NEW YORK POLICE SAY MARTIN WAS IN SING SING PRISON

(Special Dispatch to The Journal.) New York, May 6.—The police today received a request from the police of Portland, Oregon, for the record of Edward Hugh Martin, under arrest in the western metropolis on suspicion of hav-

ing brutally murdered and robbed Nathan Wolff, a pawnbroker. Martin came into public notice here several years ago, when he married the notorious "Gussie" McKee, the poolroom queen. Martin is a son of a former police-

man of New York city. He entered West Point and upon his graduation was given a commission in the army. In 1900 he was dismissed from the army for various misdemeanors. He began to travel the "Great White Way," and sunk lower and lower. "Gussie" McKee became infatuated with him and he married her. For this he was arrested and sent to Sing Sing prison. While serving his term his wife sued for divorce, but died before the case came to trial. Martin was last heard of here in 1908, when he was arrested on the charge of having tried to burglarize a drugstore, but was released for lack of evidence.

Martin had a splendid army education and opportunity, which he spoiled by his misconduct. He was awarded medals for unusual bravery in the Cuban war and was regarded as a model and intrepid young officer. When he was court-martialed he pleaded that he contracted the morphine habit in Cuba, as the result of medical treatment for fever, and that the wayward acts committed by him were due to the awful influence of the drug.

More Capital for Idaho.

(Special Dispatch to The Journal.) Boise, Ida., May 6.—Forty bankers and heads of large bonding companies in the east, middle west and south are to visit southern Idaho this month to inspect the country, and no doubt the result will be the investment of more capital in irrigation and other enterprises in Idaho. The party will leave Chicago in three private cars on May 19 and will remain in southern Idaho one week.

Mail orders from both in and out of the city are now being received for the coming engagement of the famous coloratura soprano, Miss Beaulieu Abbott, who will be heard in a grand concert recital at the Bellie theatre, Fourteenth and Washington streets, next Monday evening, May 11. This celebrated singer comes direct from the Metropolitan opera house, New York, and will give Portland music lovers one of the greatest treats they have had in years. Miss Abbott will be assisted by the brilliant pianist, Edith Moxson Gray, who recently appeared in this city with the Chicago Symphony orchestra and made such a decidedly good impression, and the noted English cellist, Hans Brunel. Address letters and make checks and money orders payable to W. T. Pangle, manager Bellie theatre, regular box office sale will open next Friday, May 8. Mail orders taken in advance.

Rader, J. H. Gwin and E. H. Aldrich. J. K. Bailey is a hofmaster representative while J. W. His letter of resignation he states that he wishes to leave the grand lodge at the close of private business. He has not yet been stated who will be appointed in place of Captain Kern.
