Here will be found bargains which should interest everyone. Big values and little prices. Some of these instruments have been out on rent or turned in on a Player Piano or a high grade grand—many of them can hardly be sold from new—in fact, some of them probably are preferable to new ones, as they have been used just about long enough to sweeten the tone.

The following are but a few of the many rare piano opportunities awaiting you at our warerooms: A Sohmer Piano, New York's greatest, absolutely new, but slightly scratched on one side in display purchase, regular price \$275, but goes now for \$430.

A splendid Smith & Barnes which has been out on rent for seven months, can now be had at a great reduction, although in fine condition. Don't miss seeing this one.

A Bailey, walnut case and of modern design. Former owner used it about a year and then turned it in on a Player Piano. \$181 buys this instrument, a bargain in price and, and probably will be snapped up quickly. Don't delay.

As stated above, these are but a few of the many bargains which will go on sale tomorrow and Saturday—but you would better come down early to secure best choice, as at the prices we have marked these instruments, they are almost sure to go in a hurry.
