One of the prettiest of bridal entertainments was a dinner given last night at the Portland hotel by Leo Hahn. It was given in compliment to two brides-elect, Miss Grace Bryham Nicholson and her fiancé, Laurence Herbert Holman, and Miss Helen Katherine Brigham and her fiancé, Norris B. Gregg. Dinner was laid in one of the private drawing rooms, and the whole room was fragrant with Carolina Tea-tout roses. The table was surmounted with a high centerpiece of the roses, leading into lower vases of pink sweet-peas. At each place was a miniature bridal slipper, filled with bonbons. Miss Bryham sang for the company. The evening was spent in the grill and late in the evening the guests were taken home in automobiles. Mr. Hahn's guests were besides the honor guests, Miss Mabel Howe, Miss Maud Howell, Miss Irene Higgins, Raymond Holman and Gilbert Durham.

The Holman-Nicholson wedding tomorrow evening will, by the way, be one of the most attractive happenings of the week. The ceremony will be pronounced at St. Stephen's chapel with Miss Mabel Howe and Raymond Holman as attendants. The ushers will be Martin Schacht, David Jordan, Lester Hodson and Floyd Cook. Immediately following the ceremony, Mrs. Holman will give an elaborate reception at her pretty home, 787 Overton street, for which many cards have been sent out. The bridal party will go to British Columbia on a trip and later will return to Portland for a short visit with Mrs. Holman before going to St. Helena, where they will make their home.

### COMMON SENSE VS. STRONG DRUGS

Simple Oil of Wintergreen Cures Eczema and Drives Out Old Fog Treatment.

If you were to hack your finger or scald your arm, you would apply some healing remedy as soon as possible, wouldn't you?

That would be good common sense and it would bring the quickest relief. You surely would never think of drinking medicine or doctoring the blood to cure a surface affliction.

It's just the same principle with diseases of the skin. Eczema, psoriasis, salt rheum and barber's itch can be cured and cured easily if you strike right at the trouble as you do with a cut or burn.

The cause of itching, burning skin diseases according to modern science, is a germ which feeds upon the weaker parts of the skin. To kill these skin bacilli which produce the itching sores and ugly red blotches, use the famous prescription of oil of wintergreen, glycerine and thymol, commonly known as D. D. D. Prescription. This mild liquid was advocated by a prominent skin specialist, Dr. Dennis of Chicago, long before it was adopted generally. This liquid is called D. D. D. Prescription. It is a positive specific for all skin diseases.

Don't dose the stomach. Cure the skin through the skin. We know D. D. D. and enough for it. Call at our store and let us explain. Booklet on skin diseases free. Skidmore Drug Co.

## ANSWER CALL OF GOOD TIMES

Easterners Will Come West in Numbers This Year, Says F. D. Gibbs.

Frank D. Gibbs of Tull & Gibbs, and his family returned to Portland yesterday morning after a two months' visit to various sections of the eastern states. They were detained four days in Montana by reason of the heavy floods and damaged roadbeds in that state, but finally managed to reach Spokane after a circuitous trip covering pretty nearly all of Montana.

Mr. Gibbs reports having seen indications all over the east of returning prosperity, which he ascribes in a large measure to the practical certainty of Secretary Taft's nomination and election to the presidency. "Everywhere, I found the people interested in Portland and Oregon, and in the North Pacific generally. There is every indication that a heavy immigration to Oregon will set in this fall. The west is undoubtedly in much better financial condition than the east, a fact which has impressed the eastern people, and which will have a great influence in bringing large numbers of immigrants to this and adjoining states in the next year or two."

While in New York I attended the press banquet and heard W. J. Bryan and Rabbi Stephen S. Wise, formerly of Portland, speak.

## CONSCIENTIOUS DRUGGIST

About a year ago E. A. Sodergren, a druggist, wrote us from Callaway, Nebraska, that he had a serious case of kidney disease and that his physician did not offer him much encouragement. He desired to put Fulton's Renal Compound in stock for his own case and if he got results he would sell it to others. He wrote several times for advice, showing a very obstinate case. He now writes: "It is now ten months since I began using the compound, and although my case has been very obstinate, it seems to have finally yielded to the treatment. I have no doubt results would have been obtained, sooner had I not kept at work."

