

Wanted—Money!

THE repairing of Burnside bridge and the building of the new Sullivan Gulch bridge on Union Avenue have been great hindrances to the establishment of this new business and we find ourselves compelled to raise money on short notice. To do so we shall cut the prices down to a wholesale basis. Not cost, mark you, for no business can continue on such a basis, but we shall sell furniture this week at the lowest possible price-notch. We buy furniture in carload lots for two great stores and can do business on a closer margin of profit than any house in the city. We often sell for the price the other fellows PAY. That answers the question who sells the cheapest.
