A wave 26 feet in height without warning bore down the river, overwhelming some large river steamers. Some 3,060 Chinese sleeping in sampans, and small craft and mat sheds and huts by the riverside at Hankow, were enveloped by the great wave which swept the broken junks, splintered sampans and a mass of debris with swarms of drowned Chinese mixed with the wreckage. The visitors were received Tuesday by Rear Admiral Thomas in his cabin, where he received the token on, behalf of the men and officers. In making the presentation speech the speaker alluded to the fact that there are 300,000 Greeks in the United States, all of whom are loyal to their adopted country.

The cup is the most attractive ever presented to the Connecticut. It is about 20 inches high. Under the engraved flags of the United States and Greece is this inscription:

"Presented to the flagship Connecticut, with greetings to the United States naval fleet from the Hellenic colony of San Francisco, 1908."

Weston has awakened great interest in his Chicago club. He gives walks every day when he is here, the one Tuesday being for women. HERE'S A FISH STORY THAT'S HARD TO BEAT

Grafton. Va., May 12.—A farmer living near Rowlesberg, on the Cheat river, whose veracity has never been challenged heretofore, is authority for the statement that the fish in the river have been milking his cows dry.

About 3 o'clock, when the sun was hottest, the cows wandered into the stream to drink, standing with their udders just touching the water. The farmer is now perfecting plans to attach fishhooks to the udders of the cows and go into the fish business as a side line.

ders and Noticeably Lacking in Spare Ribs.

St. Paul, Minn., May 11.-Minnesota has developed a hog that is all hams and shoulders. He is a stubby little animal sadly lacking in spare ribs. One of the new variety has been sent to Chicago for exhibition purposes, and to convince the world that this state can raise pigs that are all quality, A curious feature about the animal is that he has to kneel down when eating in order to get his snout to the ground He has no neck. When he moves from one place to another he turns around and around as though waltzing. After his return from Chicago the pig will be shown at the Minnesota county fairs as a breeders' curiosity.

My Straightforward Proposition

Metzger saves you money on watches.

I would rather give up my practice than indulge in either guesswork or make-believe cures. I have devoted twenty years to earnest amd conscientious endeavor to the unravelment of some of the most perplexing problems that ever confronted the profession, and believe that I have attained the limit of medical possibilities in my particular branch of practice.

I do not treat symptoms. I treat to cure the disease behind the symptoms. If the case presents even the slightest feature upon which I have doubt, or if I recognize incurable complications I positively refuse treatment.

tions I positively refuse treatment.

I have brought to light the true nature of men's diseases and the causes of the symptoms they present. In addition, I have, by the scientific blending of drugs, produced remedies that meet every condition that it seems possible to cure. Even the slightest relief, under my treatment, is genuine improvement—a part of the permanent cure that is to follow. There is no cause to hesitate. Consultation costs nothing, and I will not offer my services unless I can cure you.

DR. TAYLOR, The Leading Specalist

Weakness Wrecks Men's Lives

Many a youth of splendid promise has failed in life because of some weakness, the nature of which made him delay seeking medical aid until it had become serious, and greatly injured his life's opportunities. I have seen thousands of these cases, and I have heard the story of their suffering. Usually there is also a history of incompetent treatment by family doctors, patent medicines, electric belts, and unprincipled medical institutes and so-called "specialists."

What Weakness Really Is

That there is some functional derangement the direct result of inflammation, enlargement or excessive sensitiveness of the PROSTATE GLAND, brought on by early dissipation or resulting from improperly treated contracted disorder. This condition CANNOT POSSIBLY be removed by internal medicines, and any tonic system of treatment that stimulates the activity of the function can but result in aggravating the real ailment. This is a scientific truth I have ascertained after a careful and scientific study and upon which my own original system of treatment is based. I employ neither tonics, stimulants nor electric belts. I treat by LOCAL DIRECT METHODS exclusively, and my success in curing even those cases that others have failed to temporarily relieve with their tonics is CONCLUSIVE EVIDENCE, that my method is the only possible means of a COMPLETE RADICAL AND PERMANENT CURE.

My Guarantee Is Worth Something

I do not care what your experience has been with other treatments, what guarantees you have and what promises were unfulfilled in the past, as unsuccessful, unscientific treatments and unreliable concerns are in no way a reflection upon HONEST, TRUSTWORTHY BUSINESS METHODS lived up to in this city by me for TWENTY YEARS. I have an established reputation, and my guarantee means that my patients are INDIS-PUTABLY INSURED of success in their case. There is all the difference in the world between a guarantee of this kind and the promise of those mushroom concerns which are continually failing in business. I repeat my straightforward, square proposition to WAIT FOR MY FEE UNTIL THE CURE IS EFFECTED.

VARICOCELE, SPERMATORRHOEA. LOST VIGOR, ORGANIC WEAKNESS, CONTRACTED DISORDERS, STRICTURE, SPECIFIC BLOOD POISON AND PILES. I also treat and cure promptly and thoroughly.

CONSULTATION FREE-MY HONEST AND CANDID ADVICE COSTS YOU NOTHING. I cheerfully give you the very best opinion, guided by years of successful practice. Men out of town, in trouble, write if you cannot call. My offices are open all day from 9 a. m. to 9 p. m., and Sun-
