## POLICE REPORT SHOWS MUNICIPAL COURT TO BE A MONEY GETTER

Just what the city's detectives are doing, what they have accomplished and wherein they have failed is set forth plainly for the first time in the monthly report of the detective department just filed with Chief Grittmacher. Heretofore it was a hard matter for anyone to learn just what each sleuth was doing.

A larger number of separate offenses were committed in this city in April than ever before. Rarely is an arrest made for such crimes as arson, attempted extortion or polygamy, yet all these and many more appear in the April report. There were 1102 arrests, while 15 accidents were reported during the month just closed.

## MILTON WILL FOUND GREATER COLUMBIA

Fifty Thousand Dollars Endowment to be Raised, \$12,000 of It by Miltonians.

(Special Dispatch to The Journal.)  
Milton, Or., May 2.—The executive board of Columbia college, of the Methodist Episcopal church at this place, has secured an option on 20 acres of excellent land just west of the present site of the college and within less than two blocks of the electric carline, which is declared by all the business men to be the proper location for a new school building and a greater Columbia. In order to raise the \$50,000 now proposed by the board of education, it will be

necessary for the citizens of Milton to give at least \$12,000, of which \$6,000 has already been pledged by four individuals. The college has many friends in neighboring states, and it is thought the balance of the money can easily be raised. A committee is now raising the funds.

**Squirrel Poison Slays Swine.**  
(Special Dispatch to The Journal.)  
North Powder, Or., May 2.—Ten fine hogs belonging to one of the town butchers, E. Jarman, broke into a grain field of A. Casper, a prominent farmer near town this morning, and died from eating squirrel poison put out in the way common to farmers in the grain planting season.
