VANCOUVER CREW LOSES STAR MEN

Hamber and Dillabough Out—Canadians Send Team to Portland.

(Special Dispatch to The Journal.)

Vancouver, B. C., June 2.—Vancouver will send a string of her best athletes to the big meet to be held at Portland next Saturday. Track and field sports are enjoying a great boom in British Columbia, and interest in sporting circles centers chiefly around these events.

It has not yet been definitely decided who will make the trip to Portland, but a team composed of three Y. M. C. A. men and the same number from the Vancouver Athletic club will go. Vancouver's crack miler, Elkins, will not be here for the meet, as he is running in the Olympic finals at Toronto. However, there are two members of the Vancouver Athletic club who will probably qualify for the Portland trip.

Hillier, of the Y. M. C. A., will be entered in the hurdles and 220-yard dash. Jack Gillies will represent Vancouver in the weight events. Gillies has been showing fine form with the 16-pound shot, and in competition on Saturday last heaved the shot 43 feet, 10 inches. Shearer, formerly of Stanford university, will start in the half-mile. He made the distance in two minutes flat in the meet here Saturday. But for the fact that Shearer is an American he would have been given a place on the Canadian team for the Olympic games. Ferguson and McConnell will enter the sprints, and judging by their recent performances will make their American cousins hustle from start to finish. Kipp will enter the jumps.

Senior Crew in Danger.

Vancouver's senior four-oared crew, which was picked by experts to win the championship of the Pacific coast this year, may be broken up, in which event Vancouver will not have a senior crew for the N. P. A. A. O. regatta at Seattle in July. Tammy Hamber, for many years a member of the famous Argonauts of Toronto, announced a few days ago that he would be unable to devote time to rowing and would therefore have to give way to someone else.

Following this Dillabough's physician declared that the oarsman would have to discontinue work on the water, as his heart was very weak. This leaves only Moore and Sawers in the boat, and nothing but juniors to fall back on. Hamber stroked the crew at Victoria 10 days ago, and Vancouver won by several lengths. Officials of the local club are making efforts to have Hamber turn out again, but it is understood that the club will have to get along without Dillabough.

Charlie Laing, the champion single sculler of the Pacific coast, is working hard and should retain the championship this season. He is showing better form than last season, and by devoting all of his time to the singles should be able to carry off honors again this season from Gloss of Portland.

Joe Grim, the "iron man" of Philadelphia, and George Paris, the colored heavyweight of this city, will meet in a 15-round contest at North Vancouver on Monday next.

New Westminster will send her star lacrosse team after the world's championship this season. A challenge has been forwarded to the Shamrocks of Montreal, holders of the Minto cup, emblematic of the world's championship, and a series of matches will be played in the east in July.

TRI-CITY TEAMS ARE CHANGED IN PER CENT

Games Saturday and Sunday Cause Commotion in Percentage Column.

Saturday and Sunday's games in the Tri-City league caused quite a commotion in the relative positions of the teams, some climbing up and others dropping down.

The Woodburn Bluebirds still lead with a comfortable margin. The west side Millmers tag along in second place, with the Salem Cherry-Pickers safely in third. Oregon City lost several points by dropping three out of the four games played in their series with Albina and St. Johns.

The east side Commuters, by defeating Salem twice, climbed from seventh place to fifth. St. Johns dropped down the ladder to sixth, and Vancouver to seventh. The Albina Tourists edged into the percentage column by defeating Oregon City. The percentage as compiled from official score sheets shows to date:

	G.	P.	W.	L.	P. C.
Woodburn	13	10	3		.769
West Portland	11	8	3		.727
Salem	14	8	6		.571
Oregon City	12	6	6		.500
East Portland	13	6	7		.461
St. Johns	13	6	7		.461
Vancouver	14	6	8		.429
Albina	14	2	12		.143

With the exception of the Albina-Woodburn game, the contests pulled off in the two days were fine, classy exhibitions, two of them running into 12 innings each before the winning run.

