ALBINA THROWN OUT OF LEAGUE

New Team Will Represent Same Section of City—Anderson Suspended.

Albina has dropped from Tri-City league and new club from same district takes its place.

Fitcher Anderson is suspended for 30 days for playing under an assumed name.

The Tri-City league directorate met in the office of Secretary H. K. Smith last evening and attacked the big pile of trouble which had accumulated since the opening of the playing season.

Incidentally they reduced the treasury surplus by paying off a number of bills.

The action of the Albina team in forfeiting to Woodburn last Sunday was a direct violation of the league constitution, and resulted in the Albina team losing its franchise and annulling all players' contracts under the old management.

As Albina was anxious to be represented, a company was formed and a new franchise issued to the organization, which will be known in baseball history as the Albina Baseball club.

John F. Helser and Ward Eulrich have been named for the position of manager.

The new club will take up the old schedule and percentage and go ahead as though nothing had happened.

Today the company is scouring the woods for promising players who are willing to enlist in the Tri-City league, and it is hoped by the promoters that a good fast team may be whipped into shape, which will give Albina a better representation.

Pitcher Anderson, the erratic St. Johns player, who twirled the two games against Salem May 9 and 10 under the name of Shaw, was suspended for 30 days and ordered to report to St. Johns at the end of that period.

It is the intention of the managers to release several of their extra men to the new Albina management and in other ways strengthen the team. The subject of double-headers was thoroughly discussed, but no definite action taken. The schedule as now prepared will be played out in its entirety, as near as possible.

If Eulrich is decided upon as manager for the new team he will probably take several of the Wabash stars along with him. Shortstop McBride, Sally Fortier, Jimmy Ahern and Eulrich will probably be among the number to crawl into new uniforms.

Angels Blank Seals.

(United Press Leased Wire.)

San Francisco, May 20.—Nagle kept the Seals down to two hits in the opening game of the series with San Francisco yesterday, and the Angels won, 2 to 0. Although Sutor was touched up for but six hits, his teammates made three errors behind him. The score:

SHIP THOMAS RACER FOR WEMME TROPHY

(Special Dispatch to The Journal.)

Detroit, Mich., May 20.—A Thomas-Detroit runabout has just been shipped from the factory by express to take part in the road races at Portland, June 4.

H. L. Keats of the Keats Auto company, who is entering this car in the races, came to the factory and picked out a regular stock car and ordered it shipped to Portland immediately.

Thomas-Detroit Forty runabouts are required to show a speed of at least 60 miles an hour before they pass the tester, and Mr. Keats is expecting his car to make a record showing in the Portland event.

Pacific Trains Hard.

(Special Dispatch to The Journal.)

Forest Grove, Or., May 20.—The track team is working out now in the gymnasium, owing to the bad weather. The men have recovered from their meet with Pacific college 10 days ago and are now rounding into shape for their meet with Willamette university next Saturday in Salem. Although Willamette's team is an unknown quantity so far, Coach Archie Hahn thinks his boys will win, as Pacific has the strongest team this year of any she has turned out since the championship team of 1904. On Memorial day a meet will be held with McMinnville college on the home grounds, which, judging from the records of the two teams, will be very close.

Varsity Wants "O" Society.

(Special Dispatch to The Journal.)

University of Oregon, Eugene, May 20.—A movement is now on foot to organize a society composed of all those students now in the university who have won their "O" in football, track and baseball. A society of this order has long been needed at the university in order to bring the athletes into closer relations with one another. There are a large number now in the university who are entitled to the official emblem and as the number keeps increasing from year to year a society like this will be of great benefit.

OREGON SHAPING UP TO MEET AGRICULTURALS

(Special Dispatch to The Journal.)

University of Oregon, Eugene, May 20.—The track team, which returned from its eastern Washington trip Sunday night, has already begun training for the O. A. C. meet next Saturday and from now on the men will work out as hard as the weather will permit.

All of the men except Moores are in good shape, although the trip was a hard one and tired them out. But they should roll up a good score against O. A. C.

As both the Whitman and Pullman meets were for the northwest championships, five new men won their letters by making five points or more. These were Dodson, Downs, Roberts, Moon and Sievers. While technically Sam May made only one point, he will probably be allowed three more, thus giving him a chance to win his "O" Saturday. In the half mile race at Pullman he came in second, but was disqualified for fouling. The fouling was unintentional, but he was ruled out.

Dolly Gray Traded Again.

Dolly Gray, the Portland boy who is playing in the Northwestern league, has again been traded. This time he goes to Dugdale's Seattle team in exchange for Quigley. Just what Vancouver's object in trading Dolly is, is not known. Quigley is his superior as a hitter, but is not in the same class with Dolly as a fielder. Dolly has played with three teams in the northern league and has been popular wherever he has gone. While his work apparently is not appreciated by the magnates, it is doubly appreciated by the fans, who go crazy over the boy's great stops.

Games in Inland Empire.

(Special Dispatch to The Journal.)

