PORTLAND GIVES LEADERS THE WORST DRUBBING EVER RECORDED—JOHNSON'S BIFFS.

(United Press Leased Wire.)
 Los Angeles, June 26.—Perhaps never in Pacific coast baseball history has such a thrashing been meted out to a team as that done by the Portland team when they landed on everything in the stockings for a total of 13 bases in five times up. Perhaps a team has never been so badly beaten as the Angels, who were not able to score a run, while the northerners romped home 18 times. Johnson's great pitching kept the champions down to six hits, but McCredie's biffings swatted the curves of Gray, Thorsen and Wheeler for 19 bingles.

Johnson was in the best of his form, instead of a double, Johnson started his bid in the second with a two-base hit. In the third he sent the sphere whizzing over the center field fence, scoring two men ahead of him. In the sixth he tore off a double which should have been a triple but for Harry's out for missing third. Then in the seventh he laid a pretty single down the third base path to score Wheeler on a day with a corking drive for three bases in the ninth.

Madden, Hartley and Corner off-lined in the double hit column, the latter copping two, and Dannis was the other Beaver to get a three-bagger.

Gray Chased by Bull.
 Dolly Gray, who started the game for the Angels, was chased from the field for disputing one of Perrine's decisions after he had been called out on strikes in the third inning. However Gray is credited with six of the hits and four of the runs for the visitors. Thorsen, who was substituted, allowed the Beavers nine hits and three runs. Wheeler then went in and pitched fairly well, giving five hits and one run in three innings.

The Beavers were weakened by the loss of "Pop" Dillon, who was out of the game in respect to the memory of a brother who died in the same way yesterday. It was probably the worst drubbing given a leading league team in years.

CORBETT MAY LEAVE STAGE FOR THE HOTEL.

(United Press Leased Wire.)
 Chicago, June 26.—It was announced here today by friends of James J. Corbett, former heavyweight champion of the world and now actor, that he will quit the stage after the close of the next season and go into the hotel business. Corbett is expected here next Monday when he will begin rehearsal in Bernard Shaw's play, "Castles in the Air."

GREATEST CROWD AT ANY ROWING EVENT WILL WATCH COLLEGE CREWS.

(United Press Leased Wire.)
 Poughkeepsie, N. Y., June 26.—All Poughkeepsie is astir in anticipation of the intercollegiate regatta on the Hudson tomorrow. The town wears a holiday appearance, the colors of all the universities represented being displayed conspicuously in the principal streets. Visitors are already arriving, and it is predicted that tomorrow's crowd will be the largest that ever witnessed a rowing event in America. The customary arrangements have been made for running observation trains. The same as in former years. The positions drawn by the various crews are as follows:

Varsity eight—Syracuse 1, Wisconsin 2, Pennsylvania 3, Cornell 4, Columbia 5.
 Varsity four—Syracuse 1, Cornell 2, Columbia 3, Pennsylvania 4, Syracuse 5.
 Varsity eight—Wisconsin 1, Cornell 2, Pennsylvania 3, Columbia 4, Syracuse 5.

Of these places the Syracuse four-oared and freshman crews are believed to have the most favorable action in their events, as the ebb tide, which begins about 3 o'clock, is strong along the shore from 4:20, when the first two races will be rowed. In the race for varsity eight Pennsylvania and Columbia have the best places, and the weather is fair. Otherwise Wisconsin has the favored position.

Element of Uncertainty.
 Experts agree that there is a strong element of uncertainty this year as to the winner of the regatta, particularly of the big race. The regattas of recently passed seasons, Cornell victory has always been regarded as more or less of a foregone conclusion. This year, however, fact seems to have been against the Cornell crew. It is conceded that the other crews will have at least an even show for victory.

The regatta regatta is much smaller than it has been for several years, owing to the withdrawal of the Georgetown and the Naval Academy crews. This has left only Wisconsin, Columbia, Pennsylvania, Syracuse and Cornell to compete in the big event. Cornell, the winner of so many races in the past, and Columbia, which made an excellent showing last year, have met in the regatta. First year, the former lowering her colors to Harvard, and Columbia being defeated this spring by the midshipmen of the Naval Academy. This leaves Syracuse, Pennsylvania and Wisconsin to figure on, and among these there seems to be but little choice. Syracuse has the credit of a five-length victory over Annapolis, and Pennsylvania has been uniformly successful in the regattas of the past. Wisconsin crew is more or less of an unknown quantity here, but the Badgers have never failed to turn in a creditable effort, and a victory tomorrow would cause no great surprise among the aquatic enthusiasts.

Intercollegiate Regatta Tomorrow.
 The intercollegiate regatta tomorrow will be the thirteenth held on the Hudson, and the largest ever organized in 1895, and Cornell, Columbia and Pennsylvania were represented by crews. Columbia won, her one lone victory. In 1907, Harvard and Yale, and arranged a race with Cornell, came to the Hudson as an invited guest. Cornell won both the varsity and freshman races.

Four-Oared Boats Added.
 Since 1893 the regatta has been held here. In that year a four-oared race was added to the program, and three races have been on the card ever since. Pennsylvania won the varsity race in 1896 and 1906. The latter year George Town came in and Syracuse sent a crew in 1907. After that six crews took part, but last year, when the navy eight was entered.

Of the total Cornell has won the regatta eight times, Pennsylvania three times and Columbia and Syracuse once each. Cornell won all three races in 1903 and 1905.

One course records are as follows: Varsity four, two miles, Syracuse, 1905, 10 minutes 16 seconds; Freshmen eight, two miles, Cornell, 1906, 9 minutes 13 seconds; varsity eight, four miles, Cornell, 1901, 18 minutes 51 1/2 seconds.

