

# TOO MANY HUSBANDS

### Mrs. Lucy J. Jory, the One-Armed Woman Who Disappeared From Hillsboro, Is Arrested and Charged With Polygamy.

Married in Hillsboro, March 21, so her latest husband says, Mrs. Lucy J. Jory, the one-armed woman for whom her aged stepfather has been searching, was arrested this morning, charged with polygamy.

Timothy E. Edmondson, the man she married, was also taken into custody. He seems to be an innocent offender, so far as his intentions are concerned, for he swears the woman told him she was already divorced. She began proceedings for divorce in Forest Grove last month, but the case is still pending and her second marriage is therefore in direct violation of the law.

Mrs. Jory, the husband of the woman, and her mother appeared before John L. Stevenson, deputy district attorney, this morning and made complaint, basing their charges upon the account in last Sunday's Journal of the finding of the woman by Patrolman Peterson. Jory, an old soldier, has the weight of over three score years upon his head, while his wife is but 26 years old. Edmondson is employed by the Pacific Hardware & Stove works. Since the policeman found the pair Saturday evening they had moved to a scow at the foot of Seventeenth street, but Peterson trailed them down and brought them to the police station a few minutes after Jory and the girl's mother, who had been waiting impatiently all morning, left the station for a short walk.

Jory displayed a matrimonial paper containing an advertisement of a young woman who wished to marry. His wife, he asserted, had inserted this advertisement while living with him at Toledo, Oregon.

Mrs. Jory left her husband six weeks ago, and came to Portland, stopping at Forest Grove long enough to begin the divorce suit. She took the lower part of her right arm while working in a laundry.

### JOLT ON THE TIES LEFT HER HELPLESS

For being jolted by a ride on the ties, Mrs. Clara B. Metzger is seeking to recover \$1,505 from the Portland Railway, Light & Power company, testimony in the case being begun before Judge Clarendon in the circuit court this morning. The plaintiff was hurt in an accident near Anabel station on the Mount Scott line last fall when a car left the track and traveled on the ties for 30 feet or more. Mrs. Metzger stated that she was thrown from her seat and rendered unconscious and ever since that time has been unable to perform her usual work. The case is being tried without a jury.

# SALOONMAN'S ASSETS CONSIST OF CLOTHING

### Liabilities Put at Three Thousand, With but Sixty Dollars to Pay With.

John Lulsdorf, a Portland saloon-keeper, filed a bankruptcy petition with the United States court this morning. Lulsdorf's liabilities are given as \$2,854. Among his creditors are several Portland wholesale liquor dealers. Two of them he owes for barrels of whiskey which cost all the way from \$100 to \$125 a barrel. Then come the bills of the dealers for cigars, champagne, wines of various vintages and other things which make the petition resemble the bankruptcy papers of a one-time millionaire.

Lulsdorf's assets aggregate the sum total of \$60. They are itemized. Here they are, taken from the petition: Two suits of clothes, one watch and some underwear.

There are a few words attached which refer to certain sections of the bankruptcy laws, so if John Lulsdorf has other property it is exempt, or at least it is not scheduled, according to law.

# PAID FOR RANCH LAND THAT WAS UNDER WATER

### Sun Dial Company Now Sues to Recover Part of Its Expenditure.

When you buy a ranch, it would be well to agree with the owner how many acres he has, and not leave this subject for future discussion. Usually the surveyor can settle this question without great difficulty, but it is different in the case of the Sun Dial ranch, which lies at the confluence of the Columbia and Sandy rivers.

Because of this difficulty the Sun Dial ranch company has begun suit in the circuit court against the May Land company, from whom the ranch was purchased. Because of the river boundaries it was not easy to tell how many acres were in the ranch, the number being estimated from 1,500 to 1,800. It is stated that \$99,317 was paid on the assumption that the ranch consisted of 1,800 acres, it being agreed that when a survey settled the question \$55 per acre should be added or subtracted, as the case might be, for as many acres as there were in excess or deficiency.

The complaint says that a survey shows 1,855 acres in the ranch proper, and 147 acres more between the Columbia river and high-water mark that belongs to the state of Oregon. The Sun Dial ranch owners have now figured up that they have paid \$3,055 too much, and they seek judgment for that sum.

# PENNSYLVANIA BACKS CANDIDACY OF KNOX

Harrisburg, Pa., April 29.—Phlander Chase Knox is the choice of Pennsylvania Republicans for the presidential nomination of that party. ### Good Digestion and Good Health Bring Joyous Life.

