ASTORIA TO HAVE COAST BATTERY

(Special Dispatch to The Journal.)

Astoria, Or., May 29.—At a meeting of young men interested in the organization of a company of the Oregon National Guard a committee was appointed to suggest nominations for officers and to secure quarters suitable for an armory. The state board will meet at Portland next Tuesday, when permission will probably be granted to form the company and the necessary equipment will be forthcoming. The company will be known as the First battery coast artillery and while its drills and equipment will be the same as the infantry companies, its annual encampments will be at one of the coast forts, where instructions will be given in handling the large guns.

FOR SALE.

There Is No Better Investment.

The stock, fixtures and good will of the well and favorably known dry goods store of McAllen & McDonnell, located 24 years on the corner of Third and Morrison streets, Portland. There is no question as to the general character of the stock. The business will be closed out at once to the highest bidder. Sealed bids will be received by N. D. Simon, attorney for the partnership estate, chamber of commerce, or Mr. McAllen at the store.

Can Travel on Any Vessel.

(United Press Leased Wire.)

Washington, May 28.—Over the protests of the members from California the house passed the bill which allows passengers from Hawaii to San Francisco to travel on foreign vessels as well as American ships. The bill is limited to six years, or expires before that time whenever an American line with three steamers is established between those points. Representative Kahn of California declared the bill was another blow directed at American shipping interests in the Pacific, which he said are being attacked consistently.

Voters Attention!

Do you believe in education? Do you want a state university? If so, vote "yes" No. 314 on the official ballot on election day. The passage of this bill will increase your taxes a little more than two cents if you pay on $1,000 worth of property. All progressive citizens should support the bill.
