Hawley Says Now Is the Time to Hammer Away for Purchase.

(Salem Bureau of The Journal.) Salem, Or., May 15.—In a letter to J. H. Albert, president of the Salem board of trade, Congressman W. C. Hawley says it is expected that a river and harbor bill will be presented at the next session of congress, including an appropriation of a sufficient amount to be used in connection with the \$300,000 appropriated by the state of Oregon for the acquisition and operation of the canal and locks at Oregon City.

Since the favorable outcome of the locks suit instituted by Governor Chisler for the purpose of determining the rights of the state regarding the locks, much interest is manifested throughout the valley in the effort to put them exclusively in the control of the state.
