For this reason: Poor soap contains an excess of alkali which weakens the fabric and shortens the life of everything it touches.

Rich people can stand that sort of thing.

People who are not rich should use Ivory Soap for everything but the coarsest, commonest things that need to be washed.

AT THE THEATRES

"Mrs. Wiggs" Tomorrow Night. The attraction at the Helig theatre, Fourteenth and Washington streets, for three nights, beginning tomorrow, Thursday, will be Liebler & Co.'s production of the famous character comedy, "Mrs. Wiggs of the Cabbage Patch." A special price matinee will be given Saturday afternoon.

Francis Wilson Next Monday. The distinguished American comedian, Francis Wilson, supported by an excellent company of players, will present the delightful comedy "Wyandottus Were Bold" at the Helig theatre, Fourteenth and Washington streets, next Monday, Tuesday, Wednesday night, May 13, 14, 15. The advance sale will open next Friday morning.

"The Hair to the Hoarah." The first stock production in the northwest of Paul Armstrong's famous western comedy, "The Hair to the Hoarah" is meeting with immense success at the Helig theatre. The rule of the house will evidently be the rule at every performance. The play is a delight.

"The Lady From Laramie" Tonight. If you haven't been to the Lyric this week to see the Allen company in their newest offering, "The Lady From Laramie," you have missed one of the finest theatrical treats that the Portland public has had offered it this season.

"The Merry Widows." A lively little musical comedy is offered by the Armstrong company at the Star theatre this week, in which the delightful comedy "Wyandottus Were Bold" is introduced. This title of the entertainment is "The Merry Widows' Return." There are vaudeville acts as well as the regular specialties on the program.

Circus at the Grand. The feature act this week at the Grand is a travesty of a circus, "The Laughing Horse." The usual freaks of a circus are shown, and then enters the wonderful horse. No one can sit through this act without laughing. A high grade musical act is that of the Doric Quartet, who can sing better than most quartets. Their selections have been made with care, and each song makes a hit.

A New Departure

The cost of interments has been greatly reduced by the Holman Undertaking company. Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embalming, hearse to cemetery, outside box or any service. It may be required of us, except clothing, caskets and caskets, thus effecting a saving of \$25 to \$75 on each funeral.
