PORTLAND MAKES IT FIVE STRAIGHT

Beavers' Sticking Stunts and Groom's Pitching Win for Northern Tossers.

Los Angeles, June 29.—Timely sticking coupled with Groom's good pitching gave Portland five games out of six, the Beavers winning from the Angels yesterday, 3 to 2. It was the closest and best game of the series and was only won in the ninth inning by daring base running and a timely wallop by McCredie.

The Angels made it two in the third inning. After that there was nothing but ciphers for the locals. Delmas laid down the difficult grounder to Ryan which Buddy foozled. Along came Easterly with a pretty sacrifice. Delmas stole third and remained there until Gray was ozoned and Bernard and Oakes passed. Then came Dillon's double which scored Dal and Bernie. Groom tightened up and was invincible after that.

Danzig's single put Portland within scoring distance and the big fellow registered when Madden tripled to right field. Madden scored when Delmas fumbled Groom's infield swat. This all occurred in the fifth inning. Portland figured in zeroes until the ninth chapter. Johnson worked the highly-rated Gray for a free ticket to the first station. Johnson was nifty on the bags and stole two bases which allowed him to score easily upon Manager Mac's opportune bifflet to Brashear's territory.

Bassey was injured in pulling off a spectacular running catch of a foul in the fourth inning. He ran full speed into the left field bleachers netting, his foot hitting the boards. This caused his retirement.

Saloons Will Close July 1.

Klamath Falls, Or., June 29.—Saloons in Klamath Falls will not be open beyond July 1. Saloonkeepers misinterpreted the decision of Judge Benson, granting the writ of review, and several had made arrangements to keep open. Judge Benson sates that the writ of review commands the county court to take no further legal proceedings, but does not stop the officers from enforcing the local option law.

CULLISON WINNER OF OPEN SHOOT TROPHY

Caldwell Captures Inman Medal and Stoddard Takes Two Nice Prizes.

Fully 300 shooters and spectators attended the shoot at St. Johns yesterday. Jack Cullison won the cup open to all shooters by a score of 73 out of 75. William Caldwell won the Inman medal, making 49 out of 50. Stoddard won the cup for 80 per cent shooters, making 45 out of 50. He also won the Dupont trophy for 80 per cent shooters, making 22 out of 25.

The cup open to all shooters, the 80 per cent cup and the 80 per cent trophy have to be won by one person, when they will become the personal property of that shooter. They will be shot for every Sunday until finally won out.

The Rose City Gun club has issued a challenge to shoot a picked team from that club against a picked team from the Multnomah Gun club. They have several shooters above 90 per cent and should give the Multnomah boys a good race if they do not beat them. The shoot next Sunday will be held at the Fulton grounds.

The following members will attend the tournament to be held at Cottage Grove July 4: Jack Cullison, William Caldwell, Charles Wagner, Dua Carlon, Harry Ellis, Frank Howe, M. Abraham, W. Robertson and Charles Collier.

Following are yesterday's scores:

LIPTON WILL COME AFTER AMERICA CUP

Sir Thomas Will Select Challenger From Two Fast Boats.

(United Press Leased Wire.)

Glasgow, June 29.—Sir Thomas Lipton today declared positively in an interview that he would soon issue a challenge for the American yachting cup. Lipton will sail in a cutter rigged yacht built to conform to the new rules of the New York Yacht club.

This announcement sets at rest the rumor that Lipton had declared the new rules unsportsmanlike and would refuse again to race the Americans.

Lipton states he will even allow the New York club to dictate the size of the challenger. He will build two boats and select the final challenger after a series of races between the two. The new challenger will probably be called Shamrock IV.

TRI-CITY LEAGUE GAMES.

Woodburn 7, West Portland 2.

Southpaw Bowen from Woodburn yesterday justified the reports sent out from that town as to his pitching prowess when he held the hard hitting Frakes to 4 hits and 2 runs. Meanwhile his teammates were taking advantages of the 9 errors chalked up against the local team and by sandwiching in some very timely hits were able to walk away with the game, 7 to 2.

