# Let Me Show

Let me show you which way the wind blows.

You

Let me show you that the weather vane never points to the Northeast. Let me show you that the stocky ards and packing-houses are located northeast of University Park, a direction from whence the winds never blow. A hint to the wise is suffi-

Let me show you that the Oregon & Washington Railroad Co. is building a railroad directly from McKenna Junction at the center of the north line of University Park, to the stockyards.

Let me show you that University Park will have, through McKenna Junction, the only direct railroad connection between the great Harriman System and the stockyards.

Let me show you that all the railroads at Mc-Kenna Junction are on the same grade level, consequently, under our State Laws, every train must stop. Keep this in mind.

Let me show you the location of the lands purchased by the Oregon & Washington Railway Co. around McKenna Junction for yards, roundhouses and repair shops. This alone means a great future for University Park.

Let me show you the location of Columbia University, the coming great educational institution of the Pacific Northwest: the location of the sawmills, the factories, the drydock, the railroads and navigable rivers all with reference to University Park.

# Best of All

Let me show you where you can buy on the installment plan a few lots that will grow to enormous values within a few years.

Let me show you that this is your last opportunity to buy lots on the Peninsula on easy monthly installments, because all these lots will soon have passed to new owners who will be likely to demand cash for