FLORAL HORSE PLACED ON PLUNGER'S GRAVE

(Special Dispatch to The Journal.)

Pittsburg, June 2.—One of the most unique floral designs ever made in this part of the state was placed on the mausoleum of George E. Smith, known during his life as "Pittsburg Phil" among the followers of the race tracks of the country, in Uniondale cemetery memorial day.

It was a floral horse, life size. It was ordered by Smith's brother of New York city.

It is estimated that more than 3,000 white carnations were used. The manufacturer of the wire frame for the horse states that it is the first order for anything of the kind he ever filled, and that the floral horse is a real novelty.

Racing Begins at Latonia.

Cincinnati, June 2.—What promises to be one of the most successful summer meetings in the history of the Latonia Jockey club opens this afternoon with the running of the famous Latonia Derby. The meeting will continue 41 days. Seldom before has there been such an abundance of high-class horses on hand, and the jockey talent is of the very best.

Bucklen's Arnica Salve Wins.

Tom Moore, of Rural Route 1, Cochran, Georgia, writes: "I had a bad sore come on the instep of my foot and could find nothing that would heal it until I applied Bucklen's Arnica Salve. Less than half of a 25 cent box won the day for me by affecting a perfect cure." Sold under guarantee at Skidmore Drug company's drug store.

PRINEVILLE MAN TO USE AUTO STAGE LINE

May Purchase Several White Steamers for Shaniko to Bend Route.

As a time-saver the motor car is becoming more useful every day. While the inauguration of an automobile service in place of the old stage line has occurred in various parts of California, Oregon is not to be denied and will fall in line soon with its auto stage as the most modern method of transportation.

J. H. Haner of Prineville, Oregon, is contemplating the purchase of several White steam cars to carry passengers over a distance of about 100 miles between Shaniko, Prineville and Bend. It is his idea to greatly reduce the present horse coach schedule. Haner intends to use the machines on the regular stage road via Prineville and not over the automobile grade that was put in there a couple of years ago.

An automobile stage line was last week put in operation in northern California and as a result the running time from San Francisco to Eureka has been reduced by 18 hours and an all-night ride is thus avoided. Seven straight-line body Whites were purchased for the service between Sherwood and Eleanor, spanning the 105-mile gap through the Redwood country on the line to Eureka.

The advantage of this new system is readily seen when by the old method of transportation using stages to traverse the 105 miles passengers started from San Francisco at 7:35 o'clock in the morning, rode night and day continuously between Sherwood and Eleanor and got into Eureka the forenoon of the third day instead of the afternoon of the second day. By the auto service they get a night's rest in transit and save something like 16 hours in actual travel.

TO WALK HALF WAY ROUND THE COUNTRY

J. A. Krohn, From Portland, Maine, to San Diego, via Portland, Oregon.

(Special Dispatch to The Journal.)

Portland, Me., June 1.—J. A. Krohn of Minnesota, noted for his feats as a pedestrian, started yesterday afternoon for a jaunt along the entire northern boundary and western coast of the United States, unassisted. He expects to do the trip, covering 9,000 miles, in 400 days. In his pocket he carries a letter from the mayor of Portland, Maine, to the mayor of Portland, Oregon, which will be delivered and a reply thereto brought back to Portland, Maine, by Krohn. His route lies along the wild Canadian boundary to the Great Lakes, thence up and along the Canadian boundary, to the Pacific, thence down to Portland and thence down the coast to Mexico. His wife will accompany him, but will travel mostly by rail.

WASHINGTON MEETS CALIFORNIA'S CREW

Crack Oarsmen in Big Race at Seattle This Afternoon.

Seattle, Wash, June 1.—This afternoon at 2 o'clock the pistol will sound that will start the crack eight-oar crew of the University of Washington and California on their three-mile race down the waters of Lake Washington.

