## Powers' Dignified Credit System

No other store in Portland has a plan like ours. The great Easy Way to Pay System, of which we are the originators, is entirely different from the ordinary credit which you get at other stores. It's a more dignified plan, and the most refined people take advantage of it. Just a little down and the balance on your own terms. When you've tried our plan you'll join the great chorus—**IT'S EASY TO PAY THE POWERS' WAY.**

## JEWEL STEEL RANGE

### The Fuel Saver

The Jewel Steel Range is most attractive in design and ornamentation, compactly built, and operated entirely from the front. Body is made of heavy, blue planished steel, which will not chip, peel, rust or turn white when heated. Rivets are cone-headed, driven cold, by hand. The walls are lined with asbestos to prevent radiation of heat into the kitchen, and to economize fuel.

Terms, \$1 Week

## JEWEL STEEL RANGE

Lasts a Lifetime

Has a large, quick-baking oven, heated evenly with smallest possible amount of fuel, and well-protected by cast plates. Will bake perfectly on the rack as well as on the oven bottom. Oven is of wrought steel, full size, broad, deep and high. Bottom made in sections to prevent warping.
