HOME RUN WINS FOR ATHENIANS

Truck Eagan Lands on Kinsella's Slant, Bringing Home Two Scores.

(United Press Leased Wire.)

San Francisco, June 19.—With one man on the bags, Truck Eagan lined out a home run at Oakland yesterday and the two scores proved enough to win for the Greeks. Oakland put three over in the first inning on three safe swats and Eagan's four-bagger did the rest.

In the third and fourth Portland got busy and sent three runs across the plate. In the eighth the Beavers got dangerous again with two hits, but nothing came of the display.

Foxy "Pop" Van Haltren yanked McFarland out of the box when he grew unsteady in the fifth and substituted Hopkins, who held the northerners down to three hits and no runs for the rest of the game.

Kinsella's wildness and Whalen's uncertainty were responsible for one of the Greek scores. This occurred in the first canto. Kinsy presented Haley with four wide ones and hits by Heitmuller and Eagan put Haley on third. He scored when Whalen dropped Cook's third strike.

Walla Walla, June 19.—The first automobile tournament ever held in the northwest was pulled off here yesterday on the county fair grounds before a crowd of more than 1,000 interested spectators. The program included not only speed races, but novelty events such as spearing rings, balancing on teeter boards, running slow on high gear and fast on low gear, obstacle races and many other clever stunts. The event is to be made annual, as it has aroused a great deal of interest locally. Gilbert Hunt, Ben C. Holt and J. H. Morrow acted as judges. Archie Henderson started the events.

RICH TROPHY FOR COAST GOLFERS

Waverly Club Will Invite Prominent Teams to Play for $400 Cup.

Northwest golfers are much interested in the proposal just made by the Waverly Golf club for a team tournament on the local green some time next September for a valuable cup costing in the neighborhood of $400, which will be put up by the Waverly club. Weather is splendid in September for good play and the local green is in better shape then perhaps than at any time during the season.

Teams of from six to eight men will be invited here from Victoria, Spokane, Tacoma and Seattle and there is a possibility of two or three California teams coming north for the tournament. At least an effort will be made to attract the southerners, with whose entries the tourney would become one of coastwise importance.

It is the hope of a number of local enthusiasts that the cup tourney in September will be the link uniting the prominent golf clubs of the coast. Portland has long favored such a union, but the great distance to California's prominent towns has been the entering wedge. However, with such a valuable cup as the magnet there is a strong likelihood of permanent relationship with the crack southern players.

Just now there is little doing at the Waverly links, although if the present cool weather keeps up the course will be enlivened by a score or more of ardent devotees during the remainder of the week. Hot weather usually causes a lull in the playing and there will probably be no competition unless it is an overnight arrangement for a mixed foursome.

OREGON CITY SIGNS FIVE NEW PLAYERS

Manager Partlow Strengthens Papermakers—Jimmy Craig Pitches Saturday.

The Oregon city and East Portland teams of the Tri-City league will confront each other at Vaughn street tomorrow afternoon, in the first of a series of good semi-professional games, which will hold the boards for the next three weeks. The game will be called at 3:30 o'clock, and promises to be one of the best of the schedule. The Oregon Citys are strengthened up, and will give the east siders a hard run.

C. A. Partlow, the owner of the Oregon City franchise, has secured the signatures of H. E. Taylor, A. B. McFarlane, L. B. Hamilton, Dan C. Craig and James H. Craig, to Tri-City league contracts and will send the men into the game with the East Portland team Saturday.

Several of the players signed have been playing on one of the fastest independent teams in the city, and are capable of playing good, classy ball. Jimmy Craig is one of the best of this year's crop of young pitchers, having a bewildering delivery that fools the semi-professional batters sadly. In a recent game he caused 17 of the opposing batters to whiff the ozone ineffectually. Partlow will use either him or the veteran Robinson on the mound in this game. Hurlburt will fling for East Side.

Ketchel Bars None.

(United Press Leased Wire.)

San Francisco, June 19.—Sporting circles here are much interested in a report that Stanley Ketchel, the champion middleweight has agreed to enter into a match with any middleweight that Matchwaker Frank Lynch of Grand Rapids can arrange a go with. Efforts are being made to get up a fight for July 4 with Tony Caponi or Hugo Kelly.

Grammar Schools Have $1,000.

You've probably been treated for so-called weakness and helped temporarily or not at all, and the reason is very apparent, when cause of loss of power in men is understood. Weakness is merely a symptom of chronic inflammation, which my treatment removes, thereby permanently restering strength and vigor.

Reflex Ailments

Often the conditions appearing to be the chief disorder is only reflex ailment resulting from some other disease. Weakness sometimes comes from varicocele; skin and bone diseases result, and physical and mental decline follow, long standing and functional disorder.
