BEAVERS CHASE ANGELS TO REAR

Win Fourteen-Inning Game on Mighty Swats and Many Errors.

(United Press Leased Wire.)

Los Angeles, June 27.—Four runs in the fourteenth inning of yesterday's game gave Portland the first extra cantoed matinee of the series with Los Angeles. Three bingles, a stolen base and three errors allowed the northerners to make it three straight from the locals. Both Kinsella and Hosp were hit hard, 14 hits being made off the former and one less off the latter.

Raftery's home run with one man ahead aided materially in winning for Portland. Twice Kinsella passed Easterly for fear the Seraph catcher would hit safely, Easterly having made one of the two baggers of the day.

The victory places Portland in the lead of the league by two points over Los Angeles. The score:

Eighty American Athletes Sailed Today Wrapped in Stars and Stripes.

(United Press Leased Wire.)

New York, June 27.—Eighty athletes, comprising the chosen champions of America, who will represent the stars and stripes at the great Olympic games in London, were cheered by ten thousand people who gathered at the pier today to see them start on the liner Philadelphia for England.

Every athlete wore an American flag and when they appeared on the deck, as the liner worked out into the channel, the crowd gave them a farewell that sent them away cheerful and determined to fulfill the hopes of their countrymen.

Ralph Rose of San Francisco, the shot putter, and Forrest C. Smithson of the Multnomah Athletic club, Portland, the hurdler, were prominent among those who were given special cheers.

MILLIONAIRES TO FIND SPORT ON LONG TRIPS

Crocker expects to complete the journey in 26 days and on reaching San Francisco he will start almost immediately on the return trip. He is accompanied by M. C. Scott, a chum of his at Yale. The route will be through Philadelphia, Pittsburg, St. Louis and Denver.

FIRST OF AUTOMOBILES IN UNIQUE TOURING CONTEST PASSES THROUGH

A touring contest of interest to motorists generally is now on between Oakland, Cal., and Seattle, and one of the contesting cars passed through Portland last Thursday.

Five cars and their owners and friends are making the trip through to Seattle under the following conditions: The first car to arrive in Seattle is to have its expenses for the trip paid by the losers and the owners of the losing cars are to dispose of their cars and buy others of the same make as the winning car.

Under these conditions H. B. Miller and friends in a seven-passenger White steamer, "M. Halley and friends in a seven-passenger Thomas, M. Witten with one passenger in a four-cylinder Buick runabout and William Kibbey with one passenger in a four-cylinder Cadillac runabout left Oakland on the afternoon of June 11. C. M. Poncin and wife in a 20 horsepower Mitchell runabout left the same place on the following morning at 9:45.

Mr. Poncin and wife passed here on the afternoon of the 25th pretty well covered with mud, but "still in the ring," even to the bulldog that occupied a specially prepared seat on the footboard. Mr. Poncin states that his nearest follower, Mr. Miller with his White, was last heard from at Ashland, with the others stringing on behind in unknown order.

Mr. Poncin reports having met Benton Bowers of Ashland en route from Portland to Ashland in a Mitchell touring car, "and he wasn't limping along, either." Mr. Poncin is a Mitchell enthusiast, his '08 roadster being the third car of that make he has had in the last three seasons.

"A peculiar coincidence occurred the day the fleet was off Los Angeles," said he. "My wife and I drove just 68 miles that day and counted just 68 cars hauled out on the side of the road for repairs, but not one of them was a Mitchell, although there were over 150 Mitchells out that day."

Mr. and Mrs. Poncin are having a pretty good time and not sparing the expense, as their friends behind will meet the bill. They will reach Seattle tonight.

COLLEGE CREWS ARE READY FOR BIG RACE

Every Boat Is Contender at Poughkeepsie Regatta This Afternoon.

(United Press Leased Wire.)

