PEACE REIGNS AT WINDY CITY

No Trouble Started on Date of Annual Signing of Union Contracts.

(United Press Licensed Wire.) Chicago, May 1.—An atmosphere of calm and all-pervading peace envelops the labor situation in Chicago today, as the date for the annual signing of working and wage contracts between employers and workers. In all except a few instances a complete understanding between unionists and their employers has been effected.

and the labor world of Chicago looks for another year of comparative industrial amity. On former May days there have been troubles among the teamster unions and the various allied building trades, also railway employes and other crafts.

MANY FINE HORSES FIND NEW OWNERS
Over 200 Blooded Animals Sell at Price Aggregating \$30,000.
The last tap of the auctioneer's hammer at the fair grounds yesterday afternoon marked the close of the most successful sale of blooded horses ever held in Portland or, for that matter, on the Pacific coast. Nearly half a hundred fine animals of all classes were sold in all and the average price was "beat". Scores of horsemen were present, and when the bidding began on Knick Knack, the class of the day's sale, the rivalry became intense. He was finally knocked down to S. R. O'Neill of Vernon, B. C., for \$475. This great horse formerly belonged to Bob Brady and has a record of 2:11 1/2.
Henry Gray, 2:18 1/2, caused almost as much excitement around the auctioneer's stand and was looked upon with envious eyes when finally led away by A. Zibenden of Seattle who purchased him for \$520. Mr. Zibenden expects to take no dust on the Seattle speedway this year and he will probably not be disappointed.
Minwall, 2:23 1/2, a handsome bay mare only 5 years old, brought \$500; L. E. Adams of this city being the purchaser.
While yesterday's totals were the largest of the three days' auction, the record was made Wednesday, when Mary Mims, the Kentucky futurity stock farm of Moscow, Idaho, sold for \$1,400 to the Clemons stock farm at the sale and close to \$3,000 was realized. This is by far the largest sum of money ever brought for a like number of animals at a sale in this city.

TAKE TESTIMONY IN COAL LAND FRAUD CASE
Depositions Taken by Commissioner Sladen Against Utah Fuel Companies.
Depositions in the case of the government against the coal companies in Utah alleging that certain coal patents had been entered fraudulently by means of the dummy system, are being taken before United States Commissioner Sladen today.
Fred A. Maynard, special assistant to the attorney general, and Isaac F. Lamoreaux, an attorney for the department of justice, represent the govern-

ment. John M. Zane of Chicago, one of the best known corporation attorneys in the country, and Mark S. Bratton of Salt Lake, appear for the Utah Fuel company and the Pleasant Valley Coal company.
These two companies are controlled by the Gould interests. Several thousand acres of coal land in Utah are involved in the case. The land is valued at many millions of dollars.

SHINING WORK IN LOCATING SHINER
Don't leave diamond studs in your shirt when you take it off. Also if you work in a laundry and see the stud glittering it is better to let the police know about it than to have the detectives hunt you up. It happened in this way:
Tom Fallon, a well known saloon man, forgot to take out his bid when he attended to bath. Mrs. Fallon answered the call of the laundry man by setting all the shirts in sight. The suit went along. John Seely and J. A.

Storer, markers in the City laundry, saw the sparkler. It went into his purse, and they said nothing further. Captain Patsy, head sleuth, went on the track of the stud. Patsy and the detective, Seely and Storer, owned up.
Today Fallon declined to prosecute. He swore to the complaint. The case will be heard in the municipal court tomorrow.
