PORTLAND GRABS OPENING EVENT

Cooney's Single in Sixth Shoves Winning Run Across the Plate.

Moon, don't rhyme with Groom, I know. But it was moons and moons ago Since we triumphed in the first. Invariably we've got it worst. But this time they couldn't kill us, Cause we found their pitcher, Willis.

Scratch swats, timely hits, peart pitching and glorious fielding were thrown into the afternoon in great gobs, keeping the first day fans on the anxious seat during the entire afternoon. While Groom was unsteady at times, he closed up like a big leaguer when things grew threatening and participated in six of the chances of his colleagues.

REBELS CAN'T CROSS INTO UNITED STATES

(United Press Leased Wire.) El Paso, Texas, July 8.—For fear the Mexican troops at Las Vegas will show no quarter to the revolutionists, who are being surrounded in the mountains, and that they in turn will try to cross the river into the United States, Attorney General Boynton has today prepared for the United States army to continue three days and will form a part of the general program of the Olympic games.

Both team and individual contests will be held. There are to be no competitions, the first with the national service weapon and the other with any rifle to be held over a range varying from 200 to 1,000 yards with 15 shots at each range. Each team will consist of 12 competitors, while no more than 12 from any country can take part in individual competitions.

MEN CURED

DON'T BE DISCOURAGED! DON'T GIVE UP HOPE! THERE IS HELP FOR YOU! ACT TODAY!

MY FEE IS \$10 In Any Uncomplicated Case

In my very extensive practice I have learned a few truths that are undeniably of interest to every man. First of all, I find that the very serious and so-called "incurable" cases are due usually to NEGLECT and DELAY. Again, I know that many men suffer FOR YEARS and practically "RUIN THEIR HEALTH" FOR EVER trying to "cure themselves" with some patent nostrum that never could cure. NO TREATMENT AT ALL is what "cheap" treatment means in nine cases out of ten. The last state of the man is worse than the first. Just before you go a line further in this announcement, stop and ask yourself as to whether YOU are following in the foolish footsteps of the man who NEGLECTS himself? Are YOU trying to cure yourself with nostrums? Are YOU looking for treatment that will not cure? If you are, it is certain that you will regret it. It IS NEVER TOO LATE to get on the right path, but at the same time remember that you cannot get there too soon. The best help in the world is none too good for you; you cannot get it too quickly. I offer it to you at the lowest fee possible.

MOTION PICTURES HOLD FIGHTERS UP

Jim Croffoth Hands Attehl Gentle Bunch—May Sign Articles Today.

(Hearst News by Longest Leased Wire.) San Francisco, July 8.—Rickard had business outside of the fighting game to attend to last evening and could spend but little time with the managers of Battling Nelson and Joe Gans, who were ready to make a match for Labor Day before the club which Rickard had organized at Ely, Nevada.

Gans manager had an interview with the mining man and it was announced that the money terms had been satisfactorily arranged, but that a slight difference of opinion on the division of the money which it is expected will be made by the moving pictures prevented a final arrangement. It is expected that everything will be fixed up satisfactorily and that the fightweights will sign up for a fight some time today.

A number of fighters are anxious to engage in combat with Battling Nelson, the new champion of the light weights. Abe Attehl today wired from New York to James W. Croffoth asking for a match with Nelson for 35 rounds. Croffoth sent a dispatch to the featherweight champion calling his attention to the fact that he had not yet beaten Wren Moran.
