

HUGE LOG RAFTS TO MAKE SEA TRIP OF 1,000 MILES

One of the Monster Rafts Ready to Depart for San Diego, Cal.

Four monster log rafts, containing enough lumber material to build 1,000 ordinary houses, lie today at anchor in the lower Columbia river, ready to be launched upon an ocean voyage of 1,000 miles to San Diego, Cal. The great rafts represent the work of months at the camps of the S. Benson Logging company, at Chatskanie. The logs go to feed the lumber mill of the Benson company at San Diego for the next 10 months.

THE PLAY

Marquand Grand—Vaudeville.

Good musical acts when found are something to be treasured and treated carefully and lived up to. There is one at the Marquand this week whose "Colonial Setpiece," probably the most popular act of the kind in vaudeville, is entertaining people.

Lillian Gerris, in the fashion of two centuries back, recites the prologue to the two acts, inviting the audience to be the guests of the setpiece at the party. Then the curtain goes up, and in the six members of the company in colonial costume, Nettie Coburn is a cornetist of unusual ability.

McDonough and Fike, an amusing team, present "The News Girl and the Tough." That name is all right and theatre-goers of any standing know what the plot is and how the play works it out.

Lyric—"A Gentleman Convict." Patrons of the Lyric theatre are enjoying a new melodrama this week, one never played before, and the work of Charles Merron Finlay of the Epical-Kall-Aten's company.

The Robertson company, which originated the ocean rafting industry, lost a raft between Portland and San Francisco, and the storm drove it far out of its course. It was found more than a year later, adrift in the Atlantic and covered with sea anemones.

FIRST CONTESTANT IN RACE FOR JOURNAL PRIZE

The first scholarship enthusiast who called on the Journal's contest manager and to enter the competition, was Myrtle Rogers, 1931 Endicott street, a clever little girl who was born in Minneapolis 14 years ago.

It is Myrtle's ambition to secure a scholarship in a business college, and she has her eye—and both of them—on the Holmes Business college tuition in combined business and short-hand course, valued at \$100.

Myrtle's father, C. E. Rogers, is a painter employed at Roberts Bros. and is in good standing in the painters' union, the members of which no doubt will be delighted to give their support to the daughter of a member.

Although the contest will last about three months it is not advisable to delay entering. Every day lost may mean many votes lost to you and friends and others before you approached them.

an early start, as there is much at stake. It would be a great disappointment to you to find at the counting of the ballots at the close of the contest that you lost by a few votes, and that the few votes could easily have been secured had you started a few days earlier in the contest.

If you are in doubt about anything regarding the conditions of the contest, call on the contest manager at once. He will post you and give you some good advice on how to secure subscriptions. Take advantage of the ideal weather for outdoor work and canvass as many as possible before they leave for the seaside or other vacation resorts where it would be difficult to reach them.

Hale and Happy at 107

Mrs. Samuel Decker of Seneca Falls, N. Y., is a living example at 107 years of age of what a pure tonic-stimulant and invigorator will do for old people.

Mr. Decker, her husband, in an interview on January 24th, with our correspondent said: "I want to tell you that Mrs. Decker is using your medicine. She is 107 years of age. We know that it has done her a great deal of good. It is a wonderful medicine, and we could not get along without it. We will tell all old people to know what it has done for us. It is the only thing that keeps Mrs. Decker alive. We send you her picture and you can publish this letter in any paper you wish with her picture."

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic-stimulant and invigorator known to science; softened by warmth and moisture its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

If you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions. It tones and strengthens the heart action and purifies the entire system. It is recognized as a medicine everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only, never in bulk. Price \$1.00. Look for the trademark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N. Y., for free copy of illustrated medical booklet and free advice.

PENDLETON WANTS DRUGGISTS' MEETING

Pendleton, Or., June 24.—An effort is to be made to bring the next convention of the State Druggists' association to this city and Pendleton pharmacists will go to Long Beach in July with the intention of capturing that honor for Pendleton.

No session of the Druggists' association has ever been held in eastern Oregon and acting upon the desire to have their fellow pharmacists come here, the Oregonians are planning a campaign to that end. The session of the year will be held at Long Beach, July 7, 8, 9 and 10. At that time the time and place for the next meeting will be decided.

COUNCIL RECEIVES DENVER INVITATION

Mayor Lane and members of the city council received an invitation from the Pence to take advantage of the low rates to Denver at the time of the national Democratic convention. Pence was granted the privilege of the floor and explained that he thought many valuable ideas could be secured in the way of street improvements by the city officials if they made the trip.

While plans had not been fully perfected it is suggested by Mr. Koepfen that a portion of the convention time be held in this city and the remainder at Wenhatch Springs. In many respects the druggists' conventions are more in the nature of outings than business meetings. While some business is transacted, those in attendance also have much time for pleasure and it is believed that the attractions of the Blue mountain resort will appeal to them.

The wives and daughters of the druggists also accompany them upon their annual gatherings and the sessions are very pleasant socially.

Last year the convention was held at Seattle at the same time as the O. N. G. encampment.