Whoever heard of a jolly dyspeptic? Marriage and indigestion are as far apart as the North and South poles. Don't blame the poor dyspeptic for being blue, cross, nervous, irritable and grouchy. He cannot help it. No one whose stomach is weak, whose nerves are on edge, whose tongue is furred and who hesitates at eating a hearty meal for fear of the distress that will follow, can be great-tempered.

Tone up the weak stomach muscles and get digestion working naturally by using Mi-o-na stomach tablets. This remedy is not a mere digestive that gives temporary relief only; it cures all stomach troubles by strengthening the digestive machinery and putting it into such perfect order that it will take care of all foods without distress, indigestion or flatulency.

Mi-o-na cures stomach troubles in a perfectly natural way, increasing the flow of gastric juices, so that life's nourishment is extracted from the food and the refuse is expelled without the aid of laxatives or other medicines. In the complex is bloated or plumped, in nine cases out of ten it is caused by stomach troubles and cannot be cured until the stomach is regulated by Mi-o-na.

So reliable and positive is the action of Mi-o-na in curing indigestion and all stomach weakness that Woodard, Clarke & Co. sell the remedy under guarantee to refund the money unless it cures. Try the 5-cent box and see how quickly you will get relief from indigestion and in how short a time you will forget that you have had a stomach.

# ATE DOUGHNUTS AND WINE ON BACK PORCH

### This With Other Matters Mars Domestic Felicity of Ritter Family.

Both seeking divorce and indignantly denying the charges of the other, George Frederick Ritter and Matilda Ritter are again facing each other in the circuit court. This is not their first experience, for about one year ago Judge Fraser refused to separate them, saying that if he granted a decree they would be back in court within a year. Without granting it, the prediction of the judge proved equally true.

Mrs. Ritter charges her husband with several varieties of cruelty. She says he objected to paying 40 cents for medicine when she was sick, and that he was so selfish he would go out on the porch and feast on doughnuts and cheap wine when she was sick, and that he took part. She asserts that soon after they were married her husband told her that she must keep roomers and earn a support for both of them.

Ritter denies his wife's accusations and says that instead of being worth \$10,000, as his wife says, he only has a few carpenter tools and the clothing he wears. He says his wife at times locked him out of the house and called him bad names.

Mrs. Ritter asks to have her maiden name of Matilda Draks restored. She and Ritter were married in December, 1905.

# DALLAS PREPARES TO PAVE STREETS

(Special Dispatch to The Journal.)  
Dallas, Or., April 29.—The city of Dallas will commence extensive improvements on the principal business streets about May 1 by macadamizing. At last night's session of the council it was voted to reject all bids for this improvement and to perform the work under supervision of the city engineer. Bids will be let, however, for the hauling of the crushed rock from the quarry to the city, the remainder of the work to be done by teams and laborers hired by the city direct. The city purchased a crusher and roller last winter, hence the cost of the improvement will be considerably lessened. Nine blocks and four street intersections will be improved this summer. Next year the work will be carried forward on other sections of the streets.

# WEDDING OF THE PEOPLE

### Crowded Houses Attend Discussions of Methods at Forest Grove.

(Special Dispatch to The Journal.)  
Forest Grove, Or., April 29.—The congregational church was crowded to the doors and a large number of persons were turned away from the session of the Sunday school workers last night.

Professor E. O. Excell of Chicago, the song writer and publisher, led the audience in a half-hour praise service. Under his enthusiastic leadership everyone in the vast concourse was induced to join in the song.

Rev. Williams Hiram Foulkes, D. D., pastor of the First Presbyterian church of Portland, gave an address, "Except These Abide." The speaker said that unless hope, faith, love, power of the personal presence of the Holy Spirit, sound doctrine and the Bible as a guide, which are the Sunday school work, its power for good must fail.

"The Work of the Sunday school teacher," an address by Marion Lawrence, general secretary, was full of good things. The chief concern of the superintendent should be to appoint good teachers, and the speaker to be a successful teacher one must get a general knowledge of the Bible, text books and laws of teaching, and get specific training on the lesson in hand. Material for the lessons should be gathered with the needs of each class in mind. To be a successful Sunday school teacher one should plan one's work and work one's plan; should first raise oneself empty and then rest oneself full; write oneself clear and pray oneself out.

The Day's Program.

The program today was full of good things for the workers, and was as follows:

Morning session—Praise service, led by Professor E. O. Excell; Bible study, Rev. Howard W. Hill, congregational state Sunday school superintendent; business session; report of nominating committee; report of general secretary and field worker, Charles A. Phipps; report of finance committee; pledges for quills, taken by Marion Lawrence; special music; address, "How to House and Hold the Young," Rev. Clarence True Wilson, D. D., pastor, Central church, Portland; address, "The Child and the Commonwealth," Mrs. Lucia F. Addison; announcements; adjournment.

