HOMES FOR 11,992 FAMILIES ON OREGON MILITARY ROAD LANDS

For $200, payable $10 per month, we are selling a farm in this grant and a town lot in beautiful Lakeview, county seat of Lake county. There are nearly 6,000 10-acre tracts with irrigation; lands that are as good as other irrigated lands selling at 10 times that price. The valleys of this grant produce without irrigation abundant crops of nearly everything grown in the Willamette valley, and some things that don't do well here will grow fine over there. We produce the finest tomatoes, potatoes, rutabagas in the world. We have a good country for fall or spring wheat. We produce as fine fruits as any valley in Oregon, and never have failures. We have a beautiful city of 1,200 people and growing rapidly; prices of realty upward; stages crowded incoming, and everybody remaining and investing. You have never had, even in Oregon, so sure a chance to get a good home for a song, or make a good investment with a few dollars. If you doubt, write to the Lakeview bank or anybody at Lakeview. It's easy to learn about our lands. This is an Oregon proposition, right here at home, the country you are bragging about all the time—if you know the truth about Oregon. Have you ever known so remarkable an opportunity to get rich with $200? Think of it! For $200 you get a farm that will make you a living, and a town lot in a growing county seat, where you can have a town residence for the winter season.
