

ATHLETES HERE FOR TRACK MEET

Crack Performers Arriving All Day—Multnomah Field Ready.

Athletes entered in the Pacific Northwest championship games on Multnomah field tomorrow are reaching the city today. This morning the Olympic squad, composed of Fred Lanagan, Andy Glarner and Pete Gerhardt reached the Rose City and Munn and Rose are expected here tonight, both being delayed.

Speculators are directed to enter the big grandstand from the rear, ingress being on the Twentieth street side. Tickets will be sold here instead of at the old place on Chapman street. Ushers will be provided to seat the spectators and there will be clean, comfortable seats for everybody. The courses can be seen from every position in the grandstand. The track is in good condition for the meet.

FOREST GROVE COLTS TO ENTER TRI-CITY

(Special Dispatch to The Journal.) Forest Grove, Or., June 5.—Action was taken yesterday whereby the Forest Grove Colts will take the place of the Oregon City baseball team in the Tri-City league, now comprising East and West Portland, St. Johns, Vancouver, Woodburn, Salem and Forest Grove. Baseball was not a paying proposition at Oregon City, and Manager Wirtz has bought out the team's right in the league. He is very optimistic as to league ball here, and his optimism is justified from the capital patronage of fans this year. Enthusiasts have been coming to games from all over the county and indications are that it will be kept up.

The local diamond is one of the best in the league and affords the speediest kind of ball. It is located at the west boundary of the city.

Willie Schults is captain of the Colts and the team has a fine personnel.

CATCHER GETTER HAS NOT HAD HIS SPURT

Since Frank Bues of Spokane held down the backstop. His receiving is faultless. He is also a good hitter and is a terror to runners trying to steal second.

Alexander has been pitching. The infield is composed of: Van Blarcombe, first; B. Schults, second; Henderson, third; Koppie, short.

Nothing ever drops out in the field. Casper Willie Schults, "Easy" Moore and Bill Boose, left, center and right fielders, respectively, are fleet on foot, sure gunners and have fine whips to the infield and home.

BALL GAME FOR AID OF FLOWER MISSION

The annual ball game for the benefit of the Flower Mission society will take place Saturday afternoon, June 20, on Multnomah field. The contesting sides will be composed of lawyers and doctors on one team and another made up of bankers. The ladies of the Flower Mission society are anxious to repeat the splendid success of last year's game, when \$1,318 was realized from the sale of tickets, a sum sufficient to meet the requirements of the society for an entire year.

One of the principal charities of this society is the maintaining of an institution for taking care of children of working mothers during the day. This institution was recently moved from the old quarters at Fifth and Burnside streets and now occupies a large airy house at Ninth and Burnside, where from 13 to 18 small children are left every day by mothers who are compelled to go out and work. It costs about \$119 a month to maintain this mission and the lady managers rely almost entirely upon the proceeds of the annual ball game for its maintenance.

JOE GANS STARTS FOR COAST

(United Press Leased Wire.) San Francisco, June 5.—Joe Gans and Battling Nelson will soon be in training in San Francisco for their 45 round fight at Colma on the afternoon of July 4. The colored fighter left Milwaukee today. He wired ahead instructing his trainer to be in readiness to start work on Tuesday morning. Nelson is expected here about the same time from Portland.

Wish I had money enough to start a stage coach like young Vanderbilt's. I'd not be so foolish as to do it.

BOAT RACES NOT TO BE HELD TOMORROW

There will be no boat races on the Willamette river tomorrow morning.

Owing to the inability of a majority of the oarsmen to be absent from employment tomorrow morning the tryouts which were to have been part of the Rose Festival show have been postponed until later in the month.

This action was resolved upon last night, after Captain Micklen had made a personal canvass of the oarsmen. The club is sorry to disappoint the festival visitors, but the postponement is unavoidable.

PORTLAND ATHLETE TAKES SIX FIRSTS

(Special Dispatch to The Journal.) Pacific University, Forest Grove, Or., June 5.—C. Franklin Koch of Portland distinguished himself in the "Igorrote" track meet held on the local field last night by winning six first places. This is an annual event in Portland university, and the entries are restricted to the athletes who have not as yet won their official "P" on the track. The meet was held between the hours of 10 and 11 p. m. and was witnessed by a large crowd of masculine spectators. The competition in each event was keen, which makes the work of Koch the more extraordinary from the fact that he succeeded in taking one half of the first places.

Koch, though as yet a new man on the track with undeveloped abilities, gives promise of ultimately becoming one of the best all round athletes in the state. This is the first year he has ever trained for track work, but considering his inexperience he has made phenomenal progress, finishing the half and the mile races close behind the veteran runner Robinson, Jr.

Koch is also very popular with the athletes, being treasurer of the Y. M. C. A. manager of the tennis club and secretary of the Gamma Sigma Literary society.

Worry is a poor thing to take home, but when it is it is a bad thing to meet it with the same thing.

SIGNORINETTA WINS FAMOUS OAK STAKES

Richard Croker's Crack Rhodora Stumbles While Several Lengths in Lead.

London, June 5.—Signorinetta, the Italian filly which suddenly sprang into fame by winning the English derby at 100 to 1, today added another notable victory to her record by capturing the Oak stakes by three-fourths of a length. King Edward congratulated the owner on the remarkable showing made by his colt.

Richard Croker's entry, Rhodora, had the race already won and was leading the field by several lengths at the stretch when she stumbled and fell. The other eleven horses courted to one side and avoided a massed. Courtney was second and Santeve third.

LID LAW VIOLATOR IS FOUND GUILTY

(United Press Leased Wire.) Bellingham, Wash., June 5.—"Doc" Meigister, the first Sunday lid law violator to be brought before the superior court, was last night found guilty as charged, by a jury in Judge Neterer's department. The case attracted considerable interest among the saloonmen of the city. The victory is a decided encouragement for the state and shows that the sentiment of some of the people at least is in favor of the movement to close the saloons on Sunday.

Fred Bartlett of South Manchester, New Hampshire, were appointed missionaries at Grants Pass, Oregon. Rev. A. H. Wing of Walton, New York, missionary at Portland, Oregon, received the bachelor of divinity degree.