Poughkeepsie, N. Y., June 27.—Final arrangements were completed yesterday afternoon for the big intercollegiate boat races on the Hudson river this afternoon in which the crews of Cornell, Pennsylvania, Columbia, Syracuse and Wisconsin will compete. The hotels here are packed with visitors who came up yesterday to see the final workout of the crews.

Of the three events, the varsity fours will be run first, and the start will be made as near 4 o'clock as the water conditions will permit. Then the freshmen eights will race. Both these races are over the two mile course. The big event will be the last, when the varsity eights will go over the four mile course.

Experts say the race is harder to judge than usual and it is expected to be a great contest, with every crew a contender.

FIELD TRIALS HELD AT INDEPENDENCE

At a meeting of the Oregon Field Trial club in room 408 Abington building tonight, it will be announced that the trials will take place at Independence in Polk county, September 24 and 25. Mr. Hirschberg, the banker, and Dr. Butler, both of Independence, have been working assiduously to get the trials for that place. Letters are being received from all over the coast for entry blanks.

WHITNEY GIVEN BAD DRUBBING IN FIGHT

Fight Fans Now Look for New Hero—Jimmy Carroll Loses.

(United Press Leased Wire.)

San Francisco, June 27.—Local fight fans who had looked upon Kyle Whitney, the negro boxer, as a future champion, are looking for a new hero today, following a fearful drubbing which was given Whitney last night by Jimmy Gardner. Whitney lasted 13 rounds before his seconds threw up the sponge, but after the eighth he was at the mercy of his cleverer and stronger opponent.

Jimmy Walsh of Boston beat Jimmy Carroll, another local fighter, in the eleventh round, but he was easily the master from the first and evidently let the fight go on for the pleasure of the crowd. In the preliminaries Ollie Cornett knocked Sailor Gorden clear out of the ring in the sixth round, Joe Elliott beat Harry Gilmore and Billy Mack and Willie Purtell fought a draw.

SULIVAN DRAWS WITH KID SCALER

Gene Closes Crack Spokane Fighter's Eyes and Gets First Blood.

(United Press Leased Wire.)

Spokane, Wash., June 27.—Gene Sullivan, the crack Butte amateur, signalized his debut into the professional ranks last night by fighting Kid Scaler, the Spokane lightweight, to a standstill and earning a clean cut draw in six rounds. Barring the constant clinching the fight was a good one. Sullivan made a good impression in his first big mill, and the crowd was with him all the time.

Scaler showed up splendidly, but he was hissed when he allowed himself to be coached continually from his corner. Scaler probably landed oftener than the Irish boy, but the heavy wallops of the Montanan more than made up for this. In the fifth inning Scaler tried to end the mill, and in his forced fighting drove Gene to the ropes several times.

Sullivan was cool, however, and covered up admirably. His left jab worried Scaler considerably and brought the claret from the kid's nose. A couple of straight rights found lodgment in Scaler's optics, and those important members are swollen and black today.

Considerable money was bet on the fight, and while there was some dissatisfaction over the decision, a majority of the spectators coincided with the referee.

Sullivan stated that morning that he was ready to fight Scaler again any time the kid felt ready. After a few more fights in the north he will go south to California to take on some of the good men there. His draw with so good a second rater as Scaler makes his friends highly elated over his future prospects.

POWERFUL TUG WILL TOW PLEASURE CRAFT

Under tow of a powerful tug the yachts, motor boats and canoes which will enjoy the Oregon Yacht club's annual cruise, will leave Friday evening for the mouth of the Willamette river. Camp will be made there and Saturday and Sunday will be devoted to small trips up the Columbia. The boats will return to Portland Sunday night, July 5.

Griswold Has No Excuse.

(United Press Leased Wire.)

New Haven, Conn., June 27.—Stroke Griswold of the Yale crew, who collapsed in the middle of the varsity eight-oared race with Harvard yesterday, had no excuses to offer today. He said that his breakdown was nervous more than physical and that he could offer no explanation of it. It was his collapse that hopelessly defeated the Yale crew.

