PERRINE CALLS GAME IN SIXTH

Portland and Oakland Tie When Torrent Stops the Matinee.

"The rain was falling on the hay
In large, damp bundles yesterday.
The rain was falling quite a while
All over our umbrella pile.
Many a raindrop gaily slid
Off Mamie's Merry Widow Hd.
The rain was here, the rain was there,
The rain was falling everywhere."
—McCredie's Murmurings.

Chief Pinnance yesterday pitched his third tie game, when, after twirling beautiful ball for five innings, he soared gracefully skyward in the sixth and allowed the Oaks to come in with three runs. The Beavers had scored three in their half of the fifth and things looked rosy to the fans for the rain was coming down in torrents, but our friend, B. Perrine, kept things running for another inning and the score was tied.

Portland had been unable to get anybody past second in the first four innings, buf in the nrth they started things in lively fashion. Bassey flew out to right as an opener. Johnson hit one to Haley, which that worthy was unable to get his feet over, but his hands failed to get to the right place in time and the ball ambled to the outfield. Ote stole second, Lewis' throw to catch him being wide of the mark.

Cooney attempted to sacrifice but was safe, when Wright dropped the throw. Wright then issued passes to Madden and Pinnance and one run was forced across the pan. Casey's fly to the outfield scored Cooney but Madden, through reasons known only to himself, failed to take third on the play. Ryan hit an easy grounder to Haley who fell making all hands safe. Madden took a chance and tried for home but would have been easy out had Haley's throw been even fair. The throw was way wide, however, and the third run came across. Raftery was an easy out, Lewis to Hogan.

Smith was the first man up for Oakland and through Pinnance's generosity reached first. Jimmy started to steal and as Cooney ran to cover the bag Van Haltren hit through the opening. Heitmuller, Eagan and Hogan singled and three runs were over with no one out. Haley could not reach the wide throw which Pinnance sent to him as he and Eagan were trying to work the squeeze play and Madden tagged him a mile off the base. Cook and Haley struck out.

Portland tried hard to get one over in her half of the sixth but after Bassey had cracked out a two bagger to right field both Johnson and Cooney sent up weak flies to the infield. The score:

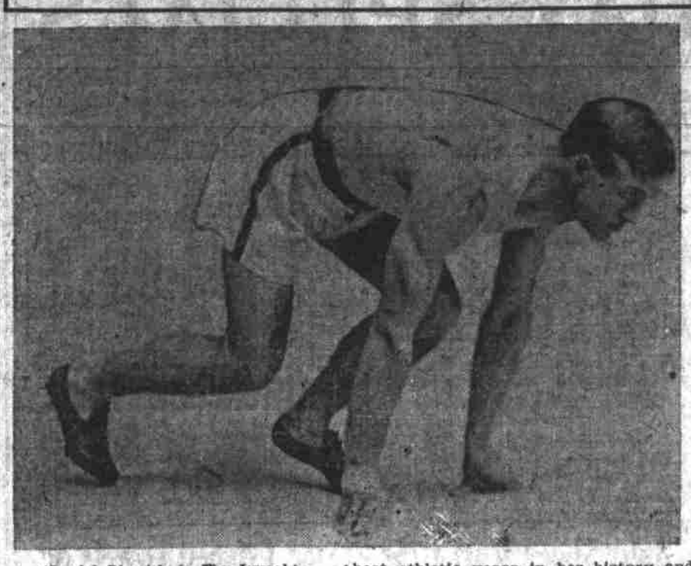
Famous Athlete Stays at Pacific



(Special Dispatch to The Journal.)

Pacific University, Forest Grove, Or., May 22.—Archie Hahn, famous Michigan sprinter and winner of the 100-meter dash at Athens in 1906, is to be retained by Pacific to coach her athletic teams the coming year. This action was taken at a meeting of the athletic committee last week, when a contract was drawn up and signed. Mr. Hahn is very popular with the students, and the athletes of the school are joyous over the fact that he is to come back next year.

"Archie" came to Pacific last spring and took up the task of developing a track team out of entirely new material. He brought out several good men and the team passed through a very successful season. As a result he was engaged to have charge of all the athletics the current year, coaching football, basketball and track teams, and under his enthusiastic leadership Pacific university has experienced one of the best athletic years in her history and the prospects are unusually bright for next year.

Mr. Hahn has a fine athletic record. He was a member of the University of Michigan track team during his four years spent in the law department, receiving special atention from Coach Keene Fitzpatrick, and was elected captain of their famous team of 1904. He holds three United States championships and four world's championships, as follows: World's championship at St. Louis in 1904 in the 60-meter race, time 7 seconds; in the 100-meter race, time 11 seconds, and in the 206-meter race, time, 21 3-5 seconds. In 1903 the championship of the United States for the 100 and 220-yard dashes, won at Milwaukee, and in 1905 the 220-yard dash in the games held in connection with the Lewis and Clark fair. In 1906 he won in the Olympic games the championship of the world in the 100-meter race, time 11 seconds.

