SEALS GET EVEN BREAK IN GAMES

Kinsella's Great Pitching Beats Frisco in Morning—Portland Second.

(United Press Leased Wire.)
San Francisco, July 6.—It was an even break for the Beavers and Seals yesterday, Kinsella hanging the Indian on the Mohler out in the morning and Marshall and McFarland getting a plentiful dress of slabs in the afternoon. After breakfast the score was 3 to 1 and in the grand engagement it was 7 to 0.

The layout yesterday showed the northerners back into second place by six points owing to the victory of the blossoms in the south. Sutor was the stumbling block in the afternoon and the Texan baffled the Beavers at every turn, though a number of costly errors aided the Seals in making the big score. Four out Oscar Jones started the game in the morning, but the Beavers got Jerry to him right at the start and he had to retire and Zelder was sent to the slaughter. Zelder was out and McFarland's men proceeded to fatten their battling averages some more.

CALDWELL TAKES CUP FOR SHOOTERS

Ellis, Abraham and Howe Make Splendid Scores at Sunday Traps.

W. V. Caldwell won the class A cup with 72 birds out of 75 in the Multnomah Rod and Gun club shoot yesterday. Cullison and Howe were second with 71 each. F. Shangle won the B class cup, making 43 out of 50 and 22 out of 25. Harry Ellis made a run of 66 without a miss, and Morris Abraham a run of 57 without a miss. A squad of four men shot at 200 targets and broke 192, or 96 per cent.

Cullison and Caldwell have each won the class A cup once and F. Shangle and Stoddard the B class cup and Dupont trophy. When any one of these is won it becomes the property of the winning shooter.

THRILLING ESCAPES FOR BALLOON RACERS

Fielding-San Antonio Wins International Championship Over Eight Others.

(United Press Leased Wire.)
Chicago, July 6.—Landing at 5 o'clock last evening near West Sheffield, Quebec, a distance of 805 miles as the crow flies, if it could fly, the balloon Fielding-San Antonio won the international championship race over the other eight competitors who started from the grounds of the Aeronaute club of Chicago Saturday evening. It was 23 hours and 12 minutes.

All of the balloons, with their freight of 15 human souls, are safely back to earth. Several of the aeronauts, notably the two who died beneath the Columbia, were injured in landing. Captain Peterson had a rib broken and both he and Charles H. Leichter went out on a barber wire fence when they came down in a field at Clinton, Ont.

Woodburn increased her lead in the Tri-City league race when by dint of hard hitting in the ninth inning she nosed Salem out, 6 to 4. With two men on bases at the opening of the ninth Michels walloped out a two-bagger, scoring the two runners and winning the game.

Batteries—Poland and White; Robinson and Heysler. Umpire—Jack Rankin.

GANS AND NELSON WILL MEET AGAIN

Tex Rickard Offers Lightweight \$30,000 Purse to Fight in Goldfield.

(Special Dispatch to The Journal.)
San Francisco, July 6.—Hitting Nelson and Joe Gans will meet in the prize ring for a third battle for the lightweight championship of the world, probably at Tex Rickard's Goldfield arena, either on Labor Day or September 9. Gans wants another fight, Nelson is willing and Rickard is so anxious he has announced that he will guarantee a purse of \$30,000.

Despite Nelson's avowed intention of leaving the ring, his manager, Willis Field, is confident that he can keep the little champion fighting and does not hesitate to say the Dane will meet Gans if the latter wants another whirl for the belt.

Henny Selig, Gans' manager, announced positively today the colored fighter will not retire. He blames Gans' style of training for his defeat here July 4. He says that Selig's fighter has more than other lightweight; McFarland or Welsh preferred, he will be ready to make an effort to regain his lost title.

Fake talk, started by a bunch of hard losers, is discredited by every right expert in the city. No one who saw the battle July 4, is willing to say the contest was anything but on the square. Gans will go to his home in Baltimore this week, but will be ready to return west as soon as arrangements are made for his next scrap.

Both teams started things off in a lively manner, the Frakes securing two runs in their half of the first, while the East Siders doubled that in their half of the fifth and another in the sixth, while Frakes ended the scoring with one in the fourth. Schmeer was chased from the game by Empire club in the seventh inning after he had gotten a little too obstreperous at a decision by the umpire. The score: R. H. E. East Side 6, West Side 3.

For the first time since the Tri-City league was organized, West Portland was defeated yesterday by the East Portland team, 6 to 3. The East Siders ran bases on Antoine at will and their pitcher, Ed Lane, together with Howard's generosity, gave them the game.

DIEPPE AUTO COURSE FASTEST IN WORLD

American Car Driven by Strang Starts With 49 Foreigners Tomorrow.

