## Powers' Great Sale of Dining Room Furniture

THERE'S A REASON for these big reductions—We have too many samples on our Dining Room Floor—Our warehouse is full of new spring patterns that we are unable to show. We must have room and will have it even at a great sacrifice—The list shown here is but a few of many patterns we have cut—The goods are not old and shop-worn, but late designs from the world's best factories—Call and be convinced
