

SIWASHES LOSE SCALP IN NINTH

Rush's Light Goes Out and a Heartbreaking Lead Is Overcome.

(Special Dispatch to The Journal.)
Spokane, Wash., June 6.—It has been a long time since a more exciting game has been seen here than today's game between Quinn's Indians and Dugdale's Siwash. Five thousand crazy fans saw a most thrilling victory for Spokane in the ninth. Wright and Roosevelt pitched great ball for Spokane, while Allen and Coy for the Siwash made such a failure that Rush was put in in the last without time to warm up. As a result the Indians got three runs off four hits, winning the game amid tremendous yelling. Stanley made a pretty double play to Lussy for three outs. The score by innings:

Pittsburg sports, sports in Pittsburg, who bet their carfare on the ball games are nearly miserable these days. The Pirates win a game now and then and everybody goes broke.

Model G. 25 H. P. \$2000

Winner 50-mile road race, June 4, in the remarkable time of 1 hour, 13 minutes and 20 seconds, averaging 47.8 miles per hour; 18 minutes, 35 seconds slowest lap; 18 minutes, 5 seconds fastest lap—pretty consistent running. This car was a regular stock car in every way, with the exception that extra provision was made for lubricating oil; body was on and no gears were changed, all that's being said to the contrary notwithstanding. I was laughed at for putting the little Cadillac in against all the supposed seventy-mile-an-hour cars, but those who laughed did not know the Cadillac as I did, nor as they do now. It was simply a case of show them.
