PORTLAND TAKES KINDLY TO GRAY

Angel Slabster Biffed Hard and Teams Break Even on Series.

"Good bye, Dolly," played the minstrel man; it was the big seraph's death dirge. We won't join you after seeing her team. And did it with a mighty aplomb. Oh, ain't we great? —McCredie's Murmurings.

What a great fall there was for Dolly Gray; Dolly, the idol of Los Angeles and the apple of classic Boston's eye. Maybe it was the tuneful melody of a Dockstader trumpet with its bar from the famous song that overcame Dolly. But we believe it was the warm, bright sun that opened the Beavers' eyes wider than they have been before this year and caused the slaughter of the innocent from the south.

These Beavers hit them in triplets, doubles and singles; they hit them to all corners of the lot and when they didn't hit them they got to first any way. Gray was a hero as Danzig walked eight men during the matinee, and some of these finally registered.

Portland wasted no time in the run-ning. Casey was out of the game, and Ryan, first up, was an easy out. Tom Rafferty nonchalantly stepped to the plate and picked off one which he drove into center field for a clean three-egger. Babe Danzig followed with a nice single that scored Tom, and then Gray soared skyward. He passed Bassey and Johnson and after retiring McCredie, who filed to Hogan, soaked Cooney on the plate with a pitched ball. Danzig was forced in. Madden was an easy out.

Los Angeles evened up in the fourth and fifth innings. In the fourth after Hilton went out, Johnson and Danzig, Brashear singled and took third when McCredie erred by allowing the sphere to get away from him. Kelly scored on a squeeze play, Jud Smith on a fly at first.

Delmas started off in the fifth with a single, was sacrificed to by Hogan, took third on Gray's out and scored on Oakes' single. Oakes stole second but did not when Cooney threw Wheeler out at first.

With matters in this state in the sixth, Garrett got a free pass in trying to get John to second. Ryan was out for bunting the third strike foul. Rafferty was also passed and all hands were moved up. Danzig's single, bigger Marquis Bassey's succeeding two-egger cleaned the bags and the little Red scored on Danzig's single.

The last brace of Bassey's came in the eighth. Danzig was safe on a second on a sacrifice and scored on Oakes' Johnson's two-bagger. Ote came home on McCredie's single.

The teams break even on the series. The score:

PORTLAND ROWING CLUB TO HAVE BIG FIR TREE FOR FLAG POLE

The Portland Rowing club, which has just opened its new home on the east side of the river, is to have one of the highest natural flag poles in the country. Directly in front of the clubhouse a commanding fir tree has been trimmed of its branches and this week an extension is to be added, from the top of which will float the American flag. With the extension the flag pole will be considerably more than 100 feet in

height. The tree or pole stands directly in front of the clubhouse and within a few feet of the river bank. The natural flag pole will not have to be braced, as the roots of the tree, which is still growing, will hold the staff in place. Directly back of the flag pole for the American flag the pennant of the rowing club will fly on a staff on the top of the building. On smaller poles along the upper porch the colors of the club will be placed.

Only three pigeons were liberated in Cault, California, Saturday morning by members of the Portland Homing Pigeon club, and but one had arrived home at 6 o'clock last night. Threatening weather was the cause of the light Friday entry, although both Saturday and Sunday proved good days for flying.

J. B. Limerick liberated two birds, one of which got in last night, and E. H. Bauer sent one away. The winning pigeon is 14 months old. Last year the birds required four days to cover the 500 miles, and the record this year is considered a very good one.

VAN ARNAM IS BEST SHOOTER

Interesting Contest Develops in Several Gun Club Events Sunday.

Van Arnarn won the honors at the Rose City Gun club's weekly shoot yesterday at Watson's station, near Lenta, by breaking 23 out of a possible 25 birds at unknown traps and angles. Wagner and Ramsey tied for second place which was won by Ramsey in the shoot-off.

The club is growing fast and several new members were added last week. Fred Wagner, 433 Stark street, is the secretary of the organization, which is entirely local, and those desiring to become members may apply to him.

The scores Sunday were as follows: Van Arnarn 23, Wagner 21, Ramsey 21, Thompson 20, Keith 19, Graff 18, Sampson 16, Carnes 15, Conley 14.

MAINLINE TO GET NEW PHONES

New Company Will Reconstruct, Simplify and Modernize System.

(Special Dispatch to The Journal.)
McMinnville, Or., June 8.—The McMinnville Local and Long Distance Telephone company was incorporated here Saturday with a capital stock of \$20,000, in shares of \$25 each by a number of prominent citizens, with the following officers: Dr. Leroy Lewis, president; O. O. Hodson, vice-president; W. T. Macy, secretary; John Wortman, treasurer. Other directors are: W. T. Vinton, J. B. Mardis, Ivan Daniels, W. S. Hpuok and A. Zeig.

The object of the company is to take over the mutual lines of this city and contracts have been made with the De Varney-Waggoner company, engineers and representatives of the Home Telephone company of Portland, to install the latest model central-energy system in place of mutual phones of city subscribers.

The business lines will have but one phone on each line so that subscribers on these lines will hear but one bell. Residence lines have two phones on each line of the circuit and subscribers will hear but one other bell than their own. Cables will be installed on the principal streets and the unsightly network of wires reduced to the minimum. Painted poles may also be one of the improvements. With all of these up-to-date improvements the city now boasts of being in the lead of all cities of its class.

Notes With Farmers' Lines.
Mutual rates with all farmers' lines will be continued on the present basis and with greatly improved facilities for handling such business, with long distance privileges added. The Portland line will go to Newberg and work on this line will begin at once and be pushed to completion without delay. With this long distance service, with Portland and all other towns of the state all mutual lines, both here and along the Portland
