in every instance.

Examination Free

I do not charge for advice, examination or diagnosis. If you call for a private talk with me, you will not be urged to begin treatment. If impossible to call, write. Hours, 9 a. m. to 9 p. m.; Sundays 10 to 1.

The Man With DISEASE

should learn—and the sooner the better—that what may seem a trivial disease very often has most serious and far-reaching effects. The man who tries to be his own doctor is always the patient that later comes to the specialist with the chronic, stubborn, deep-seated case which is the hardest kind to cure. We cannot hope that all men will accept our statement that the quickest, the safest and cheapest cure is had by consulting an expert specialist in Men's Diseases at once, but the intelligent man will readily be convinced of the value of this advice upon investigation.

Much of the delicate equipment of our office is specially constructed to meet the requirements of our distinctive methods of treatment, which involves the scientific application of every curable influence known to be helpful in treating the class of diseases we cure.

We have stopped at no expense that could add to the efficiency of our work or the comfort of our patients. There is no other equally equipped institution for the treatment of men's ailments in the Pacific Northwest.
