BEAVERS SALT OPENING GAME

McCredie's Crew Packs Away Dillonites in First Matinee of Series.

Portland led off yesterday in the opening game of the series with two runs and Los Angeles was never dangerous, finally winning 5 to 2. At times there was a feeling of uneasiness with men on the bags but big Eddie Kinsella knew what he was doing and kept up his mystifying part with great success.

Captain Dillon of the southerners said before the game that he would be mighty well satisfied to break even on the series. Well, if the Beavers keep up that timely batting streak there will be nothing to it in the coming quintet.

Hen Berry showed us only two new faces yesterday—those of Rebel Oakes and Easterly. Easterly succeeded Kitty Brashear when the latter sprained his ankle sliding into Madden at home plate. Easterly had no chances in the field and filled out both times he batted. Oakes has the earmarks of a fast player. He is rapid on the bags, a base stealer and a good fielder. He made one of the six hits accorded the Angels by Eddie.

Both pitchers were wild, dividing honors in this respect with four passes each. Randolph, however, was the worst offender, for one of his free tickets forced in a run. Incidentally it might be remarked that Bull Perrine needed a pair of binoculars, from the way his decisions looked in the press box.

Portland started to business right at the start. Casey worked Randolph for a pass and was advanced to second by Ryan's bingle. McCredie did the proper thing by sacrificing, moving the runners up a notch. Babe Danzig wasn't equal to the occasion and struck out.

With affairs in this state Bassey came up looking as if he had a bingle in his willow. He fussed around the India for a moment and then leaned upon a wide one that didn't stop rolling until it hit the right field fence. Brashear ran in but the sphere slid along between his pins. Bassey didn't stop until he perched contentedly on the third cushion. Casey and Ryan ahead of him walked home to register.

Although Smith singled and Delmas doubled in the second there was nothing doing for the visitors. Neither did Cooney's single help the Beavers.

Work Double Steal.

In the third the Angels put one over. Oakes singled, went to second on old George Wheeler's sacrifice, and pulled off a double steal with Dillon after the captain had been passed by Kinsella. Oakes, however, was caught on the base line road on a sudden heave from Madden to Johnson. Dillon took a long chance and was safe at third. He scored when Madden threw the ball over second base, but Brashear, who pulled another free ticket and tried to race from first to home on the bum heave, was caught by a perfect peg from Ryan to Madden.

Nothing more was doing until the sixth for Portland, when three more were hung up on a single by Danzig, a sacrifice by Bassey, an error by Wheeler and bases on balls to Cooney and Kinsella. Danzig, Madden and Cooney came through.

In the ninth Ellis went to first on a fielder's choice, Kinsella, throwing Jud Smith out at second after he had singled. Delmas' second two-bagger of the day placed "Rube" on third and he was scored on Hogan's long sacrifice to Ryan. This finished the matinee, for Randolph followed with a fly to Buddy in center field.