Manager Rasmussen announced this morning that the race would start, rain or shine. Only rough water will prevent the race and the lake was as calm as a mirror this morning.

The crews are in excellent condition. Washington oarsmen have trained for five months and Coach Connibear declares they are in perfect condition and they will have no excuse if they are defeated.

Coach Garnett of California is also satisfied with the condition of his men with one exception, Harold Ashley, No. 5, has a sore hand. In case he cannot row, his oar will be taken by Randall.

The crews have a similar stroke. The Washington boys have a longer drive and the California crew hit a slighly speedier pace. The southern boys will probably hit up a 35-stroke clip.

The Washington oarsmen will row about 30 or 31. Neither Connibar nor Garnett care to predict a victory. Both say the result is in doubt and they expect a very close race.

ANGELS OPEN WITH BEAVER TEAM TODAY

Portland's Showing Indicates Change in Position for Dillonites.

Captain Dillon and the Los Angeles baseball team reached Portland this morning for the series with the Beavers starting at 3:30 o'clock this afternoon.

The Angels are leading the league just now but the way the Portland brigade has been doing up the other teams it is reasonable to believe the Berry bunch will return south no better than second.

Probably Bud Pernoll will open up for the Portland squad, since the Grants Pass youngster has always had the Angels on his staff. Upon their visit here three weeks ago Pernoll assisted in a walloping given them.

Dolly Gray will likely be on the firing line for the southerners, Dillon desiring to take as many games as possible so that he can cinch his place on top. If any of his pitching corps can beat the heavy hitting home guard, Gray is that man.

Polevaulter Gets Degree.

New Haven, Conn., June 2.—Among the students who will receive the degree of doctor of medicine from Yale medical school June 22 is Alfred Carlton Gilbert of Portland, Oregon.

ENTRIES READY FOR P. N. A. MEET

List of Crack Athletes for Saturday Games Nearly Complete.

By evening practically all the entries in the Pacific northwest championship games, which will be held on Multnomah field Saturday afternoon, will be with the games committee ready for printing. Seattle Athletic club's entries had not arrived this morning and the local schools will have theirs in by evening.

Multnomah club presents a formidable front with her star athletes and should win the meet if they come up to expectations. Practically the cream of Oregon Agricultural college and Whitman college is entered under the club colors. Henry McKinney, northwest champion in the shot, and George W. Hug, weight man, both former Oregon university athletes, will compete for the "winged M."

Following is the list of entries up to noon today:

Grammar school relay—Hawthorne, Flaherty, Everest, Resing, Ostrander; Mount Tabor, Howell, Feasey, Christensen, Oberteuffer; Vernon, Ennis, Purill, James, Crump; Portsmouth, Fernan, Graham, Griswold, Wescott, Earl Hill, Ernest Hill; Shattuck, Celistino, Nelson, Hunnell, McCoren; Ladd, Caterlin, Jackson, Hutcheson, Van Zandt; Highland, Donshoe, Beaver, Bateman, Baker; Stephens, Windnagle, Harsch, Elliot, King; Holman, Plebuck, Farge, Lawler, Noell; Holladay, Campion, Hastings, Zimmerman, Troy; Montavilla, Teed, Beckner, Right, Munzer; Clinton Kelly, Noys, Munley, Roberts, Grigsby.

SALEM HIGH SCHOOL IS WINNER OVER VARSITY

(Salem Bureau of The Journal.)

Salem, Or., June 2.—Salem High school added another victory to its long list of triumphs by defeating Willamette university in a snappy game on the varsity field here yesterday afternoon. The score was 3 to 1. Bellinger was in the box for Salem High and relieved for the first time this season Larry Keene who was saved for the game for the academic championship of the state to be decided with Corvallis Wednesday.

Bellinger pitched a good game for the high school and the support of the infield could not have been better. Salem's strength lies in her battery and infield which together will show any amateur aggregation in the state considerable speed. As the Oregon Agricultural college holds the inter-collegiate championship of the state and Salem the inter-scholastic the game Wednesday will decide which team is the strongest school team in Oregon.

