

U. OF O. FRIENDS JOIN IN TRIUMPH

Thousands of Students and Townspeople Celebrate on Kincaid Field.

(Special Dispatch to The Journal.)
 University of Oregon, Eugene, June 5.—The failure of the referendum to carry was celebrated here Wednesday night by one of the greatest rallies in the history of the University of Oregon. Fully 2,000 students and townspeople were gathered on Kincaid field and enthusiastically sang the university song.

Before the rally about 200 university boys gathered at the dormitory and with yells and songs marched through the town, headed by two automobiles carrying President Campbell and others. On Williamette street they were joined by the Eugene band and, after giving some college yells and firing a lot of firecrackers and torpedoes, presented by Eugene merchants, they marched to Kincaid field.

After the boys had entered the gates, the "co-eds" in a body marched from the university to the field, each bearing a Japanese lantern, and took their stations in seats reserved for them in the grandstand.

Grand Illumination.
 The boys then formed a line around one end of the track, lighting Roman candles, skyrocketing and whirling fire sticks. Red and blue fire were also set off in the center and the entire field presented a scene of great brilliance and beauty.

The great bonfire which had been prepared by the freshmen was then lighted and a deluge of sparks shot into the air they made all the surroundings as bright as day.

Speeches of Leaders.
 President Campbell was called upon by the cheering crowd and he spoke of the hard fight and what the victory meant to the university. His speech was received with great applause and as he mentioned the names of those most prominent in the fight against the referendum each name was cheered.

S. H. Friendly, dean of the regents, followed with a glowing tribute to the people of Oregon who had stood by the university. Addresses were also made by Representative Allen Eaton, Professor G. W. H. Wood, Alderman, Mayor Matlock and Fred Steiner.

The evening closed with college yells. In future June first will be made a holiday and a celebration similar to that of last night will be held each year to commemorate the turning point in the career of the university.

EUGENE ROSES FOR PORTLAND VOTES

(Special Dispatch to The Journal.)
 Eugene, Or., June 5.—Eugene people have responded heartily to the appeal from Portland for more roses for the festival being held there. President Williams of the Commercial club addressed the following, Wednesday, to the people of the city through the local papers:

"Portland has come nobly to the rescue of the state of Oregon, as well as Eugene, in her support of the University of Oregon appropriation bill. And Portland has asked Eugene to send her flowers to help make the Rose Festival a success. In recognition of her noble work, the Commercial club of this city requests every lady here who has roses to cut them and bring them to the Commercial club, where a committee of the ladies' auxiliary of the club will properly pack them for shipment to Portland. Let Eugene show by her generous shipment of roses that we appreciate Portland's help."

LANE IS ALMOST SOLID FOR U. OF O.

(Special Dispatch to The Journal.)
 Eugene, Or., June 5.—The university appropriation bill carried in Lane county by approximately 1,700 votes. A surprising thing is that a number of the county precincts in this county, the home of the university, gave a majority against the appropriation. The Eugene precincts, however, went almost solid for the bill, not 50 votes out of nearly 1,700 being cast against it.

Idaho Surveyors at Boise.
 (Special Dispatch to The Journal.)
 Boise, Idaho, June 5.—The meeting of the deputy mineral surveyors of Idaho, decided upon by Surveyor-General Uter, which it was expected would be held at Wallace, on the urgent request of some of the deputies, will be held in Boise, as originally planned, and the meeting will be on July 1 and 2. Surveyor-General Uter has issued a very interesting program.

No Phony Japs at Aberdeen.
 (Special Dispatch to The Journal.)
 Aberdeen, Wash., June 5.—The sensational reports that have been sent out that Chinese disguised as Japs have settled here have been denied by Chief of Police Birmingham. He says the police are keeping strict watch to prevent any Chinese from getting a foothold here and that one that was employed as a cook was ordered out of town and that he went.

Building Permits.
 Willamette Iron & Steel Works, erect water tower, front between Seventh and Ninth, \$4,000; F. H. Halston, erect dwelling, East Madison between East Thirty-ninth and East Fortieth, \$1,500; R. E. Black, erect dwelling, East Caruthers between East Thirty-fourth and Marguerite, \$1,500.

CASTLEROCK SECURES STRONG SCHOOL MAN

Professor George N. Campbell of Oakesdale Elected Superintendent.

(Special Dispatch to The Journal.)
 Castlerock, Wash., June 5.—George N. Campbell of Delevan, Wisconsin, has been elected city superintendent of the public schools of this place for the coming year.

Mr. Campbell's education was received entirely in the schools of Wisconsin. He is a graduate of the state graded school of Walworth, the High school at Prairie du Sac and the state

Prof. George N. Campbell, Superintendent-Elect of Schools at Castlerock, Washington.

normal school at Whitewater, and has taken special courses in science and mathematics at the Wisconsin state university.

During his senior year at Whitewater normal he filled the position of city superintendent of schools at Mineral Point for four months during an illness of the regular superintendent. He was principal of the state grade school at Delevan for three years and of the Waterford High school for two years. Last year he came to Washington and during the past school year has held the position of principal of the High school at Oakesdale, in Whitman county.

Mr. Campbell is rated as an exceptionally capable and successful instructor and superintendent and it is expected that Castlerock public schools will have an unusually prosperous year under his management. He is strongly in favor of athletics for both girls and boys and accords debating and lit-

erary society work a prominent place in the high school work. The debating team of the Oakesdale High school of which he is principal was the champion team of Whitman county this year.

Superintendent Campbell is already planning his next year's work and expects to be here for some time this summer to complete his plans and get acquainted. In addition to his duties as city superintendent he will probably have charge of the science and at least a part of the mathematics classes of the High school.

Grants Pass Will Pave.
 Grants Pass, Or., May 5.—The special election held here Tuesday on the question of bonding the city for \$80,000 for street paving resulted in favor of the bond issue. The council will award the contract at once. Bituminous pavement will be put down. The entire expense will be met by the abutting property owners. The council expects to have the work under way within the next six weeks.
