Grand Chapter Officers Are Installed With Due Ceremony Today.

The annual meeting of the grand chapter, Order of the Eastern Star, came to a close at noon today with the ceremony of installing the grand officers, who were elected at the Thursday afternoon session.

Harriman and his railroad companies are to be forced to take hands off the available passes through the mountains of Oregon, now held but unused, if the efforts of the people living in the railroad-neglected sections of the state can be of any avail.

Patrolman Nelson on the Stand Identifies Walton as the Masked Highwayman Who Tried to Hold Up Streetcar.

Patrolman Claus Nelson on the stand in Judge Cleland's department of the circuit court this morning related the story of his shooting by Charles W. Walton on a Willamette heights car on the night of September 1, 1924.

Defective Snow, Day, Resing and Carpenter again appeared at the police station this morning and tendered their services to the city, but were not assigned to duty by Chief Gritzmacher.

WILL TIE UP
LUMBER TRADE
STEAM SCHOONER OWNERS' ASSOCIATION DECIDES TO CUT EMPLOYEES' WAGES.

San Francisco, June 13.—Because they say the price of lumber will not warrant the running of the vessels, the steam schooner owners' association, it is said today, will tie up the lumber trade in this and other coast ports by announcing a general reduction in wages to all classes of laborers from season to season.

On the east side there is trepidation. The "Black Hand" has appeared. Dogs, cats, domesticated birds, in fact all family pets are apparently the object of a relentless, mysterious vendetta, which is now afflicting domestic tranquility.