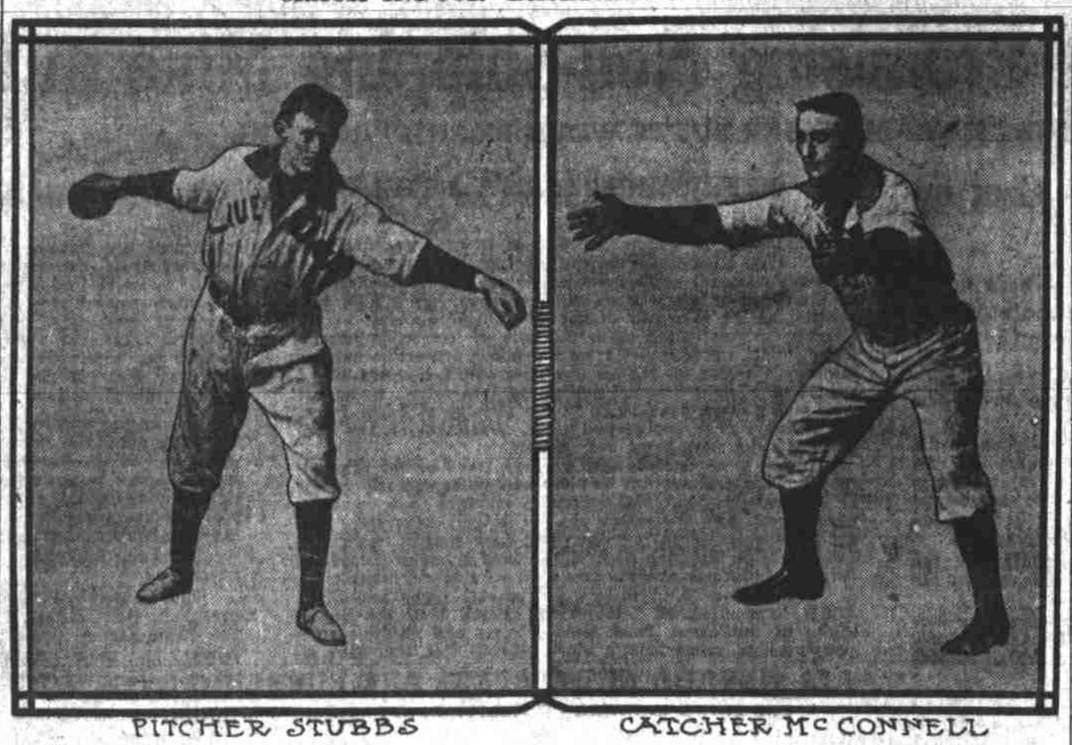
CRACK INDOOR BASEBALL BATTERY.



PITCHER STUBBS — CATCHER Mc CONNELL

Pitcher Stubbs and Catcher McConnell, the splendid battery of the Hospital Corps' indoor baseball nine on the national guard league, who hold the league record for the greatest number of strikeouts for the season recently ended and also for a single game. Stubbs struck out 23 batters of a possible 27 in one game. There were less hits and less runs recured off Stubbs than any other pitcher in the league. McConnell, captain of the team, ended the season with a batting average of .500, securing 17 hits in 34 times at bat.

STANFORD TEAMS GOOD NEXT YEAR

Cardinal Athletes Return in Large Numbers for All Sport Branches.

(Special Dispatch to The Journal.)

Stanford University, Cal., May 13.—All athletic activities at Stanford have ceased with the closing of the college year, excepting the workouts of the 10 men who are to represent Stanford at Chicago, June 6. These men are trying out daily and will be in good shape by May 30, the date set for departure.

The outlook for the season of 1908 is exceedingly encouraging. Captain-elect Horton is a man who has the entire confidence of the student body and the track squad, and in addition to being a versatile athlete himself he is a hard worker in bringing out new material. Only three point winners will be lost by graduation so Horton will have a good nucleus of veterans. Hussey, Crawford and Miller, who were prevented in various ways from taking points against the Blue and Gold, will be back to join Horton's team. Maundrell and Bradford will both return. Sweet and Adams in the 2-mile, Bellah in the pole vault, Martain in the high, Gardiner in the sprints and Yonker in the hammer will be much stronger before they meet California again.

Oarsmen Are Good.

It is probable that nearly all of the eight men who made their "S" in the crew will return to college next rowing season. Furthermore some excellent varsity material was in the freshman eight. Another shell is to be purchased and this will allow a great deal more training. The day set aside for rowing at the Alaska-Yukon-Pacific exposition promises to bring out crews from many quarters and the Stanfordites are already interested. An effort will be made to retain "Dan" Murphy as coacher.

All but two of the ten ball players who went up against California this year will return. Wirt will be absent and "Kenny" Fenton is ineligible. Another season still remains for Theile, the primer amateur twirler of the university. Sampson, the veteran shortstop, will captain the varsity ball team in 1909.

"Pat" Patrick, stroke of this year's crew, has been elected captain for the coming year. "Babe" Crawford, the hammer thrower, is captain-elect of the 1909 varsity rugby team.

J. R. Holman, the Portland athlete and popular student, was elected yesterday afternoon to the presidency of the Stanford Interscholastic Athletic union. Holman is a member of the track and varsity football teams.

OREGON-ALBANY GAME WILL NOT BE PLAYED

(Special Dispatch to The Journal.)

University of Oregon, Eugene, May 13.—The baseball game with Albany college which was to have been played Saturday has been called off and the varsity team will go to Roseburg to play a town team instead. Many of the students are disappointed, as the only game on the local diamond left to be played after today's game is against O. A. C. on May 22.