PACIFIC TRACK MEN OFF FOR WILLAMETTE

Bad Weather Prevents Hard Training but Men Are in Condition.

(Special Dispatch to The Journal.)

Pacific University, Forest Grove, Or., May 22.—Manager H. H. Arnston and Coach Archie Hahn, accompanied by 12 track men, left this morning for Salem, where they have a meet with Willamette university this afternoon. All the men are in good shape with the exception of High-Jumper Brown, who sprained his ankle Wednesday night in practice.

The team has been somewhat handicapped during the past week, owing to the inclement weather, but the men have worked out each night in the gymnasium, which has kept them in condition.

The men who made the trip are Manager Arnston, Coach Hahn, Captain C. D. Mason, A. Robinson, Dogan Ferrin, L. F. Austin, S. R. Lawrence, C. F. Koch, H. P. Humphreys, R. I. Abraham, E. H. Mayfield, H. E. Witham, R. Robinson and G. G. Brown.

COLLEGE TEAMS WILL PUT UP GREAT GAMES

(Special Dispatch to The Journal.)

University of Oregon, Eugene, May 22.—The varsity baseball team is in by far the best condition it has been this year and should put up a splendid game of ball Saturday. Dud Clarke, whose ankle has been bothering him all spring, is now in good shape and Coleman, who received a cut on the forehead in the wood-working shop several days ago, has entirely recovered.

Both O. A. C. and Oregon have fast teams and the games should be hummers. The lineup will be as follows:

O. A. C.—Pitchers, Looney, Roper, and Meyers; catchers, Moore and Cooper; first base, Moore; second base, Swan; shortstop, Holman; third base, Francis; right field, Batey; center field, Bilyeu; left field, Poff.

Oregon — Pitchers, Hurd, Clifford, Henkle; catcher, Taylor; first base, Paine; second base, Houston; shortstop, Coleman; third base, Hathaway; right field, Keatley; center field, Ramp; left field, Clarke.

EUGENE STORES CLOSE TO SEE BIG TRACK MEET

(Special Dispatch to The Journal.)

University of Oregon, Eugene, May 22.—The O. A. C. track team arrived on the local last night in readiness for the next meet tomorrow. The prospects for good weather are splendid and with a few hours of sunshine the track will be very fast. The Oregon team is in the best of condition and Trainer Hayward expects the boys to win by a good margin. Through the efforts of Manager Bean practically all the stores in the city will close from 2 to 5 in order that all may witness the meet. This meet is always looked forward to eagerly and a record-breaking crowd is expected.

Students Build Great "O."

(Special Dispatch to The Journal.)

University of Oregon, Eugene, May 22.—The framework for the great "O," which is to be built on the side of Skinner's butte, was started yesterday afternoon, in order that it might be completed today. It will be very prominent, and is expected to attract a great deal of attention, as it can be plainly seen from a large part of the city and from passing trains. It is hoped that the bleachers, which are being built on Kincaid field, will be completed in time for the meet this afternoon with Oregon Agricultural college.

GRAY BEARDS AND NO BEARDS AT BASEBALL

Bankers' Nine Meets Doctors and Lawyers' Team for Nursery Benefit.

If you happen to see a set of long, gray whiskers engaged at tossing a baseball with a beardless youth, set your memory wheels in motion and just recall that the bankers are going to meet in mortal combat with the doctors and lawyers June 20 on Multnomah field, for the benefit of the Flower mission and Day nursery.

For weeks the lucre outfit has been practicing to meet the "six feet" layout and there is bound to be a loud report and an echo when the two clans come together on Multnomah field.

Just who will compose the two nines has not been determined yet, and it will not be until a week or so before the twentieth. Captain Plowden Stott for the professional element and Captain Foster for the commercial aggregation have this delicate little matter in charge and it will be fixed to the queen's taste.

JACK CULLISON WON BROWNLEE TROPHY

Dick Carlon, who came back with the Portland shooters who competed for the big trophies in the northwest sportsmen's tournament at Walla Walla this week, says the scores made at this year's meet were better than ever before.

The Portland team all shot well and Jack Cullison was better than any other shooter at the tournament in the contest for the Brownlee trophy, which he brought back with him.

While there was considerable rain during the shoot this did not mar the pleasant time spent by all the trapsmen. The Portland bunch is full of praise for the reception the hospitable Walla Wallans extended to the visitors.

Barkley Leads Senators.

(Special Dispatch to The Journal.)

Boise, Ida., May 22.—J. H. Barkley has been elected manager of the Boise baseball team, the Senators, to fill the vacancy caused by the resignation of D. R. Hubbard. The new manager promises "there will be something doing" in baseball circles in Boise this season.

"STRANGLER" TO MEET SCHOLTES

Portland Wrestler May Also Grapple With Dan Sullivan at Marshfield.

One week from tomorrow "Strangler" Smith will begin his wrestling tour of the state, the first bout being pulled off at Hillsboro with Frank Ely, a local wrestler of some note. The following day the "strangler" will go against a good local man at La Camas, Washington. Then he will jump down to Marshfield, provided a match can be arranged with Dan Sullivan, the Montana youngster, who represented America in the wrestling matches at Athens in 1906, and who has recently turned professional.