AMERICAN PLAYERS PICKED FOR ORIENT

Manager Woods Leaves Next Week to Arrange Asiatic Baseball Trip.
 (United Press Leased Wire.)
 San Francisco, June 26.—Local fans are discussing today the plan which has been arranged for taking a picked team of the best baseball players in this country on a trip through the orient to play the teams in those countries. It has been so far decided upon that J. L. Woods, former business manager for the Reach All-Americans, will leave for Yokohama on the Mongolia on Tuesday next.

The trip according to present plans will take three months, with games being played at the following cities: Yokohama, Tokio, Kobe, Hongkong, Shanghai, Manila and Honolulu.

The American players will meet the university teams and American clubs in all of the places visited.

One course records are as follows: Varsity four, two miles, Syracuse, 1905, 10 minutes 16 seconds; Freshmen eight, two miles, Cornell, 1906, 9 minutes 13 seconds; varsity eight, four miles, Cornell, 1901, 18 minutes 51 1/2 seconds.

OREGON LOOKS FOR CHAMPIONSHIP TEAM

(Special Dispatch to The Journal.)
 University of Oregon, Eugene, June 26.—The University of Oregon football supporters expect to have a championship team next fall and plans are being laid for the most successful season in the history of the game in Eugene. Many of the hopes are based upon the new system of coaching which will be inaugurated.

Coach Forbes is expected to show the opponents of the varsity some new things about the revised game of football, which did not appear on the coast last fall. He is a Yale man and the varsity backers have long wanted one of that school of football to train the team.

Olen Arnsperger will act as assistant coach, on account of his four years' experience as a tackle, which bars him from further actual participation in college games.

The football men expect a number of new huskies to come to college to strengthen those who remain from last year's aggregation. The position of quarterback is without any sure candidate, as is one end, a couple of places in the line, and a back field position.

At Brooklyn.

R. H. E.

I WANT YOU TO READ THIS

IF YOU ARE A WEAK MAN
 Even If Others Have Failed to Cure You

DR. TAYLOR, The Leading Specialist

Do you feel that your manly strength is slipping away? Are you weak, nervous, fretful and gloomy, have pains and aches in different parts of the body, your sleep disturbed, weak back, headache, despondency, melancholia, palpitation of the heart, unable to concentrate your thoughts, poor memory, easily fatigued, apathy before the eyes, aversion to society, lack of ambition, will power depleted, dizzy spells, virtual loss, poor circulation, feel cold, listless and worn out, primarily induced in many cases through abuse, excesses, overwork, etc. If so, then, I warn you. Do not delay longer.

The methods I devised 20 years ago for treating men's diseases proved a radical step in medical science. Those methods have enabled me to cure diseases that were formerly regarded as incurable, and therefore, serviceable. I reasoned that if "WEAKNESS" for instance, was not a constitutional or functional ailment, but a prostatic affection, and therefore, serviceable. It is a constitutional effect, were simply the results of a tremendous waste of energy due to inflammation of the prostate gland; that this being true, a local treatment could alone effect a cure. Thereupon I devised the treatment I employ today with such marked success. Indeed, I have never known this treatment to fail to effect a complete and permanent cure in a comparatively short time.

My Fee for a Cure is \$10 In Any Uncomplicated Case Pay Me When Cured

No Man Need Be Weak
 My treatment for other diseases peculiar to men are also along original lines, and are equally successful. Hence, I reiterate that no man need be WEAK and AILING. My Special Treatment is an open door to manly vigor and all the pleasures that belong to perfect health. Any man may avail himself of my services. It has been and is my life's work to aid afflicted men, alleviate their sufferings and restore them to health and vigor. I have therefore placed the charge for my services within the easy reach of any man, no matter what his circumstances. TO PROVE THAT I WILL WAIT FOR MY FEE UNTIL YOU ARE CURED. No man could be fairer than that. I take all the risk. You take none whatever. You have everything to gain and absolutely nothing to lose.

Delay Is Dangerous
 Men whose vitality is exhausted, those who have some private disease or weakness lurking in their system, and who are prematurely old, while still young in years—broken down wrecks of what they ought to be, and who want to be strong and vigorous as when young, as they desire to direct their strength to enjoy life again, to win back the vim, vigor and vitality lost, should consult with me before it is too late.

My Direct-Method Treatment Offers a Positive CURE for Every Ailing Man
 I Cure "Weakness"

"Weakness" is not a nervous disorder, demanding a tonic system of treatment, but is merely a symptom of chronic inflammation or congestion in the prostate gland. This condition exists as a result of early dissipation or some improper treatment contracted elsewhere, and requires carefully directed local measures only. By my own original methods the prostate gland is quickly restored to its normal state, which results in full and complete recovery of strength and vigor. My cures are permanent because the condition responsible for the functional disorder is entirely removed, and I am convinced that by no treatment other than my own carefully directed local measures is a radical cure of this ailment possible.

Contracted Disorders
 The serious results that may follow neglect of contracted diseases could be scarcely exaggerated. Safety demands an absolutely thorough cure in the least possible time. I have treated more cases of contracted disorders than any other physician upon the Pacific coast. My cures are thorough and are accomplished in less time than other forms of treatment require in producing the same doubtful results. I employ remedies of my own devising, and my treatment is equally effective in both recent and chronic cases.

Consultation and Diagnosis Free
 I do not charge for advice, examination or diagnosis. If you call for a private talk with me you will not be urged to begin treatment. If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1 only.

The DR. TAYLOR Co.
