## JOHNSON'S BAT WINS THIRD GAME

### Portland Third Baseman Clears Sacks With Corking Base Hit.

San Francisco, May 1.—Portland made it three straight yesterday, batting out a victory over the Seals in the ninth inning, 9 to 4. Johnson helped win the game by clearing the bases with a corking double. The game was even all the way through, but the Beavers found Sutor at the right time and pounded him unmercifully. The score:

### WOODBURN FANS TO INVAD ROSE CITY

St. Johns Apostles Will Hook Up With Frakes Tomorrow Afternoon.

There will be things doing at the league grounds tomorrow afternoon when Nick Whitehead's Frakes hook up with the St. Johns Apostles. And likewise Sunday afternoon when the Merry Widow boys and the Woodburn Indians come together for the first time this season.

Tomorrow's game will be a battle royal. Whitehead will send out Bert Johnson to hand a choice collection of benders to the Apostles, while the St. Johns contingent will depend on one John Frakes, the human bean pole. Whitehead has not been seen at work in the city, but reports that wait from St. Johns hear the information that the elongated one has 57 varieties of spit ball curves, high and low ones, with which to fool the wielder of the willow. Frakes is a pitcher who always depends on his work to win his games. Johnson has a choice collection of balls, a fine delivery and good control, and what is more, can always be depended upon to do what is expected.

Sunday's game will be the real article of ball. Lengthy Marshall, the lad who beat the Chicago Nationals at Santa Barbara for McCredie, will throw for the Indians, and Howard, Whitehead's star box artist, will do the same for the Apostles. Marshall, they say, is a wonder, and has everything that a pitcher needs, but is too young to make good in class A minor league he is right in his class and no doubt will win his game. Woodburn fans have a choice of a special train and will be down 400 strong.

### SMITHSON ENTERED FOR OLYMPIC GAMES

Portland Boy Will Top Hurdles With California Cracks on May 9.

(United Press Leased Wire.)

San Francisco, May 1.—The field day committee in charge of the tryouts for the London Olympic games, to be held at Stanford on Saturday, May 9, yesterday received the entry of Forrest Smithson of the Multnomah club of Portland. This insures the presence of the high hurdle champion from the north, who since his victory at the American national championships held at Jamestown last September, has been the sensation of the athletic world, breaking three high hurdle world records, including performances all over the country and Canada.

Smithson was first seen here last summer, when he competed in the Fourth of July games under the auspices of the Westport Athletic club in the stadium of Golden Gate Park. On that occasion he defeated Herbert Cheek and Billy Powell in the 120-yard hurdle, which Cheek reversed the record by winning the 220-yard hurdles. Previous to this event Cheek had won both the 120 and 220-yard hurdles in the Northwest championships held at Seattle last spring. The Portland boy was selected to represent the Multnomah club at the Jamestown games, where he won the high hurdles in 0:15.5, defeating A. B. Shaw, point winner in the intercollegiate at Harvard.

At the Georgetown University Field and Track association meet held in Washington, District of Columbia, Smithson lowered the 120-yard high hurdle record to 0:15.5, a fifth of second better than the new mark made by him a few days previous in Philadelphia. In the 220-yard hurdle he was second, behind the champion, Fred Lander in a 15-round go.

### SMITHSON ENTERED FOR OLYMPIC GAMES

Portland Boy Will Top Hurdles With California Cracks on May 9.

(United Press Leased Wire.)

San Francisco, May 1.—In four rounds Abe Attell last night put an end to "Brooklyn Tommy" Sullivan's aspirations for the featherweight championship. Not for one moment did Sullivan have a look-in. In the last round Attell floored his man three times in succession. At the third demonstration the police rushed in to stop the fight, but it was already finished, for Sullivan was cleanly knocked out. The champion did not bear a scratch.

From the beginning Abe was too puffy for his rival. He danced in and out, delivering a fine assortment of blows, Sullivan was puzzled to know where they came from, and for three rounds the game went on in this way Attell measuring his man and waiting for the right time to go in for a finish.

All bets were called off before the fight began because Sullivan was permitted to weigh in at 136 pounds instead of 125, as had been agreed on. In the preliminary to the main event, Johnnie Frayne took the decision from Fred Lander in a 15-round go.

Portland Boy Will Top Hurdles With California Cracks on May 9.

(United Press Leased Wire.)

San Francisco, May 1.—Prospects of a fight in London or Paris between Tommy Burns, the holder of the heavyweight title, and Jack Johnson, the giant black, have gone glimmering. Burns has called his wife, who is living here, that he will cancel his engagement to fight Bill Squieres, the Australian, and embark for home. It is supposed that his wife's ill health is the cause of his sudden decision.

### SMITHSON ENTERED FOR OLYMPIC GAMES

Portland Boy Will Top Hurdles With California Cracks on May 9.

(United Press Leased Wire.)

San Francisco, May 1.—Legal fight followers are inclined to the opinion that Tommy Burns had his own health in mind when he suddenly decided to return to America. Jack Johnson arrived in London on Tuesday and immediately set about to force Burns into a match for the championship. Burns refused to consider a match unless he were guaranteed \$50,000, win or lose or draw, and as these conditions were utterly impossible the match was not made.

## EGERS SEVENTEEN MEN

(Special Dispatch to The Journal.)

Trainer Haywards at Eugene, May 1.—The freshmen meet today and is confident they will win easily. "Chuck" Taylor, of football fame, is expected to be the greatest point-winner and is entered in six events. The track is

## MEN MY FAIR, HONEST BUSINESS METHODS

Together With My Record of 25 Years of PERMANENT CURES

Have gained for me what is acknowledged to be by far the Largest Practice in the West, because I invariably fulfill my promises.

I have attained success—a degree of success not even approached by any other specialist in the treatment of men's diseases. There is no secret about it. For years I have been telling the people in public print just why my business grows. I feel it my duty to do so. I want every man in every walk of life to know about the wonderfully potent features that have made my practice grow. One is, I cure diseases quicker and more thoroughly than any other physician can. I cure cases that other honest doctors do not pretend to cure. Through 25 years of study I have gained a broader experience, and been able to perfect newer and more effective methods, while others continue along the old lines. My treatment is scientific and thorough—and I am usually able to cure even the most complicated cases in much less time than is commonly required.

PERMANENT RESULTS.

To produce temporary activity of the functions in cases of so-called weakness is a simple matter; but to permanently restore strength and vigor is a problem that but few physicians have solved. I never treat for temporary effects. Under my system of treatment every bit of improvement is a part of a permanent cure. Though other physicians have, through my success in effecting permanent cures, been convinced of the fact that premature loss of power, etc., are but symptoms resulting from chronic inflammation or congestion in the prostate gland, none has as yet been able to duplicate my cure. My system of local treatment is the only effective means yet known for restoring the prostate to its normal state which always results in full and complete return of strength and vigor. Such a cure is absolutely permanent, because the condition responsible for the functional disorder is entirely removed. It is the only kind of a cure a patient desires, and the only kind of a cure I will treat for.

My office and hospital occupy 60 rooms, thoroughly equipped with everything that can be helpful in the treatment of men's diseases. All remedies are prepared in my own private laboratory.

My Fee for a Cure Is Only \$10 IN ANY UNCOMPLICATED CASE PAY WHEN CURED

SPECIFIC BLOOD POISON.

I employ harmless, blood-cleansing remedies only in overcoming this most tenacious disease. The system is made entirely free from blood-taint and all symptoms of the disease vanish to appear no more. I especially invite consultation from those who have been unsuccessfully treated elsewhere.

I make no charge for consultation or advice. All afflicted men may feel free to call upon me or write regarding their cases.