Score by innings:

Salem High	0	0	2	0	0	0	1	0	0	—3
Willamette	0	0	1	0	0	0	0	0	0	—1

Batteries—Bellinger and Jones; Nace and Wesley.

BURNS' FIGHT TACTICS DISGRACE, SAYS JEFF

Los Angeles, June 2.—Concerning the treatment of Jack Johnson, the colored heavyweight pugilist, by Tommy Burns, the Canadian boxer, James J. Jeffries today expressed himself in forcible terms of disapproval.

"If Burns intends to fight the black man at all, he should do so now under terms that will not cause the sporting men of America to blush in shame for the man they now call champion," said Jeffries. "I consider Burns' demand for $30,000, win, lose or draw, to be absolutely ridiculous. The one-sided arrangement that he is trying to put through on Johnson is a disgrace to the sport."

This Date in the Annals of Sport.

1859—American mare Prioress won her majesty's plate at Epsom.

1879—At Worcester, Massachusetts: Richmond of the Worcester baseball club shut out the Chicagoes without a safe hit.

1882—At Danbury, Connecticut: The Danbury and Norwalk baseball clubs played a tie game of 17 innings, 7 to 7.

1890—At Chicago: Delehanty of the Cleveland club made six successive safe hits with a total of 10 bases, in a game with the Chicago club of the Players' league.

1891—At St. Paul: A total of 36 safe hits was made by the Minneapolis and St. Paul teams. Each club made four home runs, three of which were by Darling of the Minneapolis team.

1892—G. F. Stephenson rode a bicycle over roads from Toronto to Trenton, Ontario, about 105 miles, in 8 hours, 8 minutes.

1899—At New York: George Dixon defeated Joe Bernstein in 25 rounds.

1905—At San Francisco: Eddie Hanlon defeated "Young Corbett" in 20 rounds.

Lafayette Routs Battery.

(Special Dispatch to The Journal.)

Lafayette, Or., June 2.—Lafayette defeated battery A of Portland Sunday by the score of 15 to 1. Kendall of the battery was pounded all over the lot, while Hembree pitched a steady game, striking out 11 men. The same teams played Sunday morning, Nelson shutting the battery out, 9 to 0. King was the star in both games.

Hopewell and the battery played in the afternoon. Henderson was on the mound for the battery, and Woods for Hopewell. Stevens' unassisted double was a feature. Hopewell won, 12 to 6.

Athletes Are Honored.

Lafayette, Or., June 2.—The students and rooters of the high school gave their victorious athletes an enthusiastic reception when they arrived home from Corvallis Sunday. They met them at the depot with a band and took them about town in a carriage gaily decorated with the school colors. Dorris, the distance man, won third place in the mile and in the quarter, Henry won second in the pole-vault, clearing the bar at 9 feet 11 inches. The latter is from Lafayette, instead of Lakeview as reported in the papers.

SHOW HANDSOMEST WOMAN ON CLOUDS

Vesuvius Fireworks' Artist Preparing Surprise for Tonight's Show.

The second exhibition of Pain's grand carnival of Naples and eruption of Vesuvius production was given last night at Twentieth and Washington streets before an audience almost double the large one of Saturday night. At the conclusion of the great scene a pyrotechnic display surpassing in splendor any similar exhibition ever witnessed in this city held the crowd almost spellbound.

During the carnival the large audience was treated to an excellent specialty bill by a host of tumblers, acrobats, bar performers, jugglers and Jean Weitzman, the world's greatest high wire walker, who arrived yesterday direct from New York and whose daring acts were received with unstinted applause.

Tonight is Ladies' and children's Night with another big fireworks program, including several new devices and a gigantic fire portrait of Portland's most handsome woman, as to whose identity there is much interest.

