JUST ONE WORD TO THE PUBLIC: I, the undersigned, was duly and legally appointed RECEIVER for the Outlet Clothing Company by their creditors, but owing to the many advantages taken and exaggerations made by sales managers, I would not consent to allow my name to appear in print. But upon investigation found the above prices reduced exactly as stated, without any exaggeration, and am now ready to recommend the sale to my many friends and hope you all get in on these early. Very truly yours, J. S. P. COPLAND, Receiver for Creditors, with the Portland Railway, Light & Power Company.