Afternoon session—Prayer and praise service, conducted by Professor E. O. Excell; elementary report, Mrs. Crandall, Mrs. Lorena A. T. Hodson, Newberg; "The Beginners," Mrs. M. B. Meacham, Portland; Primary, Matilda Adams, Mrs. F. Fowler, Portland; "Junior Classes," Mrs. Stephen A. Lowell, Pendleton; "The Value of the Primary," Mrs. E. O. Excell, Portland; conference of county officers and department superintendents, conducted by Mrs. E. O. Excell; address, "Organized Boys' Clubs," Ivan B. Rhodes, state Y. M. C. A. secretary; address, "Organized Girls' Clubs," Mrs. Storey; five-minute talks on "What I Am Going to Do in Sunday School"; business; adjournment.

# ORANGE PEEL TRAIL

(Continued from Page One.)  
been watching the men several days at Seattle, secret service men, had prior to their arrest. They were assisted by the police of both Portland and Vancouver.

Policeman Crespo and Gaasway of the Vancouver force, got trace of the counterfeiter, that they were particularly fond of oranges. It was suspected that the men had their outfit hidden in the woods and the policemen began an investigation.

Turner and the others had frequently been seen leaving Vancouver and going in the direction of the dense woods west of the city. Policeman Crespo took up the search and found numerous pieces of orange skins along the path. He followed the yellow skins and eventually he tied to what he had been looking for—a complete counterfeiter's outfit hidden away in the center of a dense growth of trees and underbrush.

The government agents claim that this discovery completes the evidence against the counterfeiter, and that the penitentiary will probably be the result. Although Ramsey, alias Pyron, has long been and states of Turner, he refuses to admit his identity. When confronted with a picture this morning which had been taken three years ago he did not emphatically state that it was his own likeness. At that time he was known as Norris H. Pyron. He is 26 years old.

The identification marks accompanying the photograph correspond with those on the body of Ramsey, and the secret service men say that Ramsey and Pyron are one and the same person.

# SEATTLE REQUESTS BATTLESHIP REVIEW BEFORE DEPARTURE

(United Press Leased Wire.)  
Seattle, April 29.—Admiral Dayton has been requested to bring the eight vessels of the Pacific fleet through Seattle harbor Friday afternoon when they sail from the city at Bremerton for San Francisco. The request is not that the vessels make any stop in the waters of the bay, but simply steam in and out of the harbor in regular formation in order that there may be an opportunity for the people of the city to see the vessels as they pass. They leave for the San Francisco review.

# LOS ANGELES TO RECEIVE PRESENT FROM BLUEJACKETS

(United Press Leased Wire.)  
Santa Barbara, Cal., April 29.—Subscription lists were opened in every ship of the fleet this morning by the bluejackets to raise a fund of \$4,000 with which to purchase a drinking fountain for presentation to the city of Los Angeles. Ever since the fleet left the southern port, where the men were so splendidly entertained, the question of purchasing some gift to be presented as a token of their appreciation has been under discussion among the men. The matter took definite shape last night and it was decided to have each enlisted man contribute 25 cents. A committee is to be appointed today to finally decide on the form of the gift.