There were a number of good features to the game, chief of which was the hitting of Michel, the big left fielder of the visitors. He drove out four singles in the five times he walked to the plate, only failing to hit in the last time he went to bat. Ray Hinkle also distinguished himself with a dandy running catch in the outfield. The score:

Woodburn	0	2	0	2	1	0	0	2	0	— 7
Hits	0	4	1	1	2	2	0	4	0	—14
West Portland	0	1	0	1	0	0	0	0	0	— 2
Hits	1	2	0	0	0	0	0	0	1	— 4

Batteries—Bowen and White; Howard and Antoine. Umpire—Jack Rankin.

East Portland 7, Salem 3.

Salem, Or., June 29.—Salem went up in the air in the first inning of yesterday's game here and before they arrived on terra firma again the visitors had scored five runs and cinched the game. The score:

	R.	H.	E.
East Portland	7	9	1
Salem	3	7	4

Batteries—Hurlburt and Brock; Robinson and Heyser. Umpire—Giles.

Vancouver 3-6, St. Johns 1-3.

Vancouver took two in a row from St. Johns yesterday, winning the morning game by a score of 3 to 1 and the afternoon game, 6 to 3. Both games were well contested and exciting.

AMATEUR BALL GAMES.

The Holladay Maroons had sweet revenge at Banks Sunday when they defeated the team of that city by the score of 10 to 2. It was hit and run from start to finish. Davis' home run helped to win. Listman made the second homer.

The Inman-Poulsen baseball team won a very exciting game from the Willamette Iron & Steel Works' crack team Sunday at Montavilla. Wilson of the lumbermen struck out 18 men. His single won the game in the ninth. Inman-Poulsen closes the season after winning five out of the seven games played.

In an interesting game of baseball Crane company's nine defeated the Goodyear Rubber company, 6 to 3. The features of the game was the fielding of Spearl and Silksmith of the victors. Hauser of the winners struck out 12 men, allowing 4 hits.

The J. G. Mack's crack ball team won two games Sunday. In the morning they beat the St. Johns amateurs, 11 to 5, and in the afternoon trimmed the University Park squad, 4 to 3. This was the first defeat for the Parks. Any team in the state can get a game with the Macks by writing to the J. G. Mack company.

Getting their picture in the paper proved too much for Oswego and the ball team of that place was beaten Sunday by the Eagle creek nine. Eagle creek has won 12 straight games. They would like to hear from any team that has open dates. Address Ben Jacques, Eagle Creek.

The All Star ball team would like to hear from all surrounding towns desiring good, clean, fast baseball. The Oregon City Grays, La Camas and Chemawa Indians are preferred. They would also like to meet the Wabash Independents. Address J. R. Dickerman, 513½ Jefferson street, Portland.

Woodstock defeated the Rosebuds at Woodstock Sunday in a fine game, 6 to 4. In the afternoon Woodstock defeated the N. P. Brewers, 7 to 3. Houck, the Woodstock pitcher, fanned 12 men, Deters made two three-baggers.

At Vaughn street grounds yesterday morning the fast Ben Sellings team took the Goodyear team into camp to the tune of 12 to 5. Again the hard hitting Sellings won their game by timely batting. Burns' catch in center was a feature. Bergh pitched a great game, allowing just four hits and was given great support by teammates.

Sherwood 11, Wabash 0.

(Special Dispatch to The Journal.)

Sherwood, Or., June 29.—In what was considered one of the most one-sided games played here this season, the crack Wabash team of Portland was unmercifully drubbed by the White Sox to the tune of 11 to 0. Habernicht, who twirled for Sherwood, pitched a great game, allowing but five hits and striking out 11 men, while the Wabash pitcher was completely hammered out of the lot. The White Sox will play another series of games with the crack St. Paul team here on the 4th and 5th of July, which promises to be the best of the season, the St. Paul bunch being the ones winning the only game lost by the White Sox.

NELSON AND GANS IN GREAT FETTLE

Negro Builds Up Carefully While Dane Wears Out Trainers by Energy.

