The End Is Near

RECEIVER'S SALE

N. E. Corner First and Morrison Sts.

The Beginning of the End Is Near at Hand!

Tomorrow--Saturday, May the 16th, at 9 a. m., Marks the Beginning of the End of the Greatest Clothing Sale in the History of Portland

I, The undersigned, on May the 2nd started out to raise \$109,850.00 for the benefit of the creditors of the Outlet Clothing Co. This sale was immediately appreciated by the people in general and the store has been packed to its capacity daily ever since, and on many occasions turned back many eager buyers. So I have decided to wind up this sale within 10 days and shall mark down every article in the big store to less than cost of making in order to induce those who are not yet ready to buy in order that I may accomplish my mission and return to my work.

Remember it makes no difference to you and I if anything is left for the Outlet Clothing Co. I was appointed by the creditors and have no restrictions nor limited price set on any article. So I have cut loose. Read carefully.

Big advertisements are very often misleading, exaggerations very readily made to order; such is not my case—You need only inquire of your neighbor as to the truthfulness of my ads, as nearly everyone has attended the great sale—So do not fail to come here tomorrow and take advantage of the Greatest Clothing Sale every held in Portland—Come early to avoid the rush that follows later

Remember this is the only sale that ever had its doors closed to eager buyers, unable to care for them, and sent all those that were fortunate enough to get in away happy and satisfied.
