PORTLAND RACING CREWS WHICH ROW IN LAKE WASHINGTON REGATTA

Captain Murphy's Launch. Junior Four. Senior Four.

Every man among the Portland Rowing club's entries in the Lake Washington regatta July 3 and 4, is in splendid trim and could enter a shell today for the race. Probably no other senior crew has ever been so fast as the one at present, regardless of the recent illness of the stroke, Dr. B. E. Loomis.

Two years old and which may succumb to the heavy strain put upon them by the heavy rowing. One of the crews was badly damaged the other night, but it has been nursed along until it will probably last through the race.

It has been definitely decided that the junior crew will be composed of Gloss, Sterling, Oully and Dent. The personnel of the senior crew has long been known. Loomis, Conant, McKicken and Jen filling the seats.

In addition to the rowing races there will be a motor boat regatta on Lake Washington. Several races will be pulled off and some of the fastest flyers on the sound will be entered for the prizes.

AMERICANS ARE GIVEN BIG START

Thousands Cheer Men Who Will Represent Country at Olympic Games.

Thousands of fans gathered at the Olympic games sailed for England today on the steamer Philadelphia of the American line.

Every man was in perfect shape for the great meeting that will take place in the great stadium at Shepherd's Bush, London, next month.

Manager Halpin and Trainer Mike Murphy assisted the big crowd of athletes enthusiastic as they saw the departure that they would return with the honor of having conquered the world on track and field.

Several athletes who had tried hard to make the team and failed were very sore as they saw their club mates sail away for a grand time.

Jimmy Britt, the fighter, did not go with the team. The little pugilist will sail for London next Tuesday on the steamer America.

When Jimmy walked aboard the ship with the giant Ralph Rose he was loudly cheered. Britt says he will be chief rooter for America at the games.

Several men who were confident in their round after round of cheers went round their friends on the dock until they could see their well-wishers no more.

Reports from the dock came back calling an enthusiast as the boat pulled away. "Of course we won't" was the regular retort, and the crew roared with delight.

CLEVELAND IS AFTER BOB ZEIDER OF SEALS

San Francisco, June 27.—It looks as though Zeider of the Seals may not play out this season. The management of the Cleveland club of the American league has sent a report to the coast on the special mission of grabbing Zeider. It is a matter of the price for the release. Terms were under discussion today and if an agreement can be reached with the Seal management the popular in-fielder will leave to take up his duties with the Naps at once.

The Seals have been weak at short ever since the injury to Turner early in the season and have tried half a dozen men without being satisfied with any of them.