(United Press Leased Wire.)

San Francisco, June 29.—Joe Gans and Battling Nelson both were reported to be in better condition than ever before when they started the fifth day preceding the battle for the lightweight championship. That is the customary statement but their trainers swear it is really true this time.

Gans is so confident that he laughs uproarlously in effort not to seem piqued at the reports that he has been training in a new way because he is afraid of Nelson. He has not been boxing, he says, because he believes he can beat Nelson without boxing. All he wants, he says, is his strength. He went in for sparring yesterday for the second time since he began training.

Nelson will do his boxing Wednesday. The little Dane is wearing out his trainers by his tireless energy at Colma and is in fine fettle. Gans tips the scales at 134¼ and Nelson at 135. They will enter the ring at 133 pounds.

SALMON PASSING UP SPAWNING GROUNDS

Sportsmen Complain That Fish Are Ascending Rogue River Irrigating Ditches.

(Special Dispatch to The Journal.)

Grants Pass, Or., June 29.—Much complaint is being made by southern Oregon sportsmen and others interested in Rogue River fishing to the effect that salmon are not ascending the main river to their spawning grounds, but are turning into the irrigation and mining ditches.

The warden for this district states that it is impossible for him to cover the big territory assigned him, and that he is unable to enforce the law regarding the screening of these ditches. The miners and ranchers claim that it is impossible for them to screen their ditches; that if they did so the floating leaves and debris would soon choke them.

Consequently a great majority of the ditches are unscreened, and the big salmon ascend them to soon find themselves floundering in alfalfa fields or being forcibly ejected from a placer monitor. Placer miners claim that it is no unusual thing for a 15 or 20-pound salmon to get caught in the nozzle of a hydraulic giant, and that many fish are killed in the sluices.

Fish Warden Wilson of the southern Oregon district, lately visited the power dams across Rogue river and found the fish ladders in good shape, though it is apparent that the fish ascending the ladders are much fewer in number than in former seasons. The hatchery on Elk creek is getting very few salmon and the output of fry will be small.

BABY HOMERS MAKE FAST TIME IN TRIAL

Limerick Wins First and Third and Gets Pair of Bauer's Birds.

Baby homers had their chance yesterday when 39 birds owned by Portland fanciers flew from Albany to Portland in two hours and one half minutes. J. P. Limerick won first and third and E. H. Bauer captured second and fourth. J. H. Wilson was fifth and E. Lillis sixth.

The birds established a record of a mile in one minute and 45 seconds, which is exceptionally good for birds with their first flight before them. It was not a regular race but a preliminary to the series which will be commenced next week. The winner among the other three contestants takes the prize donated by Mr. Bauer, a brace of young homers.

San Francisco should prove easy picking for the Beavers.

Yes, fair reader, Danzig and Nick Williams are rivals in two ways—first base and girl.

It is to laugh at a Los Angeles correspondent's efforts to belittle Portland's playing in the south. It's never the Beavers' good work, but always the Angels' hard luck. Who knows whether Gray is so blooming much better than Groom? We don't.

There are those who figure that it is a mortal cinch the Beavers will carry off the rag this season. When a team can go on the road and win seven games out of 13 played, one being a tie, it is entitled to serious consideration as a pennant factor.

What do you know about this. Boston has offered Manager Mac $500 for the use of Ryan and Danzig for the remainder of the season. It seems Boston can't wait till the drafting season begins to nab these two classy players. The tip is pretty straight, but Mac has turned the proposition down.

FLOCK TO COURT SCANDAL-HUNGRY

Women Line Up at Early Dawn for the Trial of Prince Eulenberg.

(United Press Leased Wire.)

Berlin, June 29.—Hundreds of scandal-hungry women were turned away from the central criminal court today when the case of Prince Philip Eulenburg, was called for trial. Loath to miss the gossip to be gathered in the courtroom, the women raised a disturbance and in some instances court attendants found it necessary to forcibly eject beautifully gowned, but ill-mannered importuners.

