I know the disease and weaknesses of men like an open book. I have been curing them for years. I have given my life to it, and thousands upon thousands of men, restored to VIGOROUS VITALITY, are today living monuments to my skill, knowledge and success.

Stricture Acute or chronic, cured quickly, safely, without pain or loss of time or inconvenience. No matter how long standing or how complicated. I cure. I don't cut. My treatment removes every trace of the effect of early failure.

Blood Poison I cure contracted blood poison. My record of past years, radiating from the system and sores in the mouth, swollen or sore throat, tumors and ulcers of the skin, rheumatism, pains in the legs, chronic ulcers or tumors anywhere I cure in all stages.

Private Diseases I cure all diseases of a private nature about which most people dislike to consult their family doctor, such as discharges, drains, eruptions and all contracted troubles. I cure them quickly.

Prostatic Troubles Some of the notable successes of my professional career have been in the radical cure of enlarged and inflamed conditions of the Prostate Gland. My treatment acts directly, reducing inflammation and irritation; it heats the gland, removes the obstruction and establishes free passage of the natural secretions, without pain or discomfort.