(Due to the results obtained in this case our agencies were promptly accepted in Callaway and the adjoining town.)

Simply another case of kidney trouble in which the inflamed kidneys refused to respond to the futile old-time kidney excitants and that after all else had failed, yielded to Fulton's Renal Compound, the first and only emollient for inflamed kidneys. Inflammation of the kidneys, even in its advanced forms, is now curable. Send for literature.

## PIONEERS WILL ENJOY PICNIC AT THE OAKS

Members of the Association Will Be Admitted Friday on Badges.

Pioneers of Oregon will go back to the days of boyhood and girlhood on Friday next when the members of the Oregon Pioneers' Association will have a big basket picnic and old-fashioned out-of-door reunion at the Oaks.

These aged builders of Oregon have perhaps made merry at many picnics, but in the old days their jollifications were held in the primeval woods far from any of the innovations of civilization. It is probable that their picnic Friday therefore will be an epoch in the lives of many of the visitors, surrounded as they will be by so many of the modern frivolous amusement devices of modern times and places.

Arrangements have been made by Secretary George H. Himes by which all

pioneers attending the annual convention will be admitted to the Oaks on their badges. The cars will start at 11 o'clock Friday morning for a basket lunch at noon. It is expected that all the pioneers living in Portland, and those who are assisting the association in taking care of the out of town visitors, will take basket lunches to the resort with them. At noon these lunches will be spread under the trees just as in the old days when the little picnic was the chief source of relaxation and amusement.

## "SMOKING SERVICE" HELD BY MINISTER

(United Press Leased Wire.)  
East Orange, N. J., June 9.—A "smoking service" on the lawn of the Hyde Park Reformed church Sunday night, at which Governor Fort was the principal speaker, was the topic of much talk among the women members of the church today. They declare that Rev. F. B. Pulliam, pastor of the church, is seeking sensationalism.

Pulliam stoutly defends his attitude. He says that men would smoke in church if they were allowed to, and he

sees no reason why they should not be allowed to do so at outdoor services. "Religion and common sense can go hand in hand," he declared today.

## Money-Making Ways of Using Want Ads

To Buy or Sell Books

Books are the "cobble stones" that pave scores of paths for men and women—to success. There is little excuse for anybody not owning the books best loved. If new ones cannot be afforded, there are many people who want to sell or who have second-hand books. As a goodly number of the people of this city read this paper, a little Want ad inserted under the heading "Books," or "Book Bargains," is sure to be seen and you have the best of a chance to Buy or Sell. And while the little Want Ad, or Notice, costs but a few cents, you save from one-fourth to a half, or better, on real bargains in Books if you Buy, and get ready money quick if you Sell. Keep in mind our Classified columns for the buying or selling of Books.

**EXAMPLES**  
WANTED TO BUY—AN UP-TO-DATE set of edition of Americanized Britannica Encyclopedia. Must be in good condition and cheap. One half in cash, but want to pay balance in two or three payments. Address, H-J-78, Journal.  
FOR SALE—"WORLD'S BEST LITERATURE," 60 volumes. Never been read. Must have money at once. Will sell for one fourth original cost. Inspection invited. In answering state when you will call. Address, F-D-24, Journal.

**JOURNAL CLASSIFIED RATES** One cent a word an insertion. Seven consecutive insertions for the price of six.  
**One Line** 1 month, \$0.10; 3 months, \$0.25; 6 months, \$0.40; 12 months, \$0.75 per line per month.

The Want Ad page of this paper is as versatile as any genius—in what it can and DOES do for all classes of people. The reason why we are not running MORE Want Ads, is that ALL our readers have not learned the VALUE of these little business getters, and want satisfiers. Just to turn each day to this department and READ the wants is an education in itself—and while you are doing it, DOZENS of chances crop out that you are LOOKING for. Get "next" TODAY.