# BLACK HAND ADLER HELD TO GRAND JURY

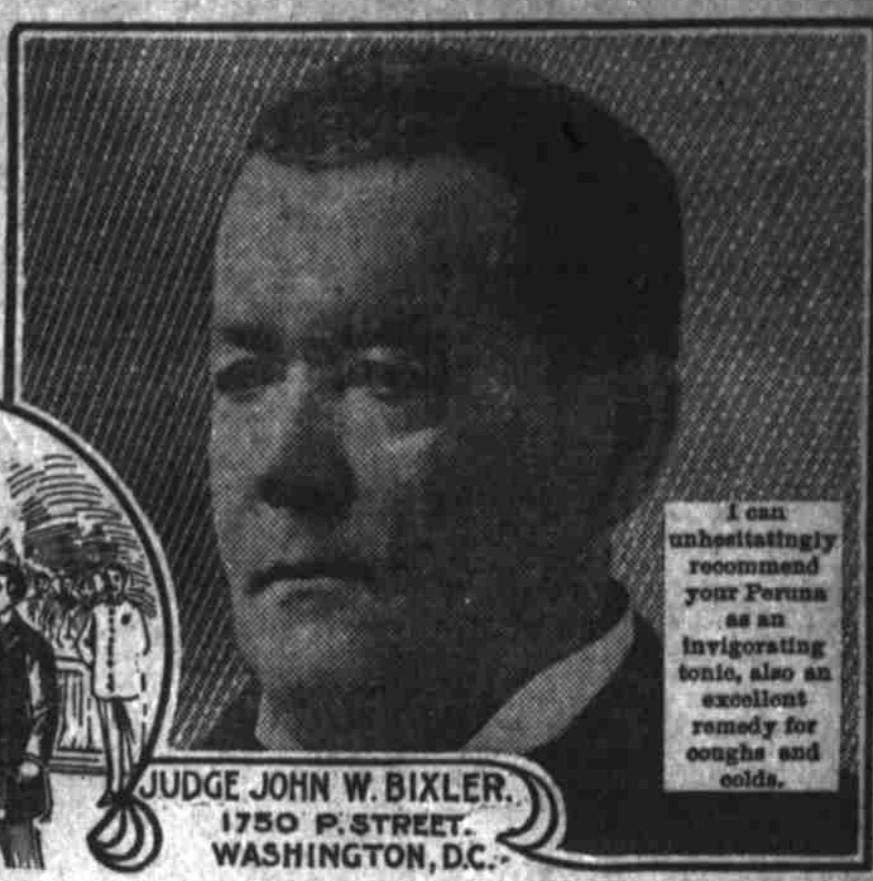

Adolph Adler, the man who acted supposedly for a band of "black hand" extortionists when he presented a letter demanding \$400 to Sig Sichel, was before the municipal court this morning to answer to a grand jury. He is held in lieu of \$1,000, in default of which he was taken to the county jail last night. It is probable his sanity will be brought into question.

# DISTRICT JUDGE U. S. COURT Recommends Pe-ru-na as an Invigorating Tonic.

Judge John W. Bixler, formerly United States Circuit Judge, now United States District Judge, of Kansas, endorses Peruna.

JUDGE JOHN W. BIXLER, 1750 F STREET, WASHINGTON, D.C.

# Per-na Testimonials.

When any man or woman, out of pure gratitude, writes us a letter, commenting upon the benefits he has received from the use of Peruna, when he does this without any solicitation or remuneration of any sort, and furnishes us a recent photograph, so that his identity and responsibility in the matter is beyond question, then do we consider a testimonial available for our advertising purposes.

We are at the present time publishing many hundreds of testimonials. We give the names and address in full of each of these people.

We have no use for, nor would we publish for any sum of money, a fraudulent testimonial. To do such a thing would be dishonorable from a moral standpoint, and commercial suicide from a business standpoint.

# Tonic and Appetizer.

W. H. Parsons is ex-state senator and ex-special judge of the supreme court of Texas, also brigadier general in Confederate army. In a recent letter from 255 H street, N. W., Washington, D. C., this prominent gentleman says:

"Upon the recommendation of personal friends and many strong testimonials of the efficacy of Peruna in the treatment of the numerous symptoms of the grip, with which I have been afflicted for four months past, I have been induced to undergo a treatment of this justly celebrated formula.

"I feel a decided change for the better after using it only one week. It is especially good in toning up the stomach, and has a decided effect upon my appetite. I therefore feel much encouraged that I am on the road to complete restoration.

# Disordered Liver, Constipation.

"Mr. W. O. Clement, Assistant Manager 'Home Georgian,' Rome, Ga., writes: 'It affords me pleasure to voluntarily testify to the true merits of your wonderful Peruna.'

"I have for several years been suffering from disordered liver and chronic constipation, for which I had tried a great many remedies, but none did me any good. My whole system was so thoroughly overcome that I was easy to catch cold, and the consequence was that a chronic case of catarrh was fast developing.

"I have been taking Peruna for six weeks and am happy to say that it has had the desired effect. My liver is in good condition, constipation disappeared, and I no longer feel any of the symptoms of catarrh.

"In truth I am now in better health and feel stronger than I have for several years, and it is all due to the wonderful effects of Peruna."

# Appetite and Digestion Poor.

Mr. Charles Schweils, Lexington, Texas, writes:

"I suffered from catarrh of the liver. What I ate disagreed with me. I was weak and feverish. I slept very poorly, had rash of blood to the head. I was very dependent, and took no pleasure in anything. My appetite was changeable, digestion poor.

"Your medicine made me well again, for which I express to you my heartfelt thanks. I firmly believe that for all who suffer in like manner that it would have the same good effect."
