SEALS FIND NEW BUSHER'S BEST

Kid Mohler's Double Wins Second Game of Series for Seals.

(United Press Leased Wire.)

San Francisco, July 2 .- Young Marshall allowed six bases on balls yesterday and then permitted Kld Mohler to rap the sphere to the fence, scoring two men on bases in the sixth and winning the second game of the series for the Seals, 4 to 2.

The game was a pretty one until the sixth regardless of the kid pitcher's wildness. The first Seal run was the result of three walks in the third. With the bases full Berry hit to short and Williams came home when the ball was fielded to first base to put Berry out.

was fielded to first base to put Berry out.

Henderson got in his good work in the fourth and incidentally found favor with the local fans, who were beginning to doubt the ability of the new fielder. Meichoir hit safely into left field and Curtis moved him to second on a sacrifice. Then Henderson came through with his double, which made the score. Fortland had been rolling up a pretty bunch of goose eggs until the fifth, with but one hit to break the monotony. Then the nontherners fell on the Henley slants for three bingles. Danzig and Madden raped out successive singles and the busher Marshall moved them up a peg with a neat sacrifice. Cooney poked the ball safely into right and both Madden and Danzig crossed the plate. That was all for the McCredie crew.

Henderson officiated in the winning runs. He picked out a nice bender and drove it over Danzig's station. Berry pulled off a bunt and when Marshall made a slow throw of it to Cooney at second, both Seals were safe. Mohler's double to the center field fance put both over.

The score:

## Wolff People Are Willing to the club. Wager on River Flyer for Fourth.

**WANT \$5,000 BET** 

ing to back their latest product. the Wolff, with \$5,000 in the race July 4 over the Willametta Motor Boat club's course for two

This was the challenge hurled in the face of Louis Roesch and the Beeman-Spaiding-Woodard people by Johnny Wolff and the Smalley Motor Boat Engine company this morning, and it shows the Intense rivalry between the two manufacturers of engines and their local agents. Whether the bet will be covered remains to be seen, for several weeks-Rosech has been staying in Portland in hopes of getting a race, and very likely he will see that a portion if not all the money is covered.

Johnny Wolff, who built the boat, thinks he has the fastest flyer in the coast waters today, and is willing to race her against anything in the motor line affoat. Wolff himself runs the boat, and W. F. Lacey is her captain.

Early this spring when rumors became numerous that some fast motor boats were being imported to the Willamette, the Smalley contingent callzed its old champion The Vixen would no longer be able to defend the title against all comers.

Accordingly Wolff started to build a new boat. It was constructed at home in the basement and kept under cover. The Wolff was constructed in the short time of two months, and is now plying the waters of the Willamette. Her length on the water line is 34 feet, beam four feet six inches, with a draught of 20 inches under the propeller. The motor is a six-cylinder Smalley, and at 950 revolutions develops 75 horse-power.

Wolff is very careful to keep the new transpower.

wolff is very careful to keep the action of his boat from curious eyes. He will not allow a photographer to snap it at full speed, being afraid to shew his competitors how she lies in the water. She is a trim craft.

The Arien II, which Roesch will send against The Wolff, is an imported boat. Her owners say she can go 25 miles an hour, but they are believed to be concealing her true speed. She is about hour, but they are believed to be concealing her true speed. She is about the same size as The Wolff and has been given a thorough trial on the river. Whether or not there is a side het on the result of the race the two flyers will come together on the afternoon of July 4 for the handsome Abendroth silver cup. There are also three other cups to go to the races. The G. Heft-kemper company has donated a trophy for boats under 10 miles, Gevurtz & Sons for one over 10 miles, and A. & C. Feldenheimer for a special scratch race.

Fourth of July Game Scheduled for Saturday Mornø ing at Montavilla.

What should prove to be a very in resting cricket match will be played n the grounds of the Portland Cricket club at Montavilla Saturday, Fourth of July, between teams picked from the married and single men of

the club.

Heretofore the married contingent has generally proven successful but the bachelors hope to come into their own on this occasion. The married men will be considerably strengthened by Charles Lawrence the reliable rungetter of the club who will be in the game for the first time this season. The field is in splendid shape and the wicket should be first-class. The match will start promptly at 11 a. m. The lineup follows:

Married men—W. G. Smith, C. Lawrence, K. Balley, J. Churchley, G. Shipley, C. J. Kay, A. Sisley, P. Henderson, B. White, A. M. Crocker, E. Fenwick (captain).

Single men—S. Mills, C. J. Gjedsted, H. Phin, A. Matthew, T. P. Banks, W. I. N. Gliman, A. Greig, C. Leigh, J. H. Verrender, A. E. Mokenzie, J. C. Cumming, R. Rylance (captain).

## M'FARLAND FAVORITE OVER FREDDIE WELSH

Los Angeles, July 2.—Freddic Welsh did his last work today in preparation for his fight Saturday next with Packey McFarland, and Referee Jim Jeffries went to Venice this morning to see him work and have a talk with him about the rules governing the fight. His work today was along the same lines as that of the past-week and Welsh declares he is at weight.

McFarland has practically cut out all heavy work and now confines himself to road work and a little light boxing. He is also near the 133-pound mark and will have no trouble in getting under the figure. The betting continues at 10 to 7 in McFarland's favor and there appears to be an oversupply of McFarland money.
