

### ELECTRIC LINE GETS A BOOST

Washington County People Said to Be Doing the Square Thing.

(Special Dispatch to The Journal.)  
 Forest Grove, Or., June 20.—The committee having in charge the business of securing a right of way in this city for the Oregon Electric company is meeting with success, many people giving a right of way through their property free of charge and others being willing to sell at a fair valuation. It is thought that no serious obstacles will be met with, but that all property owners will take a fair-minded view of the matter. In order to insure the electric line the citizens of Forest Grove must procure the company a free right of way, grant the necessary operating franchise and provide, free of cost, land for station purposes. In return the company agrees to keep on with the Hillsboro extension and build a line into this city so as to have it in operation by December 31, 1908. If the people here act promptly the company's agents are of the opinion that it will have the line completed not later than October 31, and possibly before, barring strikes and other untoward circumstances. The reason the company asks quick action on the part of the people here is that it wishes to build this extension while labor and supplies are in the vicinity, as they could not afford to move their plant later on to build from Hillsboro to Forest Grove, as their plans for the next two years are all mapped out, and if this extension is completed it must be done this summer.

### U. OF O. PROGRAM FOR BACCALAUREATE

University of Oregon, Eugene, June 20.—Following is the program for baccalaureate Sunday, tomorrow: Prelude and procession, "Omnipotence," Schubert, commencement orchestra; hymn, anthem, "Father, Beneath Thy Sheltering Wing," Broome; invocation (all the people standing), the Rev. N. B. Johnson, hymn, "Whom We Blessings Flow," Rosalind; scripture reading, the Rev. J. S. McCallum; but the Lord Is Mindful of His Own," Mendelssohn, Miss Edith Prescott; prayer (all the people standing), the Rev. F. K. Hammond; chorus, "Great and Marvelous" Gounod, by the Rev. Herbert S. Johnson, Boston, Mass.; hymn, "Lord, When My Raptured Thought Surreys," Wallace; benediction, the Rev. Ora C. Wright; postlude, "Allegro From Credo, St. Theresa's Mass," LaHache, commencement orchestra.

### POPULAR RAINIER TEACHER A BRIDE

(Special Dispatch to The Journal.)  
 Rainier, Or., June 20.—Miss Ruby Jackson and J. Brough, both of Rainier, were united in marriage at the Oregon hotel, Wednesday, June 17. Miss Jackson is one of Rainier's most popular young ladies, having been a teacher in the public schools for a number of years. Mr. and Mrs. Brough are taking a trip to California. They will be at home to their friends in their cottage at Rainier.

### MORE ABOUT THE 500 CLUB

ALSO A LITTLE HISTORY—APPLICATIONS COMING IN DAILY BY MAIL FROM ALL PARTS, FIFTEEN BEING RECEIVED YESTERDAY.

Club Members Pay \$292 Instead of \$425, Besides Eilers Piano House Does Not Collect From Widows and Orphans of Club Members. Call at the Store for Particulars or Write at Once for Booklet—An Invitation to Participate in Wholesale Buying.

**THE TIME TO JOIN IS NOW.**  
 The books of the "Eilers 500 Piano Club" were opened to the public Monday morning, same being announced in last Sunday's paper, and from the way applicants for memberships have been coming in it will take only a short time to fill the club, especially as all the principal Eilers stores will be proportioned their share of the pianos. The clubroom was crowded yesterday the greater part of the day—musicians and teachers were interested—parents who were in need of an instrument for the home were anxious to see the club pianos, and in each and every case the piano was pronounced an instrument worthy of everything we have claimed for it—and even more.  
 Fifteen applications came yesterday, four orders from the country were received and nearly a score of requests for the booklet were sent in. The booklet explains fully this great cooperative plan, with all its advantages to club members. (The booklets are in press—will be mailed this week.)

**INvariably Shows Decision!**  
 When the test for genuine goodness and piano value is made by an unbiased and competent person, the decision is invariably given to the new scale \$425 Eilers—a piano that can not be equaled elsewhere for much less than double the club price of \$292.  
 To sum it all up, we have waited, planned and expected the most critical musician, there it is—our greatest effort to give more than a dollar's value for every dollar invested. Criticize it, examine it carefully, give its action the most severe test, judge its pure singing tone quality—in fact, see one week points. This criticism we ask of all.