Dallas, Tex., June 27.—The oratory of Senator Joseph W. Bailey will not be heard in the Democratic national convention at Denver. He has been very ill, and though his physicians now say that all danger is passed, he will not be able to make the trip to the convention. He wired J. C. McNealus today that it would be impossible for him to attend.

MY EARNEST APPEAL TO

EVERY WEAK MAN

Is—Seek Expert Treatment AT ONCE—Don't Delay Another Hour.

My Fee for a Complete Cure in a Simple Ailment is Only $10 PAY AFTER I CURE YOU

DR. TAYLOR,

The Leading Specialist

I want every weak man to thoroughly understand that I can make him strong, vigorous, healthy, alert and free from every taint of disease and weakness. I have limited my specialty in practice to only a few of the more important disorders, so that I could KNOW these thoroughly. My experience along this one path for 25 years qualifies me to say positively that such troubles as Spermatorrhoea, Lost Vigor, Varicocele, Hydrocele, Gonorrhoea, Syphilis, Stricture and "weakness" can be cured perfectly—so as to stay cured. Of course I use different methods than the ordinary physician. Most of these are original with me and were devised for just such cases as the ordinary courses of treatment fail to reach.

The Scientific Treatment of Weakness

Dosing the system with powerful stimulants and tonics in an effort to restore functional vigor can have but one final result: The condition is rendered worse than before. "Weakness" is merely an indication of a low form of inflammation in the prostate gland, and this inflammation is but aggravated by stimulating remedies that excite temporary activity. I employ the only scientific and fully effective treatment for "weakness," which effects a permanent cure by restoring the prostate gland to a sound and healthy state. I obtain complete results in every case I treat. Interesting literature and a beautifully engraved chart free if you will call.

EXAMINATION FREE

I offer not only FREE consultation and advice, but of every case that comes to me I will make careful examination and diagnosis without charge. No ailing man should neglect this opportunity to get expert opinion about his trouble.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1 only.

Take a Dose of Nature's Medicine

Throw away your half filled bottles of dope and poison, your patent nostrums and doctors' concoctions. You know they haven't done you any good, and that your stomach is all upset as the result of filling it with these poisons. You know they have weakened your nerves and taken the life out of your blood.

Get back to Nature. Consider how she cures and give her assistance. Nature will cure you if she has the power. This power is electricity. That's because electricity builds up — supplies nourishment, strength to the body. Drugs destroy, tear down, because they contain poison instead of nourishment. Of course poison will ease pain. Why? Because it paralyzes the nerves. The nerves are delicate wires that enable you to feel pain. If you poison your nerves with drugs you can't feel the pain until the stupor wears off. Then the pain comes back and you have to repeat the dose until nature removes the cause.

If you have a pain in your back you can stop it for a few hours by stupefying the nerves with poisonous drugs. But to cure that pain you have got to remove the cause. That pain is sometimes caused by kidney trouble. So can't you see that to remove the cause you must restore the kidneys to a healthy condition?

The reason the kidneys, liver, stomach or other organs become weak or debilitated is because they lack electricity. This must be restored, either artificially or by nature, before they can do their work properly.

Weakness in men is caused by an exhaustion of electricity. Get back that force and you will have your strength.

My Electro-Vigor pours a stream of electric life into your nerves while you sleep, and these conduct the force to every organ and tissue of your body, giving health and strength to every part.

It removes the cause of disease and when the cause is removed nature will restore health.

Electro-Vigor is a dry cell body battery, which you wear while you sleep, and gives out a continuous current of electricity. You never have to charge it, for it makes its own power. It does not burn or blister and never shocks the nerves. The only sensation is a soothing glow. I have perfected Electro-Vigor so that it conveys a stream of electric life direct to the part that is ailing, so that the great force of current goes where it is needed and none is wasted.

After the use of Electro - Vigor I no longer suffer from pains in my back and kidneys, my food digests properly and all the symptoms of weakness and varicocele are cured.