Pendleton, Or., May 20.—The league baseball season will be opened here Sunday with a game between Walla Walla and Pendleton. The Garden City players have promised to bring a large excursion with them to see the opening game. Games will also be played here Monday, Tuesday and Wednesday. The latter part of next week Pendleton will go to Walla Walla to open the league season there. La Grande and Baker City are also in the league.

Jay Gould Beats Briton.

London, May 20.—Jay Gould, oldest son of George Gould, today defeated Pennell, the English tennis player, three straight sets in the Olympic Tennis contests.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.

MOORES NOW OUT OF ATHLETICS FOR GOOD

(Special Dispatch to The Journal.)

University of Oregon, Eugene, May 20.—Gordon C. Moores, Oregon's crack sprinter and hurdler, is now out of athletics for good as far as the university is concerned and will probably never be able to don a spiked shoe again. In practice yesterday he again strained the muscle in the leg which has been bothering him all spring, and he will not be able to get into shape during the rest of the season. His loss has been felt keenly, as he was always counted on as a point winner.

SQUEEZE PLAYS.

Maybe they play today.

• •

Fans have read the "No Game" sign six times.

• •

Ed Hickey was given a baseball benefit the other day at Seattle. He's out with an injured foot.

• •

Why don't they play some of those double-headers now instead of waiting until the last months in the season?

• •

Amos Rusie, one time idol of the New York fans, is now a pearl diver in Vincennes, Indiana. That great lump under his arm never succumbed to medical treatment.

• •

Fielder Jones of Chicago White Sox doesn't like the new sacrifice rule. He says that batsmen try for individual records to the demoralization of team work.

• •

Manager Billy Murray of the Philadelphia Nationals says his team is something of an "in and outer."

• •

The batting of Jake Stahl is helping the New York Americans to keep an even keel.

• •

All the major league clubs have suffered a flatness of the purse this spring on account of rain.

• •

As usual the Cleveland team is doing great work in the early part of the season. Many are hoping that the Naps will stick for the big show—the world's championship games.

• •

"Wild Bill" Donovan looks to be the same clever twirler as of yore and Detroit fans are happy.

• •

If the Cincinnati pitchers could show some genuine goods the Reds would start to climb.

• •

Not since the American league placed a team in Boston has the National league team in that city worked so hard as have the Doves of 1908.

• •

Russ Hall is a joke. Russ has again taken to windjamming. Russ is woozier than ever. Why? Because the Butte bubble thinks his outfit is better than any in the Coast league. Ain't it orful, Mabel?

• •

Francis Wilson made a home run with J. Cal Ewing, Henry Berry, Judge W. W. McCredie and a few other baseball dignitaries who occupied one of the boxes at the performance last night at the Heilig. The collection caused a noticeable stir among the audience when it filed in. The rotund Henry Berry and the almost equally corpulent jurist seated on either side of the league president reminded one of the ham sandwiches your mother used to make.

Fight Notes.

Harry Baker, the California featherweight, who has been living in New York for several months, has changed his headquarters to Philadelphia.

"Honey" Melody, who but a year or two ago was recognized as among the topnotch welterweights, has quit the fighting game and returned to his trade as a coppersmith.

Sandy Ferguson, the erstwhile "bad boy of Chelsea," seems to have caught on in Philadelphia. Lew Bailey, the fight promoter of that city, has posted a forfeit to match Sandy against any man in the world for six rounds or more.

Trout for Umatilla.

(Special Dispatch to The Journal.)

Pendleton, Or., May 20.—The trout streams of Umatilla county have just been enriched by the addition of 34,000 trout fry sent here by the bureau of fisheries, and they will help in making fishing good during the coming season.

League Teams Play Today.

Rain interfered with the game between Portland and Oakland yesterday, but a game will probably be pulled off this afternoon, the grounds being in fairly good condition. The same pitchers chosen for yesterday's matinee will perform.

Burns Will Meet Johnson.

(United Press Leased Wire.)

London, May 20.—Tommy Burns today cabled Jack Curley, the Chicago prizefight promoter, an acceptance of Curley's offer to match Burns with Jack Johnson, the fight to take place in Nevada on Labor day and to be for a purse of $35,000, of which Burns is to receive $30,000, win, lose or draw. Burns specifies that James J. Jeffries must referee. Burns has not heard directly from Johnson.

Frisco Says Ruse.

(United Press Leased Wire.)

San Francisco, May 20.—Local fight followers are inclined to believe that Burns' acceptance by cable of an alleged offer made by Jack Curley to bring Burns and Johnson together in Nevada on Labor day is merely another ruse to get away from Johnson. Nothing has been heard here of an offer of a $35,000 purse by Curley or any one else.

REPORT FROM GOLDFIELD

Is That the Florence Central Gets An Inside Lease.

The Florence Central Mining company, composed largely of the people back of the Butte Boys Consolidated Mining company, has secured a lease on a block of ground adjoining the Little Florence and will push work with all possible speed. The company has four other fine claims, one in the midst of the best properties at Hart, one adjoining the Butte Boys, and two at Silver Peak. The Butte Boys, incidentally, has let a contract for 200 feet crosscutting, and the company is highly expectant of striking some pay ledges.