The many aspirants for this honor and the admiring friends of each are expected out in force tonight, and the capacity of the enormous grandstand is again being increased. It has been suggested that Pain's fireworks artist put on a portrait of the homeliest man in Portland, eliminating all contemporary editors from the contest. This suggestion has not been agreed to as yet. The fireworks force is preparing a likeness of Admiral Swinburne and a large likeness of the Charleston for Naval Night at "Vesuvius."

Officers, marines and sailors of the war fleet have been invited as guests of honor and will have a section of seats held for them, and some special stage features will be incorporated in the program that precedes the eruption of volcano and fireworks.

Waldport, in Lincoln county, is a small town, but is prosperous and progressive. It has better sidewalks than some towns of 10,000, has a fine new schoolhouse and lately raised $1,000 for band instruments.

LONG JOURNEY TO WED ENSIGN

Prominent Baltimore Debutante Goes to Hong Kong to Marry Her Choice.

(United Press Leased Wire.)

Baltimore, Md., June 2.—According to news received in this city today Miss Nellie Matthews, daughter of Nicholas M. Matthews, a prominent Baltimorean, will be married in Hong Kong, China, after a journey of 15,000 miles. The bridegroom is to be Ensign Reed M. Fawell of Lincoln, Nebraska, commanding the United States gunboat Samar, stationed at Hongkong.

Fawell was a member of the class of 1905 at the Annapolis naval academy and met his bride-to-be at a dance there several years ago. After he left the school he was ordered to the Philippines, and it was thought that he would return in two years. The wedding was first announced for Easter, 1906.

MARRIAGES DEPLETE KAISER'S PALACE STOCK

Potsdam, June 1.—Villa Liegnitz, near Sans Souci, is being prepared for the kaiser's fourth son, Prince Augustus, and his bride-to-be, Princess Alexandra Victoria of Schleswig, a sister of the young Duchess of Saxe-Coburg. The couple will be married on October 23, the kaiserin's birthday, and after spending their honeymoon in the old historical stadtschloss will go to their new home.

The villa is not large, and Augustus' married brother, Eitel Frederick, soon found it too small for his wants. However, Augustus will be obliged to make it do for many years to come, as his father's stock of palaces in and about Berlin is running very low owing to his many married boys.

A Question of Cost.

From Harper's Magazine.

Two little sisters of seven and nine, who were taken to see "Othello," were much impressed by the death scene. "I wonder whether they kill a lady every night," said Lucy.

"Why, of course not, Lucy," said her sister; "they just pretend to. It would be altogether too expensive to really kill a lady every night!"

ASAMA VOLCANO PEALING AGAIN

Similar Conditions Prior to Former Disaster, With Heavier Noises.

(United Press Leased Wire.)

Tokio, June 2.—Great consternation has been caused by the increased underground pealing of the Asama volcano, which has been acting badly for some time.

The subterranean noises were much heavier last night, and the conditions are said to be almost similar to those preceding the disaster in the Temmeiera.

An Epic.

'Tis each man to his liking,
But oh, the place for me
Is mashed potato mountain
Beside the gravy sea.

BURNS OVER BLOCK

FIRE IN SAN FRANCISCO DOES $200,000 DAMAGE.

From the Oregonian, May 5.

San Francisco, May 4.—Property and merchandise to the value of $200,000 was destroyed tonight by a fire which started at 10 o'clock from a chimney in the kitchen of the Mentone restaurant on Geary street, and destroyed nearly all of the one-story wooden buildings in the block bounded by Market and Geary and Kearney and Grant avenue.

During the progress of the fire an employe of the Union Transfer company, whose identity is yet in doubt, attempted to enter the establishment, which faced on Grant avenue, and was overcome by the smoke. He was taken to the hospital, and is in a serious condition.

The buildings, which were erected for the most part on the Blythe estate property after the big fire in 1906, were of small value. The loss will fall heaviest on those who had the stocks in these temporary structures. At 12 o'clock the fire was under control.