Prince Philip is accused by Editor Maximillian Harden of participating in the sensational escapades alleged to have been conducted by Kaiser Wilhelm's "knights of the round table."

The sensation created by the trial of the prince is even greater than that which attended the arrest and trial of Count Von Moltke, who, although one of the most prominent members of German nobility, is outranked by the prisoners at the dock today.

With the first gleam of dawn, the morbidly curious began to assemble at the door of the criminal courts building. By the time the case was called for trial thousands of persons had formed a mob of immense proportions in the yard. As Prince Philip drove to the courtroom in a closed carriage a mighty cheer arose from the ranks of his admirers, in the midst of which a menacing hiss could be heard.

Prince Philip has not been a favorite of the masses and but a word would have been needed to start a serious demonstration.

Count Carolath has been commissioned by the kaiser to report the trial for him, and news of the day's proceedings is eagerly awaited at the palace, where the accused prince has been a favorite.

Ach, Dose Poor Vomans!

Upon the arrival of Prince Philip a conference was held between the court and counsel and it was decided that the trial should be held behind closed doors. Immediately the courtroom was cleared of all spectators.

Prince Philip, who, owing to his recent illness, was allowed to recline in a chair in the center of the courtroom, arose upon hearing the announcement that no women would be allowed to attend the trial, and escorted his beautiful wife and two sons to their carriage. There were tears in the eyes of the princess when she parted from her husband.

A mass of testimony will be introduced by the prosecution. Eulenburg's defense will cover a period of several days and it is expected that the trial will last at least two weeks.

Electrical Engineers in Session.

(United Press Leased Wire.)

Atlantic City, N. J., June 29.—The American Institute of Electrical Engineers began its 25th annual convention here today, at the Hotel Traymore. About 400 members were in attendance at the opening. During the session of four days about 35 technical papers will be presented upon subjects relating to electrical engineering in its various branches.

The American Institute of Electrical Engineers was organized in 1884 and is international in its scope. The total membership now exceeds 5,700. Of this number about 5,000 are residents of the United States.

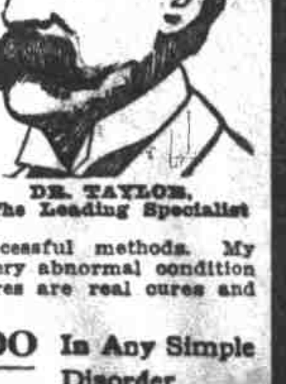
Best Tonic Laxative

MEN CURED!



DR. TAYLOR, The Leading Specialist

No other physician employs a like method, and so thorough is my work that there need not be the slightest fear of a relapse into the old condition. It is not a question of whether you can be cured, but whether you will be cured. Don't wait until it is too late. My method is perfect and quick. The cure is absolutely certain. I use NO KNIFE, cause no pain, and you need not be detained from your work for one day. I especially solicit those cases where many so-called treatments have failed—or where money has been wasted on electric belts and other appliances. Functional derangement is neither a "weakness" nor a disease. It is a symptom of prostatic disorder. To stimulate activity by the use of powerful tonics is an easy matter, but such results are merely temporary drug effects. Most doctors treat "weakness" in this manner because they do not know how to cure the real cause of the derangement. I am the only physician employing scientific and successful methods. My treatment is a local one entirely and corrects every abnormal condition of that vital center, the prostate gland. My cures are real cures and are permanent.

My Fee for Any Ailment of Men is $10.00 In Any Simple Disorder

PAY WHEN YOU ARE CURED.

Can any reasonable man desire a more fair test of my methods than to let me cure him first and to pay the bill when he is well?

No man could be fairer than that. I take all the risk. You take none whatever. You have everything to gain and absolutely nothing to lose.

Those in any trouble, suffering from SPERMATORRHOEA, LOSSES AND DRAINS, VARICOCELE, HYDROCELE, BLOOD POISON, or any other disease tending to destroy and disfigure and to render happiness impossible, are urged to call upon me without delay.

NOT A DOLLAR NEED BE PAID UNTIL CURED.