The game against the High school today promises to be fast, as the Eugene lads are in fine shape. All the varsity men are now in good condition and Clarke will return to his old place at shortstop.

BIG ODDS ON JOE GANS IN UNHOLZ FIGHT

(United Press Leased Wire.)

San Francisco, May 13.—Both men down to weight and in what they call perfect condition, Joe Gans and Rudolph Unholz, the "fighting Boer," who meet in a 20-round contest tomorrow night, are resting today.

Unholz, despite the heavy odds against him, continues confident, but the betting public cannot concede him a chance and when the fighters step into the ring it is more than likely that the odds will be 3 to 1 against Unholz.

Gans anticipates no trouble in disposing of the Boer and looks for a knockout inside of 15 rounds.

YAMHILL COUNTY MEET SCHEDULED MAY 16

The first high school field meet of Yamhill county will be held at Newberg, May 16 on Pacific college campus with Lafayette, Newberg, McMinnville, Dundee and Dayton in competition.

There will be twelve events and it is planned to make the meeting an all-day affair. The sports begin at 10 o'clock and 1:30 o'clock, and it is expected that some good records will be established for the initial event.

KELLY RUNS 100 IN 10 AND JUMPS 24 FEET

(Special Dispatch to The Journal.)

New York, May 13.—Dan Kelly, the world's champion sprinter, is back to form. Word reached this city from Philadelphia yesterday that the western boy in practice ran the 100 in 10 seconds, and made a leap of 24 feet in the broad jump.

For the short time that Kelly has been under the care of Trainer Mike Murphy he has made wonderful strides toward the goal in both the sprints and broad jump, and the veteran trainer is not a bit backward in saying that when the proper time comes the Oregon boy will uphold his reputation as the world's champion.

As a matter of fact, Kelly has been by no means showing his heralded form in either the sprints or broad jump, but if there is anything in the boy, Murphy will bring it out.

The news that Kelly is rounding into shape has been received with delight by his followers in this city. There have been not a few who thought the boy was not all he was touted to be.

NORTHWESTERN GAMES.

Aberdeen, 2; Vancouver, 0.

Aberdeen, Wash., May 13.—The squeeze play worked successfully twice in yesterday's game for the Black Cats, score 2 to 0. Thompson and George Engle were both effective, and good pitching together with the perfect support accorded each pitcher made a beautiful exhibition of baseball.

Aberdeen scored twice, both times from a two-bagger, a sacrifice and the squeeze play. Fitzgerald scored in the fifth on his double, Brown's sacrifice and Spencer's bunt. Boettiger scored in the seventh on his two-bagger to left, Mahon's sacrifice and Brown's bunt. Vancouver had men on bases several times, but Thompson always pulled out and left them waiting. Spokane, 3; Seattle, 2.

Seattle, Wash., May 13.—Two singles and a long fly to right field won yesterday's game for Spokane in the eleventh inning of one of the hardest fought games played here this year. Jensen, Spokane's southpaw pitcher, who was too slow to recieve consideration from McCredie of Portland, outpitched Welch. Seattle hit better than did Spokane. Jensen was more effective with men on bases. The score:

There Is Money in Developing the Marvelous Natural Resources of Oregon

In again repeating what we have been saying for months—that GOLD DREDGING will soon become one of the leading and the MOST PROFITABLE industry in the state—we are only reiterating what has occurred in every other section where the business has been developed. The natural conditions are as favorable here as could be desired. That there is

Gold in Abundance

in the auriferous gravels, we have proven absolutely, by repeated drillings and shaft tests. We can satisfy and convince anyone of this fact who will investigate. To begin the payment of dividends it is now only necessary to put on the dredging machinery, the same as used in other places. For this purpose we are selling a small portion of our treasury stock. While we have not made as large a display in print as we might have done, yet we have kept steadfastly at work and have made good progress. We intend to put on our first dredge this summer and be paying dividends before the season closes, for as soon as the wheels begin turning, the gold, ready for the mint, begins coming in and continues as long as the machinery runs. Our stock is being gradually absorbed by careful thinking people who have investigated. The 35c allotment is so nearly exhausted that at the close of business May 16, the