(United Press Leased Wire.)
Dieppe, France, July 6.—Everything is in readiness for the Grand Prix contest of the Automobile club of France, which promises to be one of the most keenly contested and fastest the world has ever seen. There are 59 entries, including 24 French, six Italian, six English, two German and one American car. The American machine is a Thomas and will be driven by Louis Strang.

The start in the Grand Prix is timed for 6 o'clock tomorrow morning. At that hour the race will be started by a British Austin car, driven by Moore Hrabazon. One minute later the Mercedes racer will be sent away, followed at intervals of one minute by a Motosacoche, Renault, Dietrich, Benz, Fiat, Brazer, Porsche, Opel, Dayard-Clement, Hala, Weigel, Mors, Thomas, Panhard and finally the German car of Belgian origin. This will complete the first series, the second and third cars of each firm being started in the same order at intervals of one minute.

The course is the same as that over which the race was run last year. It is a closed triangle, the angles being at Dieppe, Eu and Londiniere. The course measures 70 kilometers and must be circled 10 times. The roadway is in perfect condition, but has a few dangerous turnings and many rapid curves. Prominent automobilists from America, Great Britain and the continent are here to witness the race, and also the contest for small cars which takes place today. As the hotels at this and the neighboring resorts are not capable of accommodating the crowds, high prices are being charged for rooms and tents have been erected along the course to shelter the overflow.

HOMING PIGEONS GET LAZY AND LOAF ON JOB

Poorest Time Yet Made by Racing Birds Owned in Portland.

What was the poorest race ever participated in by Portland homing pigeons was pulled off yesterday for young birds over a sky track from Eugene to the local lofts. The first bird lighted at J. P. Limerick's loft in three hours and 40 minutes after the start. Over 50 per cent of the 25 birds entered had not reached home last night. The best previous time for baby pigeons was two hours and 18 minutes for the 100 miles on an airline.

Another of Limerick's birds captured third place, while one of E. H. Baker's entries took second. J. J. Wilson won fourth, E. Lillis, fifth, and H. E. Brown, sixth. The birds made fine time from Eugene to Albany, but fell down between that city and Portland. Just what caused the slacking up is not clear to the fanciers.

Brainerd Cubs Lose Again.

Chehalis, Wash., July 6.—The Brainerd Cubs of Portland met with their second defeat at the hands of the Chehalis team today. The score was 9 to 1. A Portland player scoring on a passed ball. Harwas and Fleming were the Cubs' battery, and Obozow and Ruff were Chehalis' battery. Downs unimpaired. The Portland club made a good impression here and the local fans will be pleased to see them again later on the home field.

Golden West 6, Eagle Creek 0.

After winning 13 straight games from some of the best independent clubs in this vicinity, the crack Eagle Creek team fell before the masterful play of the Golden West colored bunch, which shut them out. Big to mention was the score. Pap Bivens of the West allowed but two hits, one a bad boundary that hit him in the face, and but one white ball reached third base. Roy Douglas did the fling stunt for the Creek and fanned 13 of the colored boys, but was hit when his meant runs. Only one error was made by each team, and but one hour and 15 minutes were consumed in play.

Food Foolishness

The druggist lives on your "food follies." If every one ate

"FORCE"

the druggist would have to turn grocer. There's no stomach so weak that it cannot digest FORCE. Its thin, crisp flakes are quickly penetrated by the digestive fluids and the barley-malt enables the intestines to digest the starch. FORCE helps Nature. Not a medicine, but a food.

"FORCE" is made of the best white wheat, steam-cooked, rolled into thin flakes, combined with the purest barley-malt and baked. Always "crisp" it before serving it by pouring into a pan and warming it in oven. Then serve in large dish with cream, piling the flakes in one side of the dish and pouring the cream in the other side, dipping the flakes as eaten.

Your grocer sells it. No other Flaked Food is "just as good."

Whist Players in Big Meet.

(United Press Leased Wire.)
New York, July 6.—The eighteenth annual congress of the American Whist league opened at the Hotel Majestic today, all the leading clubs in the United States being represented. The contests were inaugurated this afternoon with the preliminary play for the Brooklyn trophy.

During the week there will be 20 contests—six trophy matches, a two-pair match and 13 progressive pair matches. The main event, the match for the Hamilton club trophy and championship for club fours, will begin tomorrow afternoon and continue until the winner is decided, play being under the loss-and-drop-out method. The Minneapolis trophy and championship for club pairs match will be played in four sessions, beginning Wednesday evening.

CONSTIPATION

For over nine years I suffered with chronic constipation and during this time I had to take a lot of medicine and was very nervous. I could have an action on my bowels for several days and then I would be as bad as before. I tried Cascarets and after I am a well man. I feel like a new man. I am very happy and I am free from all my troubles. I can use this in behalf of suffering humanity.
