Secretaries Fill Opening Session at Seaside Meeting.

(Special Dispatch to The Journal.)

Seaside, Or., June 20.—The annual northwest convention of the Young Women's Christian associations of Washington, Idaho and Oregon was inaugurated last night at Sargent's Seaside house. One hundred delegates arrived on the afternoon train and 50 more are expected today. Miss Delta Watson has charge of the business end of the conference and Miss Frances Gage of the executive department.

Miss Annie M. Reynolds of New Haven, Conn., secretary of the national board of the Y. W. C. A., presided at the opening meeting last night. She told of her experiences in Australia, where she attended a like gathering, thus showing the similarity of their meetings and those carried on in this country.

Other Secretaries Speak.

Miss Gage, the northwest secretary, made a few remarks and gave the delegates some advice on how they could receive the most benefit from the conference—by attending the meetings regularly, by the immediate application of the suggestions offered by the leaders and by personal talks with the secretaries. She then went on to tell about the impressions she received from the first conference she ever attended as a delegate and how they had helped her in her every-day life since that time. Miss Abby McElroy, secretary for California, Nevada and Arizona, formerly Portland secretary, brought greetings from her home state. Miss Southmayde of Seattle and Miss Harris, leader of the student volunteer movement, made short speeches on the different lines of work carried on by the association.

Miss Hayes, secretary of the national board, then told of the eight other conferences, similar to this one, that are held every year throughout the United States. She then dwelt at some length on the vastness of this great movement and reminded those present that they were only a very small part of this great system. Mrs. Fletcher Linn sang a beautiful solo, "Love Divine."

THE NEW FLORAL EXTRACT

VESCIFLORA

WONDERFUL LIQUID HAIR FOOD

A scientific discovery for treatment of the Scalp, DANDRUFF, FALLING HAIR, Itching Scalp, Baldness; special price this week, $1 bottle only **79c**

Dandruff, falling hair and baldness are the direct results of lack of treatment for the scalp and hair. It is impossible to prevent or cure them by the mere application of the so-called tonics and invigorators.

The roots of the hair must be supplied by a food that will nourish the hair and give it the materials necessary for its growth.

THIS VESCIFLORA WILL DO.

The hair rapidly grows long, luxuriant and beautifully glossy. It will positively grow hair where the roots are not dead. Dandruff disappears after first application.

LADIES will find this preparation to be a dainty, delightful hair dressing; best in the world. Positively DOES NOT leave the hair oily or sticky.