**CAREFUL PLANNING AND PROGRESS.**  
 Nearly five years ago, in a real estate news item, to be exact, on January 24, 1904, the Oregonian said:  
 The southeast quarter block at Thirteenth and Northrup streets, has been bought by Eilers Piano House. On this property a three story brick building is being erected. A large steel frame structure now on the ground will be moved over to the Northrup side of the lot and devoted to factory purposes. Experimental work toward building pianos has been carried on by this firm at the present warehouse at Thirteenth and Marshall streets, and the new factory will be completely equipped for the manufacture of the "Eilers" piano.  
 Thus the Eilers piano has developed into an instrument that we can point to with personal pride, and say to any one, and especially the most critical musician, there it is—our greatest effort to give more than a dollar's value for every dollar invested. Criticize it, examine it carefully, give its action the most severe test, judge its pure singing tone quality—in fact, see one week points. This criticism we ask of all.  
 We have in the new scale \$425 Eilers Club Piano an instrument that is as

### IMMENSE CHERRIES FOR DALLES FAIR

Cool Weather Has Worked With Exhibitors for the Finest Ever.

(Special Dispatch to The Journal.)  
 The Dalles, Or., June 20.—Eleven days more and the cherry carnival will be held at The Dalles, under the auspices of the Business Men's association and the Horticultural society. It will continue from June 30 to July 2, inclusive. There will be prizes offered for the best packs of cherries. The Better Fruit Publishing company of Hood River will offer a \$10 cup for the best commercial pack of 30 boxes of one or more varieties of cherries and the State Horticultural Fire Relief will offer a \$10 cup for the best commercial pack of one box each of four varieties, and there will be other prizes.  
 There will also be a free auction sale by Mr. Patterson, secretary of the Business Men's association, of stock and other things brought in by the farmers. The cold weather of the past few days has caused the cherries to ripen very slowly, and to grow to immense size, and it is expected that under these conditions the fair and carnival this year will bring out better cherries than have ever before been shown. The crop this year will be the largest ever grown in this vicinity. Cherries will not be ripe in large quantities for a week or 10 days.

### FINE PROSPECTS OF ASHLAND CHAUTAUQUA

(Special Dispatch to The Journal.)  
 Ashland, Or., June 20.—The coming Chautauqua assembly in Ashland promises to be up to the usual high standard and with new and attractive features. The many noted speakers engaged cannot but please the most fastidious. The list embraces such noted personages as John Sharp Williams, a brilliant southern leader; Robert McIntire, the "prince of the platform"; Dr. Edwin Southern, the "prince of the pulpit"; Mrs. Lenora Lake, the eloquent lecturer, and others whose reputations are national.  
 Professor Irving W. Larimore, at present boys' physical director of the Portland Y. M. C. A., is a great attraction for the boys. Dr. E. L. House of Spokane, one of the Chautauqua speakers, already holds an enviable place in the hearts of the people here, he having been with them before.

### ENGINEER LEAVES RECLAMATION WORK

(Special Dispatch to The Journal.)  
 Boise, Idaho, June 20.—D. W. Ross, supervising engineer in the Idaho reclamation service, has tendered his resignation and will hereafter be connected with irrigation work on a Carey project, associated with Kuhn Brothers on the Twin Falls tract. His resignation is to take effect July 1. Mr. Ross has been connected with the reclamation service in Idaho ever since the government took hold of the matter in this state.

**Big Day at Eugene.**  
 Commencement day at the University of Oregon, Eugene, Wednesday, June 24, and the opening of the handsome new depot building just completed by the Southern Pacific, will be made the occasion of a public celebration by that enterprising city, also an excursion of Portland's business men by special train. Leave Eugene, Wednesday, June 24, 11 a. m. Return Eugene, Monday, June 29, 7:15 a. m. An elaborate program has been arranged for the day's entertainment, and the committee in charge assures visitors that there will be something doing every minute. Railroad tickets \$3.75 for the round trip, at the city ticket office, Third and Washington streets.