Several Marshfield sports who saw Dan in action last week think that the former amateur can take the measure of the Pacific coast championship, and are willing to back him in a match in the bay town. Smith is willing to take an ocean trip to meet Sully, and the match will probably be arranged.

Sullivan arrived in Portland yesterday from Marshfield in company with his brother, Gene, the lightweight boxer, who has also turned professional. Gene put the kibosh on Silent Brown, the deaf and dumb scrapper, in Marshfield the other day in 10 rounds, and after a few fights with the best men in the state will probably go south and meet some of the top notchers in California.

June 6 Strangler Smith will meet Bill Scholtes, The Dalles whirlwind, at Hood River, in a bout, best two out of three falls. On the previous meeting of the two men, Smith secured three out of the five falls, but it was only after a hard struggle. After the Scholtes match Smith will proceed eastward, taking on all the local champions in The Dalles, Heppner, Pendleton, La Grande and Baker City.

BURNS GETS $30,000 OR BIG FIGHT IS OFF

(United Press Leased Wire.)

San Francisco, May 22.—Tommy Burns, the American heavyweight champion, sends word over from London, that he will never fight Jack Johnson, the colored whirlwind, unless he is guaranteed $30,000, win, lose or draw.

Billy Neall, the American's manager, who is now visiting at his home in Oakland, received the letter containing the terms under which his man will meet Johnson. Burns also announced that he had been guaranteed $30,000 by Jack Curley, the Chicago fight promoter, to fight Johnson at Goldfield, but it is not thought in sporting circles that much will come from the offer.

At any rate, Burns instructed Neall to send the forfeit money to Otto Floto of Denver to bind the match in case Curley is in dead earnest. Burns writes that he will leave for America at once if the match is made.

BATTLING NELSON IS CRUISING ON SOUND

(United Press Leased Wire.)

San Francisco, May 22.—Battling Nelson evidently is in no hurry to get back to San Francisco and go into training for his 45 round battle with Joe Gans on July 4. According to advices from the north today he is cruising around Puget sound. Last night he was at Port Townsend, and is expected to put back to Seattle today, leaving for the south Saturday night or Sunday.

The forfeits have been deposited by the fighters and Promoter Coffroth, and Gans has already made his plans for the training spell. Gans will rough it for a couple of weeks at Harbin Springs, and then return to Shannon's villa in Marin county, where he will finish training.

Nelson may spend a week or 10 days tramping over the hills in Mendocino county before settling down in training quarters near the scene of the proposed fight.

BELIEVE KELLY WAS KILLED BY FOOTPAD

(United Press Leased Wire.)

San Francisco, May 22.—Whether James Kelly was beaten to death by holdup men, or died as the result of injuries sustained by falling, is a question that is puzzling the police department today. Lying in a pool of his own blood, Kelly was found at an early hour today at Washington and Kearney streets. The man was unconscious and barely alive. In the hope of saving his life he was taken to a hospital, where he died on the operating table. It was thought at first that death was caused by hemorrhage, but examination revealed a bruise on the head that was evidently the work of a blackjack. Detectives are trying to learn something about Kelly's movements Thursday night.

Idaho Convict Escapes.

(Special Dispatch to The Journal.)

Boise, Idaho, May 22.—Aldover Justin, a negro serving a term of 15 years in the penitentiary here, has just escaped and the officers are now scouring the country around Boise for him. Bloodhounds have been put out but they have found no trace of him. Justin was sentenced from Kootenai county for highway robbery. A reward of $50 has been offered for his capture.

MASTER COMMANDED WOMAN TO KILL HIM

(United Press Leased Wire.)

Nice, May 22.—The inquiry into the death of the wealthy banker, Raimbault, for whose alleged murder his housekeeper, Marie Gilles, is under arrest, has revealed the fact that the dead man's real name is Barre and that several years ago while managing a bank at Angers he embezzled a large sum of money and fled, but was captured and served five years in prison, taking the name Raimbault after his release.

The woman Gilles has told a remarkable story of the tragedy to fellow prisoners. She claimed that her master was taking a foot bath when he called her, saying, "You must kill me or I will kill myself." Then taking a knife from his pocket he stabbed himself. He fell from his chair and asked the woman to finish him, which she admits she did without hesitation. Frightened at the sight of the dead body, she conceived the idea of cutting it up.

Charged With Assault.

(Special Dispatch to The Journal.)

Astoria, Or., May 22.—A man giving the name of Mr. Clark was arrested last evening at Warrenton charged with assault on the four-year-old daughter of Ed Detwiler, proprietor of the Hotel McGuire at Seaside. The alleged assault took place three days ago. The child told her parents, whereupon Detwiler started to hunt Clark. He found him and administered a sound thrashing and told him to get out of town, which he did in short order. He left for Warrenton. He was taken to Seaside for his preliminary examination.
